Grand Master 1964-1965

WILLIAM JOHN COLLETT
Grand Master 1964-1965

William John Collett was born at Hilperton, Wiltshire, England, on March 6th, 1910. He came to Calgary with his parents in 1919 and was educated in Calgary, attending Crescent Heights High School and the Calgary Normal School. He proceeded to the University of Alberta, Edmonton, and St. Stephen's College, receiving his Bachelor of Arts and Bachelor of Divinity degrees. Post graduate study was undertaken at Columbia University, New York and he received his Master of Arts degree. He taught school at Red Willow, Alberta for a time and was Ordained into the Ministry of the United Church of Canada in 1938, serving pastorates at St. Paul, Taber and Claresholm.

Bro. Collett married Helen Patricia Newson of Edmonton. Miss Newson was formerly Secretary to M.W. Bro. R. S. Sheppard, Superintendent of Schools in Edmonton. They have a daughter, Sheila, who graduated in Nursing in 1964 and two sons, Ross and Donald.

Whilst at Claresholm Bro. Collett presented his petition for Initiation to Cairo Lodge No. 32 and he was Initiated on June 20th, 1944, passed July 18th, 1944 and Raised September 26th, 1944, he was immediately appointed Chaplain and he served as Worshipful Master in 1947-1948.

In 1948 Bro. Collett was appointed Dean of Mount Royal College in Calgary and moved to the City. He affiliated with Zetland Lodge No. 83 and he became a Charter member of Elbow River Lodge No. 180 on March 16th, 1959. He was appointed Principal of Mount Royal College in 1959 and was named President of this very important educational institution in 1965.

In 1958 W. Bro. Collett was elected as Grand Chaplain of the Grand Lodge of Alberta and he served in this post until 1961, in which year he was elected Junior Grand Warden.

M.W. Bro. Collett assumed the duties of Grand Master, on June 11th, 1964 and brought to this high office a dedication to the high principles of Freemasonry that has characterised his whole life. As one of the busiest men in Alberta, he has still found time to journey to many Lodges, to accept a great number of invitations to speak to Masonic gatherings and at each visit he has presented an inspiring message, urging brethren to take note of the guiding spirit of Freemasonry, and to permit the principles of the Craft to be applied to the modern world. At the All-Canada Conference in Montreal in February, M.W. Bro. Collett delivered a masterly paper on 'Freemasonry and the Church'—a paper that is being acclaimed as it comes into the hands of thoughtful men.

M.W. Bro. Collett was awarded a Doctor of Divinity Degree in St. Stephens College in 1960. In 1964 he was awarded the Canadian Forces Decoration for his services as Chaplain to the Royal Canadian Naval Reserve. He is Chairman of the Calgary Public Library Board and a member of the Senate of the University of Alberta. Members of this Grand Lodge will realize in the years to come that the year 1964-65 was a good year for this Jurisdiction.

Two copies of this book of Proceedings are mailed to the Secretary of every Lodge in the Jurisdiction. They are the property of the Lodge for the use of Brethren.

One copy should be handed to the Worshipful Master of the Lodge as soon as received and the Worshipful Master should arrange for all portions of the address of the Grand Master relating to procedure, or conduct of the brethren, to be read in open Lodge at an early date. He should delegate a member of the Lodge to study the reports of the various committees and other reports and have him bring in a detailed study for discussion in Open Lodge.

One copy should be on the Secretary's desk at every meeting.

TUESDAY EVENING GATHERING

On Tuesday, June 8th, 1965, M.W. Bro. Collett invited all members attending Grand Lodge and particularly Master Masons, to be present at Mount Royal College at 7:30 p.m. Five hundred and fifty-six registered W. Bro. M. P. Dunford, Assistant to the Grand Secretary, organized the evening for the purpose of having discussion groups. He was assisted by the following, who each acted as Chairman of a group:

V.W. Bro. A. E. Sick (1), W. Bro. D. Spalding (1), V.W. Bro. J. Begg (9), Bro. B. V. Apperley (9), R.W. Bro. J. Davis (23), W. Bro. R. R. Down (54), W. Bro. R. W. Maxwell (59), Bro. E. Dayman (83), W. Bro. W. J. Weberg (118), Bro. R. H. Simmonds (134), W. Bro. J. Hutton (165), W. Bro. I. F. Mason (165), W. Bro. H. A. Brayley (174), W. Bro. R. L. Costigan (180), R.W. Bro. A. Little (180), W. Bro. N. C. Beaton (189). The attendance was much larger than anticipated and many additional Brethren assisted. W. Bro. R. C. Jones (173) arranged for a group of Junior Wardens to take charge of Registration, to assist the Chairman of the Credentials and Reception Committee, R.W. Bro. A. D. Mansell (168).

M.W. Bro. W. J. Collett, Grand Master, addressed the Brethren on:

CONFUSION IN THE TEMPLE

The Maryland Masonic Bulletin quotes United States Senator, Mary Chase Smith as saying:

"Many years ago, the word "square" was one of the most honoured and respected words in our vocabulary. A "square deal" was an honest deal. A "square meal" was a good and a full meal. It was a "square shooter" rather than the "sharpshooter" who was admired. When you were financially "square" you had paid all your debts.

"What is a "square" today? He's the fellow who has never learned to get away with it—being the one who volunteers when he doesn't have to—who tries to do better than others—who has to be reminded to go home because he is so lost in his work—whose heart beats faster and who gets choked up when the band plays the Star Spangled Banner and the Flag unfurls. He is the man who says: 'I am my brother's keeper!'"

Masonry brought the word "square" in its original meaning into the English Language and made it a word to be admired and a way of life to strive for. If the word "square" has been debased it is because the Masons have allowed such to happen by failing to make their philosophies and teachings a part of the way of life in this Twentieth Century.

Our honoured guest M.W. Bro. Dwight L. Smith had a series of articles in the Indiana Freemason called "Why this Confusion in the Temple" and I am indebted to him for the title of what I am about to say and for inspiration from what he has written.

The confusion in the Temple and concerning the definition of such words as "square" has arisen because Masons have lost sight of the true definition of Freemasonry and have, consequently, neglected their great mission of making an impact on society by putting to practical use the philosophies which they are supposed to learn in their Lodge. Indeed we all realize that the Masonic Order is in a state of crisis as evidenced by a falling off of interest, lagging attendance and increasing suspensions. We have made the inexcusable error of trying to correct these ills by a number of surface activities and have failed to make a serious and searching diagnosis of our sickness.

This is what I mean. The Master of a Lodge looks at poor attendance and lagging interest and decides that he must do something about it in his year of office. So he proceeds to put a lot of energy into pepping up the Lodge. He places his emphasis on the period of refreshment and brings in speakers who address the brethren on anything from "A trip Around the World", of course illustrated by coloured slides to "How to Grow Mushrooms in the Winter". He may in addition, proliferate "Ladies' Nights" on which the funds of the Lodge are spent with abandon. At times he may have special nights in the degree work of the Lodge where he invites in many specialized groups to perform the ritualistic work.

These are merely surface remedies and do not get to the heart of the matter. Very rarely do you find a Master who calls his officers and some young Masons together to analyse the ills and to plan a creative type of remedy. Yet the need is obvious. It is that we must find out the true meaning of Freemasonry and then do the serious and difficult job of helping the entire lodge to rediscover what the Masonic Order is all about. In other words we have to look at the original meaning of the word "Square" and find out ways and means of restoring this word to a honoured and enviable position in our vocabulary. This cannot be done by thinking up new schemes to entertain the brethren it can only be done by searching our soul and by hard and consecrated work.

One of the basic reasons for the existence of a Masonic Lodge is to establish in society a high sense of Morality. Our ritual attempts to give a word picture of what is proper and improper in human conduct for the building of character. We pay lip service to this for we continue to suspend or expel members, only be it noted when we are forced to, for what we call "unmasonic conduct". At the same time I would find it very difficult to name a Lodge which during the past year, has seriously attacked the very essential task of discovering the roots of morality as they may be found in science, in the arts and in theology. Yet for those of us who are searching for worthwhile programs for the Lodge here is a job that will absorb the time and energy of the members for years to come.

To attempt to define what is right and what is wrong in conduct is very difficult. We may say that smoking is wrong and that drinking, gambling and numerous other activities are bad. However what to some people is wrong to others may be quite acceptable. This is a matter of conscience. How do we develop this attribute? Are we born with it? Do we develop it as a result of the society in which we live? How can the ritual of our lodges help in the growth of the conscience? What have the great philosophers and psychologists to say about morality and conscience.

For every candidate that comes into our lodge the "tongue of good report" is supposedly to be heard in his favour. What are the elements of a "good report". How far are we influenced in this when we vote? Should our lodges be more restrictive in our membership? When a Mason ceases to have the "tongue of good report" heard in his favour what do we do about it? Is a Masonic Trial and expulsion the only means of action or is there some possibility of reclamation? What do we mean when, at the conclusion of the Lodge we pray that "every moral and social virtue" might cement us?

If we go through a red traffic light, show impatience with others and fail to show proper courtesy in traffic are we guilty of unmasonic conduct? If we show an extremely selfish attitude for the rights of

others; if we break our family ties for selfish motives; if we fail to file proper income tax reports can we be considered to have offended against the moral code? Surely whenever we do something to destroy human happiness we are not living to our highest potential. Whenever we do something which helps a person to a richer and fuller life and to give a person a sense of belonging surely we are contributing to the higher good.

Someone will say to me, "Now just a minute. Harmony and concord are supposed to prevail in our Lodges. Politics and religion are barred from our Lodge rooms because they cause dissention. Now you are proposing that we institute a program that will be bound to raise disputes and differences."

This is not so. One of the basic principles of love and brotherhood is that we are able to sit down and discuss matters on which we differ, frankly in order that we may find some common ground of action. Of course if we allow ourselves to get emotionally upset in a discussion we are likely to produce animosity. The fault is not in the subject of the discussion but in ourselves that we dare not permit ourselves to look at another point of view.

One of the great criticisms that we face at the moment is that the Masonic Lodge never expresses itself on any of the great moral and social problems of the day. If somebody would just issue a "statement" then we would know where Masons stood in relationship to these issues. It is a simple matter for someone to make a statement and for the majority to follow the statement and for a minority to disagree. This is not Freemasonry. It is incredibly more difficult for an individual to know thoroughly the basic principles of ethics and morality and then to have the personal responsibility of acting in a way that, in his best judgment, is the wisest for his country, his neighbour and himself. This is Freemasonry and it is very difficult. Where we have fallen down so disastrously is not in failing to make a public statement as a Lodge but in neglecting to supply the brethren with a solid basis in philosophy, ethics, science and theology upon which a personal decision may be made.

Let me illustrate. A number of you felt that I should issue an order saying that the Red Ensign should be taken from our Lodge Rooms and the Canadian Flag placed there. Another large group thought that I should say that Lodges could continue to use the Red Ensign if they wished. It would have been simple for me to make a statement. Very deliberately I refrained from doing so. What I did say was that every Mason should look into the ritual and to the Ancient Charges to learn what the Masonic Order says about loyalty and obedience to the supreme legislature. Then each Mason would be in a position to make an individual, personal decision.

What I have been trying to say is this—there is confusion in the temple. The confusion is there because we are failing to make a serious attempt to understand our basic philosophies and teachings. The confusion is being compounded because we are attempting to correct a deep seated illness by surface cures. Order will be restored only when we get down to the serious business of self analysis and sound learning. The means to order is truly Masonic programs for which there is no scarcity of material.

It is time that we made up our minds what we are here to do. If we are here for a high and noble purpose then let us get on with the job for time is beginning to run out on us. (Applause).

Following the address all members broke off into small groups, in rooms to which each had been assigned, for thirty minutes discussion. They then re-assembled in the auditorium and members of the Board of Benevolence, the Committee on Finance and the Higher Education Bursary Committee were available to provide any information on their work that might be requested of them.

All were then entertained by an orchestra, under the direction of R.W. Bro. J. S. P. Bach (34), consisting of Bro. Harry Rimmer (1), Grand Organist, Bro. D. Palmer, (134) Bro. F. Simpson (9), Bro. W. Thomas (118), Bro. W. Johnstone (118), Bro. J. Cruse (118), Bro. W. Ingles (23), and Bro. S. Duquid (19, G.R.M.). The numbers chosen were well received with enthusiastic applause.

R.W. Bro. E. H. Rivers, Grand Secretary, expressed the thanks of all present to the M.W. The Grand Master, to W. Bro Dunford and his Committee for their excellent work and to Mount Royal College for the use of the premises. A special vote of thanks and appreciation was given to R.W. Bro. John Bach and members of his orchestra.

Following the meeting lunch was served. It should also be mentioned that an 'evaluation sheet' was distributed during the evening and it appears that a very large majority are in favour of a 'workshop' type of discussion. Many would like to set up such a period separately from the annual Communication.

FIRST DAY

MORNING SESSION

Before Grand Lodge was formally opened all members and Visitors gathered in the Auditorium for opening service at 9:10 a.m., June 9th, 1965.

Sixtieth Annual Communication Thanksgiving and Memorial Service

The Grand Chaplain, R.W. Bro. the Rev. E. J. Thompson, D.D.

The Grand Organist, Bro. Harry Rimmer.

Choir under direction of Bro. Lloyd E. Smith.

R.W. Bro's. D. S. Bareham, L. J. Rosling, J. Davis, M. R. Butterfield, V.W. Bro. T. G. Millar, W. Bro's. G. Hains, D. Spalding, D. McKeague, E. Wood, F. Davis, P. T. May, H. M. Hamilton; Bro's. W. Duffell, J. Chase, J. Colvin, T. C. Miller, C. Lydiatt, R. E. Cowie, W. E. Davis, K. Monro, D. Gray, E. W. Creasey, J. Merrett, L. A. McKercher, R. Lambe, J. Scott, and J. Wilson.

Grand Chaplain: Bless the Lord, O, my soul; and all that is within me, bless His Holy Name. Bless the Lord, O my soul, and forget not all His benefits. Let us pray.

Almighty and Most merciful God, we come before Thee with reverent and humble hearts beseeching Thee to draw near to us and bless us. As we lift our voices in praise and prayer, help us to worship Thee in spirit and in truth. May we perfectly love Thee and worthily praise Thy Holy Name. Amen.

HYMN, 109 Presbyterian Book of Praise.

Unto the hills around do I lift up

My longing eyes:

O whence for me shall my salvation come,

From whence arise?

From God the Lord doth come my certain aid,

From God the Lord Who heaven and earth hath made.

2. He will not suffer that thy foot be moved:

Safe shalt thou be.

No careless slumber shall His eyelids close,

Who keepeth thee.

Behold, He sleepeth not, He slumbereth ne'er,

Who keepeth Israel in His holy care.

3. Jehovah is Himself thy keeper true,

Thy changeless shade;

Jehovah thy defence on thy right hand

Himself hath made.

And thee no sun by day shall ever smite;

No moon shall harm thee in the silent night.

4. From every evil shall He keep thy soul,

From every sin:

Jehovah shall preserve thy going out,

Thy coming in.

Above thee watching, He Whom we adore

Shall keep thee henceforth, yea, for evermore.

Amen.

Grand Chaplain: Let us pray! Most heartily do we thank Thee, O Lord, for all the mercies of every kind, and for Thy loving care over all

Thy creatures. We bless Thee for the gift of life, for Thy protection round about us, for Thy guiding hand upon us, for the many tokens of Thy love. Forgive us wherein we have displeased Thee, and strengthen us that we may more faithfully do Thy will.

Reveal Thy mercy unto all men and make known Thy ways unto them, Thy saving help unto all nations. Remember our nation which Thou hast established; give wisdom and power to Thy servants on whom Thou hast laid the burden of authority. Unite us in the promotion of the peace and welfare of the whole world. We commend to Thy fatherly goodness all who are in any way afflicted, or distressed in mind, body or estate. And now, O God, inspire us with a new desire to obey and to serve Thee. Amen.

Scripture: Deut. 8: 1-3; Isaiah, 40: 28-31. I Cor. 13, 4-13.

Choir Selection. "The Lord is my Shepherd."

OUR FRATERNAL DEAD

Grand Chaplain:

The annual meeting of Grand Lodge makes us aware of the fact that a considerable number of our Brethren have passed to the Grand Lodge above. "As for man, his days are as grass: as a flower of the field, so he flourisheth. For the wind passeth over it, and it is gone; and the place thereof shall know it no more." By virtue of their talents and their concern for "whatsoever things are true, and just, and gracious and good" these Brethren made varied but significant contributions both to the Craft and to the wider community of mankind. As we remember them in this service we want to express our appreciation not only for their service but for the friendship and fellowship which we enjoyed with them in our Fraternity. We are sad because of their going, but we rejoice that both they and we are in the care of the Great Architect of the Universe.

We mourn too, with our Sister Jurisdictions, in the passing of many distinguished members of the Craft. Some served their Jurisdiction many years ago, some in more recent days, but particularly do we mourn those Brethren called to rest whilst serving in high office.

The brethren will stand for one minute. Let us pray.

Eternal God, our gracious Father, we thank Thee for the lives of all faithful men, and for the inspiration and encouragement they bring to us. May we treasure every good memory.

We commend to Thy care those who mourn and all who have walked in the valley of the shadow of death. Illuminate their minds with hope, strengthen their hearts with courage, and enable them to live victoriously.

As we remember Thy many mercies make us thankful and keep us ever mindful of the needs of others. Help us so to live that we shall bring glory and honour to Thy Holy Name. Amen.

So mote it be.

Choir Selection. "Now thank we all our God."

ADDRESS

R.W. Bro. Dr. Thompson: It is a privilege to have the opportunity of speaking to this gathering of men and of Masons on this beautiful Spring day and as we celebrate the Sixtieth Annual Communication with this Thanksgiving and Memorial Service I rejoice as I look out over this auditorium and look into the faces of men whom I believe to be the salt of the earth, and who bring a civility and a character to almost all segments of society.

As today we think of the Sixtieth Anniversary of the founding of Masonry in this Province, or at least of this Grand Lodge, let us cast our minds back in memory over the way that we have come. You will remember how Moses in the book of Deuteronomy, after leading his people for forty years, looked back over those years and pointed out some of the things that have happened to them and then challenges them with what is necessary as they continue their journey towards their ultimate destiny—the Promised Land. Well, go back to 1905 in this West country, the pioneers were struggling into this vast land on foot, on horseback, in wagons, covered wagons behind oxen and horses. In my own case in 1912 my father homesteaded in this Province and we began with oxen and I shall never forget the vivid experience of driving oxen at the tremendous speed of two or three miles per hour and while they wandered along the prairie roads we would get off and go and pick strawberries or look for bird's nests and then catch up to these swift and rapid beasts of travel. The other day I made a trip to Toronto on a Jet plane and the pilot said we have a tail wind and our speed is 607 miles an hour. We have moved then from the pace of an ox, two or three miles an hour, to the speed of a Jet plane 607 miles an hour. Or think again of the living conditions which existed here then. Men came with their tents, some of them built log shacks, some of them built sod shacks where there were no logs to build with and I can recall one bachelor who had a little shanty made of sod, perhaps eight or ten feet square, he was Russian, and trapped coyotes and weasels in the winter, he made friends with the boys and taught them how to trap, and there in a little niche on the side of the sod shack was a mouth organ, the evidence of culture in the West sixty years ago.

Think of the machines which were used, how many started to break the virgin prairie with their 12-inch plows, turning it over patiently, furrow by furrow, being fortunate if they could cultivate a half an acre or an acre in a day. Now look at the vast machines that sweep across the prairie cultivating wide swaths of soil and presently coming again to harvest the grain in one sweep. How times and circumstances have changed.

We have been through two World Wars. The first one in 1914 when men marched away with a song on their lips, with the idea that they would make the world safe for peace and feeling they could win the victory over all things and four years later a subdued and humiliated world realizing the folly and futility of war. Men thinking that at last we had come to light and never again would we be foolish enough to engage in this sort of thing. Then the depressions, in the West here not one but a sequence of depressions of various sorts, drought and hail and frost and prices that were ridiculous, and yet folk carried on talking about the 'next year country'.

Then the rise of Hitler and it looked as if a maniac was going to lead the world again to another devastating struggle and he did and almost destroyed civilization by his folly and his foolishness. Then after the Second World War, changes coming so rapidly and so swift that we have hardly minds enough to grasp what is taking place about us. Industrialization, automation, the passing of the familiar. Change all about us and sometimes decay and sometimes development and some men who have grown old look back over the years and regard the advance, so called, as foolishness and think of the solid morality and the virtues and the values that resided in the old-fashioned ways of life. Some, with a glint in their eye, see great opportunity in the new days with its machines and its powers, if only we had brains enough to harness these things and use them, not for the aggrandizement of men for not allowing machines to become our master but making these serve the needs of men, women and children all over the world.

There are those who see there is a kind of man who has become obsolete, the man of prejudice, the man of littleness, the provincial man, for the day calls for men who are citizens of the world, who look out over the whole scene of the nations and regards all men as his brethren and sees the world as one great family. Our task of building this family together on the moral principles which are inculcated within the fraternity to which we belong and this great task and this great challenge lights their hearts and fills their minds and they see life not as futility and frustration but as a glorious adventure, a glorious opportunity, knowing full well that no matter what we build or develop in this world we shall one day pass into that country from whose borne no traveller returns. For our destiny, glorious as this world may be, is not here but in the Grand Lodge above, where we hope and pray that we shall see again the faces of those we have loved and lost a while.

I could go on if time permitted, describing some of the changes that have taken place in the last sixty years over this country and this world of ours, but you know them as well as I do and perhaps I have said enough to illustrate something of it. Just one more illustration, I remember the story of a farmer who drove into town with his oxen and he came to the little village and there was the traffic sign at the entrance of the town and it said "Speed limit—10 miles an hour" and he looked at it and his face dropped and he said: "I'll back up

and take a run at it, but I don't think I can make it." How the world has changed. Some of us ask ourselves in a philosophic mood what does it all mean, for it almost seems as if we have been standing in one place and the world has passed us by. I was sitting in a train in the City of Winnipeg some time ago and the coach in which I was was stationary and I looked out of the window and I thought we were moving and I looked at the other side and there was no movement and then I realized I was standing still, our coach was standing still, but the train on this side was moving away and it created the illusion that we were moving, but we were not. Can you answer this question—Does time pass you by while you stand in one place—or do you pass through time on your way to some ultimate destiny? I don't know, but sometimes when I stand moving towards the end of my life and I feel no different than I did when I was at the beginning of my life, it seems to me as if all these scenes and experiences have been passing me by and I have been standing in one place. I don't quite understand it, but I do know that the scene changes and moves on and on and on and we live in contrast to this moving scene, whether it be that we are pilgrims passing through it or whether it be that we are stationary and these are scenes and experiences which pass before our vision but this I know it seems to me that we are called to action and to service while we are here.

You will remember what takes place in the opening of a Lodge. The Worshipful Master is to set the Craft to work and to give them proper instructions and here it is as if we were standing on the threshold of life and we need to be set to work and to be given the instructions of how to deal as good and intelligent and able men with the stuff and the experience and the material which comes to us. To set us to work and give us the proper instructions so that we know how to use our strength, our intelligence, the energies of head, hand and heart. Then we come to the Senior Warden and we find ourselves hearing him say that he is concerned to support himself and those dependent upon him and this seems to call us to get busy and do a decent day's work and make a decent living. It is not in order that we may glory over fellows or indulge in wealth but in order that we may in self respect stand on our own feet, earn our own living, support those dependent upon us and because we have been energetic and faithful we are able and ready to give aid to those who are in need about us. The purpose of this seems to be that we should work for decent wages, we should find satisfaction in the work to which we give ourselves and there should be a sense of harmony in relationship with ourselves and other people and there should be a sense of peace and harmony within our souls because we are working at a man's job and our respect is kept, since we are diligent and faithful craftsmen.

Then we come to the Junior Warden who takes us from labor to refreshment. Perhaps in the days that lie ahead here is one of the most important offices in the world because the amount of time spent in refreshment is increasing, the amount of leisure which man has is increasing and the amount of time given to labor is decreasing. So the Junior Warden with his concern about the hours of leisure and refreshment becomes all the more important all across the whole spectrum of life and indeed it is here that some of the moral threats are abroad in the world today. You remember what is said, that he is responsible to see that the brethren do not pervert the means of refreshment to intemperance or excess. We have only to read our papers to realize some of the moral dangers in the world at the present time. There is the problem of sex and one can hardly read a

paper without coming across some discussion of the relationship of men to women. Well if there is one thing that Masonry teaches a man it is this, that every man has his passions and even if evil these are not necessarily bad or corrupt, they are God-given, they have a purpose but that purpose is wholesome and creative and good. The responsibility which lies upon you and upon me as human beings is to keep our passions within due bounds, to exercise an intelligent discipline over the passionate impulses of our bodies, this is one of the challenges for every man and I presume, although I'm not one, of every woman and when you get all this chit-chat and haggling about sex and the relationship of teenagers and extra-martial relationships and so on, I think we as Masons should cut right through to the core of the problem and see that every boy and girl has a problem of learning to understand their passions and then intelligently to discipline and control and keep their passions in due bounds so that their sex life will not be a destructive agency in life, will not be an area which destroys their faith and fellowship and loyalty with others but shall be an area of life where there is beauty and strength and pleasure and enjoyment but always under control, disciplined and wholesome. Surely if one takes these illusions to sex which are inculcated in Masonry, the members of the Masonic lodge are given some pretty important and significant instructions on this moral issue, the importance of self-discipline, of keeping the passion within bounds and of keeping this part of life wholesome, clean, creative and constructive and everyone being responsible for himself.

Take again another area, and this concerns me and I think it ought to concern all Masons, and you know as well as I do what takes place in the area of the use of alcoholic beverages. Now I'm not going to promulgate a lot of blue laws or tell you what you should do or what you should not do but there it is in the Junior Warden's charge to see that the means of refreshment are not perverted to intemperance or excess. When we see the number of alcoholics increasing and when I, as a minister, find men and women and homes destroyed and broken and disintegrating because of the use of this stuff I can't look with any enthusiasm upon it and I turn again to the moral principles of Masonry and I say to myself, these men are wise men for they see that whether they regard it as good or evil they do see this that it must always be kept under control and used temperately and never allowed to expand into the ways and areas where it destroys and undermines the effectiveness of a man's personality or breaks the relationships of his home or destroys his effectiveness in the place where he does his work or exercises his profession and surely the Craft teaches us that there is another danger area where we need to move with caution and see that by precept and by example we help others to use this creatively, constructively and always with temperance.

Now the third area where it seems to me morality comes into the picture is the area of personal integrity in business. We are told today that there is a lot of cheating and graft and corruption in almost all areas of life. Whether this is true or not I'm not competent to judge. Most of us have had experience with some cheating and we know that it is abroad in the world. We know also that one of the moral principles of the order to which we belong is a principle which encourages us not to cheat but to be honest whether there is profit in it or not and to keep our personal integrity by the manner in which we conduct our business affairs. If then, and one could go on expanding some of the moral principles of the Order to which we belong, if you

as members of the Masonic Order take seriously the moral principles of the Order and practice outside the lodge those great moral principles which are inculcated in it, then by precept and by example you become the salt of the earth and whether society changes or whatever happens in the great world about us, you will stand as pillars of strength helping to create and construct and bring in a better and a nobler day by the strength, the nobility and the example of your character. Brethren if we fail to live out these things or if in moments of weakness we let them lie forgotten and proceed on other principles, then we are not Masons, the Masons that we ought to be and surely we are called in this changing and rapidly moving world of ours with all its confusion, its questioning and its puzzlement today, the one thing that the world needs is men of stability, men of character, men who will not yield to the pressures of the world, who will not yield to temptation but who have fought their way through and are determined, come wind or weather, to live according to the principles of morality which somehow support their own personal integrity. The man who walks this way has peace within his soul and the storms may rage and the winds blow and the rain fall but he has no fear of these things because he knows that his life is in the care of the great Architect of the Universe

Well life is a great adventure, the more I see of it the more I am amazed at the wonder and beauty and loveliness of it, and I cannot look back and talk about the grand old days or the good old days and then bewail the things that are happening today. Whatever was good in the past we can make real and more real today and this is our challenge which we take seriously, the ideals and the standards and the principles which we have and having these in our minds, in our hearts and in our souls, we do not bewail and bemoan the conditions and the circumstances around us but we see these circumstances and conditions as the challenge for us to live like men, to work like men and somehow to serve like men according to the great moral principles inculcated within our Craft "When men speak strong for brotherhood, for peace and universal good, when miracles are everywhere and every inch of common air throbs a tremendous prophecy of greater marvels yet to be, Oh thrilling age!" and I like those words of Owen Seaman, they were not written for this occasion but they might well be, and as we look back over the sixty years of journeying through which we as Masons, we and our forefathers have come, and as we think of our stance today and the challenge and the wonder and the adventure here it is:

You that have faith to look with fearless eyes,

Beyond the tragedy of a world at strife

And trust that out of the night and death shall rise the dawn of ample life,

Rejoice, whatever anguish rends your hearts,

That God has given you for a priceless dower

To live in these great times and have your part in freedom's crowning hour.

That you may tell your sons who see the light high in the heavens

Their heritage to take

I saw the powers put to flight, I saw the morning break.

Gentlemen, in our Scripture reading I called your attention to the words of Moses as he delineates the great moral law by which we must live our lives and I read the description of the Great Architect of the Universe in the fortieth chapter of Isaiah, the might, majesty,

dominion and power of the God who leads us, who supports us in our worthy undertakings, and who has prepared for us an eternal destiny in the Grand Lodge Above, and I also read from the First Epistle to the Corinthians the thirteenth chapter, where the way of love and brotherhood is described and now abide faith, hope and love and the greatest of these is love. Let us pray.

O Gracious and Eternal God, we thank Thee for all the precious experiences which we have had in the past, but above all for the awareness that Thy invisible presence has sustained us and led us through all the journey of life. We thank Thee for the privilege and joy and adventure of our own day and our own times, help us to be good stewards, good soldiers of the right, to fight a good fight in this day and in this generation by our witness and by our example. We thank Thee O God for the challenge and the hope of the future when we shall enter into these great and wonderful experiences which we believe Thou in Thy love hast prepared for us. For all these things we give the praise. Amen. So Mote it be.

HYMN 596, Presbyterian Book of Praise

Guide me, O Thou great Jehovah,
Pilgrim through this barren land;
I am weak, but Thou art mighty;
Hold me with Thy powerful hand;
Bread of heaven,
Feed me till I want no more.

2. Open now the crystal fountain,
Whence the healing stream doth flow;
Let the fire and cloudy pillar
Lead me all my journey through;
Strong Deliverer,
Be Thou still my strength and shield.
3. When I tread the verge of Jordan,
Bid my anxious fears subside;
Death of deaths, and hell's Destruction,
Land me safe on Canaan's side;
Songs of praises
I will ever give to Thee.

Amen.

Grand Chaplain: The Lord bless you and keep you; the Lord make his face to shine upon you and be gracious unto you; the Lord lift up the light of His countenance upon you and give you peace. Amen.

So Mote it be.

FLAG CEREMONY

A Colour Party of members of Princess Patricia's Canadian Light Infantry, members of Griesbach Lodge U.D., under the command of W. Bro. Major T. W. Oldfield, Worshipful Master of Griesbach Lodge, then presented the Colours;

BRO. F. W. SIBLEY:

THE CANADIAN FLAG

I now present our Flag, the symbol of Unity and Sovereignty. Between the bars of red on a field of white, a Canadian Maple Leaf blazons forth in all its autumn glory.

To Freemasons the red symbolizes the dauntless courage of our forefathers, whom we emulate. The white 'that blameless purity of life and conduct' to which we aspire and the points of the Maple Leaf remind us of the knightly virtues, of which patriotism—to which we are all dedicated—is the greatest.

This emblem forcefully reminds us that Confederation was founded on those moral qualities and on their preservation our future greatness depends.

LONG MAY IT WAVE

So Mote it be

O Canada was Sung.

BRO. E. L. PROUDFOOT:

THE UNION JACK

I now present the Flag of our Commonwealth of Nations—the Union Jack—the Emblem of Freedom and Democracy. As its component crosses were successively combined to symbolize the voluntary union of free peoples, so may it continue to typify the greater unities of our wider Commonwealth.

May the Red, the sacrificial blood of the martyrs, the White, like the snowy lambskin of Freemasonry and the Blue of the changeless vault of the sky, symbolically depicting COURAGE, PURITY AND TRUTH, blend wherever it floats the wide world round to blazon forth a sure pledge of Liberty, Equality and Fraternity for all peoples everywhere.

LONG MAY IT WAVE

So Mote it be.

God Save the Queen was sung.

W. BRO. T. W. OLDFIELD:

THE STARS AND STRIPES

As a courtesy to our visiting brethren, I present the Flag of the United States of America. May our Flags and the Stars and Stripes jointly symbolize LIBERTY, EQUALITY AND FRATERNITY for all peoples everywhere.

LONG MAY IT WAVE

So Mote it be.

The Star Spangled Banner was sung.

Grand Master: Brethren, I think you would like me to say to W. Bro. Major Oldfield how much we appreciate the dignity and friendly way in which they have presented the Colours today. W. Bro. Major Oldfield please come and receive the applause of Grand Lodge, we know that what Griesbach Lodge does it always does well. Thank you very much. Applause.

M.W. Bro. F. P. Galbraith: M.W. Grand Master and Brethren, the following resolution is moved by myself and seconded by M.W. Bro. W. Lloyd McPhee. THAT this Grand Lodge of Alberta, A.F. & A.M., in Annual Communication assembled, extend to Her Most Gracious Majesty, Queen Elizabeth II, its deep admiration for her constant display of courage and devotion to duty and assure her of our affection and loyalty, may she long be spared as the head of our Commonwealth of Nations to give us leadership and inspiration."

The motion was carried with applause, the brethren standing.

RECEPTION OF PAST GRAND MASTERS

R.W. Bro. A. J. G. Lauder: Deputy Grand Master. M.W. Grand Master, Distinguished East and Brethren all, it is my pleasant duty to introduce to you and through you to the members of the Constituent Lodges, our Past Grand Masters: M.W. Bro. F. P. Galbraith, 1942-43; M.W. Bro. Wm. Ireland, 1944-45; M.W. Bro. W. A. Henry, 1948-49; M.W. Bro. H. E. Howard, 1952-53; M.W. Bro. W. H. Jackson, 1953-54; M.W. Bro. S. C. Heckbert, 1955-56; M.W. Bro. D. D. McQueen, 1958-59; M.W. Bro. D. Little, 1959-60; M.W. Bro. W. H. Harper, 1960-61; M.W. Bro. W. L. McPhee, 1962-63 and M.W. Bro. S. H. Hardin, 1963-64.

Grand Master: Brethren these are the men who have given leadership to the Grand Lodge of Alberta during the past number of years, we honour them today and we are glad that so many of them can be with us. We are very sorry that M.W. Bro. Sam Harris is too ill to come, he wanted to come badly but the doctor said no. We will miss him. This would have been his forty-ninth appearance at a Grand Lodge Session and he is regretting it. You will be pleased to know that we are sending him a letter expressing our regrets. V.W. Bro. Grand Director of Ceremonies will give Grand Honours.

Grand Master: Brethren you will have noticed, I am sure, we have not with us today a representative of the Grand Lodge of Saskatchewan. This is because the wife of the Grand Master of the Grand Lodge of Saskatchewan died on Sunday and I think the funeral is today.

We have sent to M.W. Bro. Garland our regrets and we have asked the Grand Secretary, M.W. Bro. Spencer, to convey the regrets and sympathy and support of this Grand Lodge to M.W. Bro. Garland.

GRAND REPRESENTATIVES

The Roll of the Grand Representatives of Sister Jurisdictions was called and brethren responded as shown in the attendance register.

M.W. Bro. S. C. Heckbert: M.W. Grand Master, I am sure that the representatives of the various Grand Lodges who have been called to the platform this morning join with you in expressing regret at the illness of M.W. Bro. Sam Harris. I feel very highly privileged to have been asked to speak for a moment for the representatives of the respective Grand Lodges who are here today and I can assure you that it will be the hope of all representatives that the fraternal relations between the Grand Lodge of Alberta and the Grand Lodges which we have the honour to represent will be more and more strongly cemented as time goes on so that perhaps one day we may be able to achieve through world Masonry some of the high ideals so beautifully expressed by R.W. Bro. Thompson in his address this morning. I

wish to thank you on behalf of the representatives for your invitation to be here today and for the introduction to the members of our Grand Lodge and I can assure you that it will be our pleasure to do all that we can in the future to cement the relations between the Grand Lodge and those we have the honour and privilege to represent.

GRAND MASTER: Thank you M.W. Bro. Heckbert. The Grand Representatives that are standing around this auditorium today indicate the universality of Freemasonry, may this universality really become meaningful in the days that are ahead.

I have the great pleasure to present the Certificate of the State of West Virginia to R.W. Bro. David Bowman Young, Past District Deputy Grand Master, who has now been appointed the representative of the Grand Lodge of West Virginia near the Grand Lodge of Alberta.

It is also a great pleasure to present the Certificate of the Grande Loge Nationale Francais who have appointed V.W. Bro. Charles Edward Pinnell as the representative of the Grande Loge Nationale Francais near the Grand Lodge of Alberta.

May I congratulate you both. In case you don't know, Brethren, these are the two Brethren who are candidates for the office of Junior Grand Warden, I thought you might like to know that, because some of you say that you do not know those offering themselves for office. Now we have some minutes to confirm.

MINUTES

GRAND SECRETARY: M.W. Grand Master, I will move that the minutes of the 1964 Communication, which have been printed and distributed, and also the minutes of the Especial Communications called for the Constitution and Consecration of Polaris Lodge No. 186 at Fort Smith in the North West Territories on July 4th, 1964, Kelvingrove Lodge No. 187, at Calgary, on September 12th, 1964; Mystic Tie Lodge No. 188 at Edmonton on September 19th, 1964 and Northmount Lodge No. 189 at Calgary on October 3rd, 1964 be taken as having been read. Seconded by W. Bro. M. P. Dunford (30). Carried.

I might say, M.W. Grand Master that messages of greeting have been sent in your name and the name of our Grand Lodge to the Grand Jurisdictions of Oregon, Wisconsin and Quebec who are meeting about this time

Grand Master: Thank you, have we any petitions?

Grand Secretary: None, M.W. Grand Master.

Grand Master: Have we any appeals?

Grand Secretary: I have none on my desk, M.W. Grand Master

GRAND MASTER: At this point I want to bring to the floor of Grand Lodge the Notice of Motion by Unity Lodge No. 51 for the change in Constitution for the hour of closing the ballot. It is down for 3:50 p.m., but we are going to bring it up now. The purpose for doing this is that there is a long list of ballots to be counted today, the Chairman of the Board of Scrutineers tells us that it takes a long time to do these ballots and we would like to get this Constitution change through so that the ballot will close at the time that we hope that it will close.

GRAND SECRETARY: W. Bro. A. T. Ward, the Worshipful Master of Unity Lodge moves that the figure 4 in the fourth line of Section 18 of the Constitution be deleted and the figure '3' be substituted. This will mean that the whole Section 18 of the Constitution will read: "Ballots will be handed to delegates on registering their attendance. At the time of registration and in a place adjacent thereto, there shall be opened a poll to receive the votes. At 3:00 o'clock p.m. on the first day of the Grand Lodge meeting the poll shall close."

W. BRO. A. T. WARD: M.W. Grand Master, I move the motion as expressed by the Grand Secretary. Seconded by W. Bro. A. J. McLeod (51).

GRAND MASTER: It has been duly moved and seconded that the hour be changed for the closing of the ballot from 4:00 o'clock to 3:00 o'clock. Is there any discussion? this is a constitutional amendment. Are you ready for the question? I declare the motion carried.

I shall also declare that this Constitutional amendment becomes valid immediately unless I hear some objection. Anybody object?—therefore the ballot this afternoon will close at 3:00 o'clock. So be sure to get all your ballots in. I hope you didn't lose them. The ballot will close at 3:00 o'clock this afternoon.

This means that we will make another change in our agenda and we will bring the report of the Board of Benevolence up this morning. M.W. Bro. Ireland is Chairman of the Board of Scrutineers, so he will want to get his report on Benevolence in this morning so that he will have time to count the ballots. We will have the report now.

REPORT OF THE BOARD OF BENEVOLENCE

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren

Your Board of Benevolence takes pleasure in presenting their report covering the past year's operations.

On December 26th last we heard with deep regret of the passing of M.W. Bro. A. D. Cumming who had been an active member of the Board during his tenure as Chairman of the Finance Committee. "Art" as he was affectionately known, took a great interest in our work and our association with him as Chairman of the Finance Committee was most amicable. The Board extended to Mrs. Cumming and the family our deepest sympathy. We were much distressed to learn of the passing of Mrs. Cumming on February 28th, 1965.

W. Bro. H. S. Thomson, M.D. elected at the Grand Communication of 1964 was unable to attend through pressure of his professional duties, he therefore resigned and R.W. Bro. G. H. Moxham (83 who was next in the order of balloting, was appointed by the Grand Master to replace Dr. Thomson for the balance of the term (1966).

On occasion we find that some of our beneficiaries are in danger of losing their homes by reason of inability to pay the Municipal taxes. In every case the Board has come to their assistance by paying the debt. We would urge Lodges to keep in close touch with widows and make sure that the payment of taxes on their homes is not too great a burden for them to carry.

We have been able to come to the assistance of a couple of daughters of our membership desiring business courses to enable them to obtain work. This we will gladly do, and it is the intention of the Board to assist sons or daughters of Beneficiaries in obtaining higher education. This will only be necessary in cases where they have not qualified under the Higher Education Bursary Plan.

We have endeavoured from time to time to impress on the Lodges that the care of distressed brethren or their families is their direct responsibility. In a case during the past year representation was made that a brother was seriously ill with cancer and the family in need. Assistance was immediately given and within a short time the brother passed away. The Lodge notified the Board but neglected to make any mention of the widow or of the family. If the situation was serious while the brother was alive would it not be much more so after his demise? We are more interested in the living and our funds are available to assist until the family are in a position to take care of themselves.

One of our Lodges received a letter from England stating that the widow of a deceased brother was in distressed circumstances. The Grand Secretary communicated with V.W. Bro. Tomkins of Parkstone, Dorset, who made an investigation and suggested what was necessary and recommended that a grant of £108.0.0. per annum be made. This has now been attended to and V.W. Bro. Tomkins will be keeping in touch with the lady and reporting from time to time.

In another case coming before your Board a brother was involved in a serious motor accident, suffering severely as a result and found himself in financial difficulties temporarily, however your Board was able to come to his assistance with satisfactory results.

As is customary, an annual review is made of each case. Where further assistance is required this is gladly met. We depend upon the

Lodges to keep in touch with their beneficiaries and to inform us as to their condition. This is done not to discontinue the assistance but rather to make certain that they are being amply taken care of.

Our regulations prohibit the Board from making large loans. On occasion we are asked by the Lodge to do so, as a consequence we have to refuse. It would be a mistake for your Board to enter into this type of business.

This Grand Lodge and particularly your Board of Benevolence is deeply indebted to the Vancouver Masonic Service Bureau of which Bro. J. T. Freeman is the Secretary-Treasurer. Bro. Freeman was in Banff at the time of the 1964 Conference, as the guest of your Board, to meet with the Grand Secretaries of the Prairie Grand Lodges. He stated that in many instances his communications directly to Constituent Lodges remain unanswered or sometimes a member of a particular Lodge in Vancouver was contacted with no report to the Bureau. It was agreed that all correspondence emanating from the Bureau should be directed to the Grand Secretary's office in order that it would receive attention. It was agreed that telephone and telegraph messages would be used sparingly. Provision for flowers at funerals would not be arranged unless a specific request had been made by the Lodge. This is not considered a part of the duty of the Bureau.

Your Board has deposited \$100.00 with the Bureau to be used in cases of immediate necessity but not more than \$25.00 is to be paid out in any one case until an opportunity has been given to investigate and be satisfied as to the bona-fides of the case.

Your Board asks that all Lodges take particular note of this arrangement and conduct all correspondence through the Grand Lodge Office.

The cost of maintaining Grand Lodge is increasing, as evidenced by the Budget of the Committee on Finance. In order that no further burden be placed upon the Lodges your Board of Benevolence has agreed that the allocation of funds in Section 131 of the Constitution—.25c of the per capita tax per annum—should revert to the General Fund, for the current year.

The brethren serving on this Board of Benevolence appreciate the privilege of their membership and the opportunity of being of some assistance to the Craft at large.

Respectfully submitted,
WILLIAM IRELAND, PGM,
President

M.W. Bro. Ireland (continuing) From time to time we hear of cases of widows who are in need, just the other day we received a letter from a widow who says she is trying to raise six children on a pension from the Workmen's Compensation Board. We are happy, very happy indeed, to assist everybody who is in any way connected with the Craft and I should ask that Lodges appoint a member to take an interest in widows, find out what their situation is and if they need help, please send us a letter and we will forward the usual application form and will deal with it as considerately as possible. Please take a note and try and do what you can to assist widows in your Lodge. Now I will move, seconded by M.W. Bro. McPhee (9) that the report of the Board of Benevolence be received and adopted.

GRAND MASTER: Now Brethren is there any discussion? From some of your letters I would expect quite a bit of discussion on the report of this Board.

Are you ready for the question? All in favour. Carried.

GRAND MASTER: Now M.W. Bro. Ireland, will you please come over here in front of me Brethren, a few months ago I received a letter from one of our Brethren, who I admire and whose judgment I respect. One who can give me advice—and that is a very difficult thing to do—and he said in his letter that it is really a shame to wait until somebody dies (not that we are expecting M.W. Bro. Ireland to die) to say nice things about them. He said: "here is a man like M.W. Bro. Ireland who has worked for Grand Lodge, whose every waking thought has been for the Grand Lodge of Alberta for the past many years, why don't you do something about it," so I thought we would and I want you to listen whilst I read this Scroll to you:

TO OUR TRUSTY AND WELL BELOVED BROTHER
WILLIAM IRELAND

Born in New London, Connecticut, July 16th, 1887 Initiated in Perfection Lodge No. 9, Calgary, January 12th, 1912. Worshipful Master of Perfection Lodge No. 9, 1918. Grand Registrar, Grand Lodge of Alberta A.F. & A.M. 1927-28

Acting Grand Secretary 1928, elected Junior Grand Warden 1941. GRAND MASTER, GRAND LODGE OF ALBERTA, A.F. & A.M. 1944-45. Member of the Board of Benevolence from 1928 to present date. President 1934 to 1941 and from 1955 to present date. Chairman, Committee of Scrutineers, 1946 to present date.

Auditor for Grand Lodge from 1919 to present date. Deeply appreciative of your devotion to the cause of Freemasonry in the Jurisdiction of Alberta, your Brethren in Grand Lodge, assembled for the Sixtieth Annual Communication, wish to tender you their thanks and to express the hope that you will long be spared to receive Masonic Wages in terms of the high regard and deep affection of us all.

W. J. COLLETT,
Grand Master.

Attest. E. H. RIVERS,

Grand Secretary.

Dated at Calgary, Alberta, this 9th day of June A.D. 1965, A.L. 5965

May I say, Sir, that not only have you done all this for the Grand Lodge, but the way in which you have advised, helped and encouraged me is beyond all counting and you will take this home and hang it up. Prolonged Applause (The Brethren standing in tribute to M.W. Bro. Ireland).

M.W. BRO. W. IRELAND: M.W. Grand Master, you rather overwhelm me in making this presentation. What I have done down through the years has just been as a Craft Mason and I deeply appreciate this token. As long as my breath will permit me, I will continue to act as I have done in the last forty years or more. Thank you, brethren Applause.

GRAND MASTER: We are very happy to welcome here today a number of distinguished representatives from various Grand Lodges. We have with us M.W. Bro. Morris E. Sanford, Grand Master of the Grand Lodge of Montana. He, on behalf of our visitors from the United States, is going to say a few words to us.

M.W. BRO. SANFORD: M.W. Grand Master, Distinguished East and brethren of this Grand Communication of Alberta. Yes, we do have a few here from the States and we were very happy to see Old Glory

coming down the aisle but you know there was something missing there. There are a couple of Stars that should be there and I had planned at this time to be able to present to you the new flag of the United States of America. We had received the invoice a week ago but somehow or other the flag has not arrived, if it does get here today or tomorrow morning I assure you brethren the presentation will be made. We wish to thank you Most Worshipful Sir and Brethren for your cordial reception and the wonderful friendship that we have. We cross some kind of a Border, I don't know what it is, I still contend this Border should run north and south and not east and west. I know there are a few Easterners up here. But brethren there is a wonderful feeling and spirit of harmony between our two Grand Jurisdictions, I'm not a stranger in Canada and in Alberta especially, and I can have just as fine a time with you brethren here in Alberta as I can have with our brethren in Montana, I know that the others feel the same. Last night you listened to a wonderful message from your Most Worshipful Grand Master and this morning another one at your Memorial Service, both of them are hitting right exactly at what our program has been in Montana for the past year, right down the bottom, the grass roots of Freemasonry, those things which are fundamental to our Craft and our everyday living. You and I are going to have to take those lessons to heart and live our Freemasonry wherever we go. We made an analysis in Montana last year, for the assistance of the Worshipful Master, on those who are dropping out because of non-payment of dues. In my business I generally say non-payment of premiums, it all amounts to the same thing, you are out one way or another, and we had reports on 280 cases out of 383 I believe, and there were 101 of those members who dropped out who should never have been allowed to enter our doors, and to the Grand Masters present here on this platform, we had 112 of our members go to some of your jurisdictions and because they were just the average Master Mason I contend that they were just a little bashful about endeavoring to get into a lodge, afraid they could not pass the examination. I would like to see some kind of a plan whereby we would pass on to other jurisdictions the names and places where our members go and we would do the same for you. We had 112 that we lost out of 280 that way, so brethren we do have problems but they are all not insurmountable and I'm not worried too much about our loss in membership because we are losing so many that we gained right through the war, when all that they could do was just make members, we didn't make Freemasons and there is another job there for us all. I'm going to close right now, but I want to thank you all on behalf of those of us who come from the States. You are having a real Communication here. I don't know whether I should say "May peace and harmony prevail" sometimes we have too much harmony, we need to do some serious thinking, some serious talking and get down to the roots of the matter, so brethren, let's all go to work. Thank you so much. Applause.

GRAND MASTER: Thank you for those very excellent words, M.W. Bro. Sanford. We have from the Grand Lodge of Canada in the Province of Ontario, M.W. Bro Harry L. Martyn, who is going to bring us the greetings on behalf of the Grand Lodges represented here from Canada.

M.W. BRO. H. L. MARTYN: M.W. Grand Master, distinguished visitors and members of the Grand Lodge of Alberta. I am indeed honoured and privileged to bring the greetings from the Canadian visiting brethren who are attending this Sixtieth Annual Communication of this wonderful Grand Lodge. It is probably because of tim-

ing circumstances, as to meetings, that we have not so good a representation from the eastern part of the Dominion, because the Grand Lodge of Quebec is in session tomorrow, the Grand Lodge of New Brunswick finished on Friday of last week and from time to time, and since our line is very thin, we try to do the very best we can in covering the Canadian Lodges and bringing the fraternal greetings. More particularly Grand Master may I extend the personal fraternal greetings and good wishes of my Grand Master, M.W. Bro J. A. Irvine. I am not a stranger to the Grand Lodge of Alberta. The first time I was asked to represent our Grand Lodge was ten years ago when I was sent to Edmonton to attend the Fiftieth Anniversary of this Grand Lodge and I can tell the brethren of the Grand Lodge of Alberta, I feel just as much at home here as I do in my own Grand Lodge, in fact brethren I think I have voted on all motions that were presented at the Board yesterday and in Grand Lodge today.

Now, Grand Master, I would like to earn the commendation that the brother from Unity Lodge got from you when he presented his Notice of Motion, and you said how much you appreciated those short speeches. I am reminded of a story having to do with the Church, and with due apology to the Grand Chaplain and to the Grand Master, I'm going to look the other way when I go to my seat. It seems that a certain clergyman appeared in Church one Sunday morning with a large strip of adhesive tape across the centre of his chin, and one dear old lady in the congregation, much concerned after his physical well-being, asked him about it at the door of the Church. The minister said, "Now, Mrs. Jones, it's not very serious it just happens that this morning when I was shaving I was thinking of my sermon and cut my chin and Mrs. Jones said, "Now Parson remember this, that next Sunday when you are shaving think of your chin and cut your sermon!" Trying to be guided in some respect by the moral that that might teach I want to commend you Grand Master and those associated with you for the wonderful inspirational meeting we were privileged to attend last evening and I might say to the Masters and Wardens assembled that when they return to their respective lodges it is the hope of all present that you will bring back to the grass roots level the inspiration and motivation that a Communication of Grand Lodge does give and is intended to give if it functions properly. The story was told and related to me by a Past Grand Master of Ohio, having to do with one of their dear old Past Grand Masters long since gone. He was greatly beloved by all, attended his lodge regularly and even when his physical strength had gone beyond the fact that he should be away from home so much, one certain evening after taking part in the degree work and ritual ceremony in his lodge, he returned to his home and as he was crossing his living room he was suddenly stricken and quite unconscious of what was going on around him he fell to the floor and as he was there, quite unconscious, someone ran across and said: "Bring a chair" and the only conscious moment he had from then until the time he passed on was this. The word 'chair' awakened in his subconscious mind something and he told those present, 'never mind the chair, it must come from the floor of the lodge.' My brethren if Masonry is going to have strength it is not the strength exactly that would come from the Chair, it is just as the Grand Master of the Grand Lodge of Montana told you a moment ago, that the strength of Masonry will be measured from the strength that Masonry acquires from the floor of the lodge. Now Grand Master may I thank you and those associated with you in Grand Lodge for the many courtesies and kindness I have received this time and at other times during my

visits. We look forward greatly down in Toronto to welcoming you at the time our Grand Lodge meets in July this year and from all the Masonic brethren of the Grand Lodges that I am speaking for, may peace and prosperity and all things good Masonic come to you in the years ahead. Applause.

GRAND MASTER: Thank you M.W. Bro. Martyn. These people going out of Church always have something very brilliant to say. The Moderator of the United Church told us of one woman, leaving a Church in New York, said "Thank you so much for that sermon—every sermon you give us is better than the next one." Now M.W. Bro. Galbraith will give us the report of the Committee on the work.

REPORT OF THE COMMITTEE ON THE WORK

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

A number of questions pertaining to the ritual have been received by your Committee during the year and have been dealt with. It might be well to remind Lodges that all questions of this nature should be submitted to the Grand Lodge by a Lodge. If Lodges would take more care in reading the constitution and ritual many questions would be unnecessary as they have already been answered.

For several years a form of Memorial Service has been in use in Alberta and this year it was used at all District Meetings to give the brethren an opportunity of hearing it. The response was good and your Committee proposes to have the form of service printed so that it will be available for Lodge use.

During the coming year it will be necessary to reprint our Ancient York ritual. Some minor changes may be found desirable and your Committee would ask Grand Lodge to authorize them in accordance with Sec. 120 of the Constitution.

R.W. Bro. J. A. Livingstone (4) who has been a valued member of your Committee for 15 years resigned during the year and his resignation was accepted with great regret. During his years of service R.W. Bro. Livingstone was always ready to help and his wide experience and wise counsel will be missed. You, Sir, appointed M.W. Bro. David Little (7) to the Committee to replace R.W. Bro. Livingstone.

During the year I have had the valuable assistance of all the members of the Committee and I should like to thank R.W. Bro. J. A. Livingstone (4), R.W. Bro. Fred Parker (9) and R.W. Bro. E. H. Rivers (51) for their help.

Respectfully submitted on behalf of the Committee,

F. P. GALBRAITH, P.G.M.,
Chairman.

Moved by M.W. Bro. F. P. Galbraith (29), seconded by R.W. Bro. F. Parker (9), that the report of the Committee on The Work be received and adopted.

GRAND MASTER: Is there any discussion?

R.W. Bro. E. Butcher (79): I would like to ask this question, does the passing of this report mean that the Memorial Service mentioned in it takes the place of the service sometimes used at the funeral of a Mason?

M.W. BRO. F. P. GALBRAITH: M.W. Bro. Grand Master, R.W. Bro. Butcher the answer is no. The funeral service has been in existence for many years and this Committee at this time sees no reason to make any change in it. The reason for the Memorial service is that, in cities in particular, it has become almost impossible to muster enough brethren to make a decent showing for departed brethren and it is the feeling of your Committee that this sort of thing, two or three members turning out for a Masonic funeral, brings the whole Craft into disrepute. By having a proper Memorial Service it is hoped to eliminate that but the funeral service still stands and can always be used at any time.

GRAND MASTER: Is there any further discussion? Are you ready for the question? All in favour? Contrary? I declare the motion carried.

GRAND MASTER: We thought we would like to have R.W. Bro. W.A. Cameron say a few words about the Grand Master's Special Committee. This is not a report because the Committee reports to the Grand Master, but we thought you would like to have some information. R.W. Bro. Cameron, from Red Deer, is Chairman of the Committee.

R.W. BRO. CAMERON (29): If you will turn to page 44 you will see here the objective which was set for this Committee. "A Special Committee to consider what changes, if any, may be required, firstly in the arrangements for the Annual Communication; Secondly in the financial organization of Grand Lodge and thirdly any amendments that may be required in the Constitution to implement desirable changes. To, without restriction, review any phase of Grand Lodge work and its contact with Constituent Lodges and individual members and report to the Grand Master."

This Committee, as you will see, consisted of myself as Chairman, R.W. Bro. T. W. Clarke (16) from Olds, W. Bro. C. E. Sanders (28) of Calgary, W. Bro. W. Van Dusen (51) from Edmonton and W. Bro. J. S. Woods (83) of Calgary. One of the methods this Committee adopted to reach the objective was to send out two questionnaires to the Constituent Lodges. One of these questionnaires dealt with the Grand Lodge Communication. Happily almost 75 percent of the Constituent Lodges replied to this questionnaire. Now most of you will recognize in the program and the proceedings yesterday, today, and tomorrow too if you stay, some changes over the past years. Some changes in what may have been considered the acceptable and required thing. Several of you will recognize in these changes ideas or parts of ideas which you submitted to this Committee. It is not my intention to elaborate on the changes which have taken place, you will recognize them yourself. If you see or recognize or have ideas in connection with further changes by all means submit them to Grand Lodge.

The second questionnaire which was sent to lodges dealt with Grand Lodge finances. Now unhappily for the Committee the replies to this were nothing like as complete, something less than 40% of the lodges have thus far replied to this questionnaire. Some of them are begging that they don't feel that this is their province, that they

shouldn't be concerned with Grand Lodge finances. Certainly if you analyze the situation, certainly if you paid any heed to two of the speakers that have preceded me this morning you will recognize that Grand Lodge finances are definitely and should be a main concern of Constituent Lodges for after all it is the Constituent Lodges money. Well the Committee have had a chance to study some of the replies to this questionnaire on Grand Lodge finances but there hasn't been an opportunity to come to any conclusion or to formulate any recommendations to the Grand Master in connection with this and much additional further study is required on this important area of Grand Lodge business before any recommendations can be made. Other constitutional changes in connection with the Grand Lodge Communication and Grand Lodge finances may be desirable, and certainly because an item is now constitutionally not possible it shouldn't be eliminated as being an idea that should not be advanced. The only constitutional change which was recommended, and you saw that one instituted this morning, will have the effect of speeding up the business part of the program here somewhat.

If the work of a Committee such as this is to be effective I think it will be recognized by you it must have the good co-operation and support of the Constituent Lodges. It must, in the consideration of the Committee, be of a continuing nature, it can't accomplish too much in one year so that it is the considered opinion of this Committee that a similar Committee should be appointed for the coming year and if possible for the ensuing year. M.W. Sir I would like to take this opportunity, on behalf of the other members of the Committee, of thanking you very much for your support and co-operation in the work of this Committee in attending all of the meetings which were held in Calgary. This, not only facilitated a very direct line of communication, it also did away with the necessity of me getting involved in a great long report. I would also like to thank the members of the Committee who worked so diligently and a special thanks to M.W. Bro. Lloyd McPhee who attended several of our meetings and gave us very excellent support. I think that probably the Committee recognized that M.W. Bro. McPhee was the only expert on the Committee, we get him in there to guide us on the consideration of financial matters. Once again an especial thanks to all those Constituent Lodges and the Committees which were appointed there, for the replies to the questionnaires and I trust and hope that this Committee will continue and that those lodges that have not replied to the questionnaires will do so. (Applause).

GRAND MASTER: We have a little time for any questions you wish to put to the Committee. Some of the changes that are in the Grand Lodge program at this time are changes that have been recommended by his Committee. We want to know how you react to them, whether you like them or don't like them. If you don't like them don't be afraid to tell us because that doesn't matter, we are glad to know when things just don't suit people.

The M.W. Grand Master here introduced the other members of this Special Committee.

W. BRO. MORRIS A. CHARLTON (21): We sent a letter in in February in regard to the Benevolent Fund, was there anything done with that?

GRAND MASTER: Do we have a letter?

GRAND SECRETARY: The letter is in the office, it arrived on April

7th and the date for closing the Notices of Motion was in the middle of March

GRAND MASTER: What was it you wanted, can you give us some idea of what the letter was about?

W. BRO. CHARLTON: The letter was in regard to helping the lodges to get started when they were short of funds

GRAND MASTER: What you wanted was for the Grand Lodge to loan money for the building of Masonic Halls and so on, and you sent in an application for a change in the Constitution?

W. BRO. CHARLTON: Yes, that is it.

GRAND SECRETARY: M W. Grand Master, this was brought before the Board of General Purposes yesterday. As I mentioned it was a month late in arriving for the present year, but this matter is under consideration by R.W. Bro Cameron's Committee. Section 104 of the Constitution reads, "All moneys of Grand Lodge not required for current expenses shall be invested in Dominion or Provincial Government securities only." This prohibits Grand Lodge from loaning money to lodges at the present time, but this is under consideration by this Committee and the point that Didsbury lodge wish to have considered is being considered

GRAND MASTER: Does this answer your question?

W. BRO. CHARLTON: Yes, as long as it is being considered.

GRAND MASTER: Now you are in Didsbury and R.W. Bro. Cameron is in Red Deer, why don't you ask R.W. Bro. Cameron to attend your Lodge, R.W. Bro. Clarke can come with him and you can have a full discussion?

W. BRO. A. T. WARD (51) said that he thought the City Lodges and the Country Lodges should be separated for discussion periods and their problems were different.

GRAND MASTER: We will make a note that you think the City Lodges and Country Lodges should be segregated. Now Brethren, you overwhelmed us last night at the meeting, we should have had more faith, but there were nearly twice as many as we had arranged for. We thought that three hundred would be a good number to arrange for, next time we will have a better idea. We should compliment our Chef, who was able to provide food for all. This was in the nature of an experiment, of course. Anything else now?

R.W. BRO. L. O. SANDERS (90): Might I suggest Sir that the meeting which we had last night, which incidentally I think was a very fine meeting, that the candidates not only for the office of Junior Warden, but for the different Committees be given about two minutes in which to say something. It would give the members a much better chance to pick out the better men, whom we need a lot in our Committees.

GRAND MASTER: Thank you, that is a very good suggestion. Now we have my friend from Edson.

R.W. BRO. J. THOMSON (68). M.W. Grand Master and Brethren, have any of you experienced the job of trying to collect money to build a building? We have been in existence in the town of Edson for over fifty years, we hope we will be able to build a building, we have already given the architect the orders to proceed. The brethren are under the impression that a loan can be obtained from Grand Lodge. We now have 75 resident members out of a membership of 199. We were under the impression that Grand Lodge, in its wisdom, was going to do something with that money that they have—and they have a lot, when all is said and done

GRAND MASTER: Will you tell us what you want?

R.W. BRO. THOMSON: I want some money! I wouldn't be Scotch if I didn't. Nevertheless brethren, it is the old story, you come down here and you think you are going to be able to pry some money out of Grand Lodge, then you find that they have an excuse and are going to hang on it.

GRAND MASTER: Let us be clear on this. Grand Lodge is ruled by Constitution that this body of Masons set down. The people that are out there make the Constitution. The Constitution of Grand Lodge says that the funds of Grand Lodge that are not used for current operating expenses must be invested in Provincial or Dominion Government Bonds. The Finance Committee has no other option than to do this, if something else is to be done with Grand Lodge funds then there must be an amendment to the Constitution and this is the body that makes the amendments to the Constitution. Didsbury sent in, apparently, a letter asking for the amendment to the Constitution but it didn't arrive in time because the amendments have to be circulated to all the membership. This letter now is in the hands of the Committee on Jurisprudence, and if Edson Lodge wants to make an amendment to the Constitution it may submit that amendment to the next Grand Lodge Session. Only read your Constitution first of all, make sure that you get it in within the time limit so the Grand Secretary will have a chance to circularize it. This is the body that votes the money, this is the body that tells the Finance Committee what to do with finances, it isn't the Finance Committee that does it, it is Grand Lodge Session.

R.W. BRO. THOMSON (68): We are quite well aware M. Worshipful Sir, we know what goes on, but the average member in the backwoods doesn't get a chance to know these things.

GRAND MASTER: I must remark again that if the Constitution says that a notice of an amendment to the Constitution must be in by a certain date this is what this body here rules. The Grand Secretary didn't do it and the Grand Master didn't do it—you people voted for it. If you want it changed you have to vote for it, it is as simple as that.

R.W. BRO. J. D. THOMAS (21): made a further enquiry in reference to the letter from King Hiram Lodge No. 21.

GRAND MASTER: This will come up during the report of the Jurisprudence Committee this afternoon. Is there anything else Brethren? If any of you want to speak please do so. There being no one else, thank you R.W. Bro. Cameron. Any announcements Bro. Grand Secretary?

GRAND SECRETARY: I think that the Masters and Wardens Association of Calgary would like me to announce that lunch is being served downstairs and all those who have come from outside the City are the guests of the Brethren of the Lodges in the City of Calgary. Members of City Lodges are asked to purchase tickets, if they have not already done so. There are a lot of members who have not as yet registered, please attend to this as soon as possible.

GRAND MASTER: Brethren, this afternoon at 2:50 p.m., or when we reach it, there will be a motion presented to adopt a number of reports. These reports will not be read in Grand Lodge this afternoon. The motion will be made for them to be adopted, you have the reports in the booklet now. When the motion is made there will be an opportunity for anyone to ask any questions or make any comments. If you have any comments on finance or any of the reports will you be prepared to do it when the motion is made.

This session of the Grand Lodge is now called off until 2:00 p.m. this afternoon, V.W. Brother Grand Director of Ceremonies, will you attend the Altar.

AFTERNOON SESSION

Grand Lodge was called from refreshment at 2:00 p.m. The V.W. Bro. Grand Director of Ceremonies attending the Altar.

BRO. D. CLARKSON (105): M.W. the Grand Master on behalf of the out-of-town Lodges I would like to move a vote of thanks to the Lodges of the City of Calgary for the delicious lunch served to the out-of-town Lodges. Applause. Carried.

GRAND MASTER: It now being the hour of 2:00 o'clock I do declare that R.W. Bro. Arthur James Gray Lauder has been elected Grand Master of the Grand Lodge of Alberta for the year 1965-1966. (Applause).

Grand Master's Address

My Brethren:

I am supposed to stand before you this afternoon and to recount all the things that I have done for the good of the Grand Lodge of Alberta during my term as your Grand Master. Well, I have to be very honest and tell you that I did very little and I could end my address right here. However, I do want to say that you have done a great deal for me. For one thing my life has been much enriched and I am a very different person from the one who accepted the symbols of office one short year ago. For instance I have attended three significant conferences, the Western Interprovincial Conference at Banff in September, the Biennial Conference of Grand Masters of Canada in Montreal in February and the North American Conference of Grand Masters in Washington, D.C. during the same month. In addition I attended Grand Lodge Sessions in Saskatchewan, Montana and Manitoba. I'm not the type of person that thrives on Conferences and I would rather stay at home than parade all over the country attending Conferences and meetings. At the same time I must report that I found these meetings stimulating and informative. It was especially inspiring to have the opportunity to meet brethren from all over the world who are devoted to the cause of Freemasonry.

It was not these meetings beyond our jurisdiction that did the most for me but it was the opportunity to meet you at various events and especially to have the privilege of attending the constituent lodges. A meeting at Picture Butte, one at Hussar, a trip to Lethbridge to present a Fifty Year Jewel, a night when I dropped in to a Lodge at Red Deer just in time for a cup of coffee, several other meetings when I had the great privilege of presenting to some faith'ul brethren their Fifty Year Jewels and some Sixty Year Bars. Many other such events could be mentioned, several Anniversaries, 50th, 70th and so on but I must not take the time. These are the very substance of Freemasonry and I am sorry that the year passed by so quickly with so many visits yet to be made. The Constitution and Consecration of four Lodges which included a chartered plane flight to Fort Smith in the North West Territories were among the highlights of the year as were the institution of two new Lodges in Edmonton. I will not pause to go into details for these can be found in the report of the Grand Secretary.

The year has been memorable because the word "brethren" has taken on for me a very rich meaning. This afternoon I can look over this gathering and greet you all with a feeling of deep affection. I can recall the numerous instances of kindness and consideration shown to me. More than that I can remember the dedication and devotion that you have shown to Freemasonry. Many of your Lodges have been working under difficulty and with little encouragement, yet you have continued on in your work. Above all you were gentlemen enough to overlook my shortcomings, of which I have many, and to surround me with that respect due to the high office which I held. In very truth this is a family gathering in which we all must feel at home. What I want to do now is to assume the position as head of a great family and bid farewell to you saying some things that are upon my heart and conscience.

In doing this I have to be very honest with myself and with you. Some of the remarks I am about to make may seem to be very direct and pointed but let me assure you they are said with deep affection both for you and our order. In no sense do I offer criticism of any individual

or any group of brethren. Together we bear the burden and the heat of the day in a spirit of unity we must analyze ourselves critically. Only in this way can we ever hope to strengthen the Masonic witness in this world that is weary of strife and hatred.

I am completing this year as your Grand Master with the deep conviction that the Masonic Order is heading towards one of the greatest crises in its long history and with the great fear that the order is not yet aware of the tremendous job of reinterpretation that must be done if Freemasonry is to survive the crises and have any vitality left at all. An indication of the coming crises is the fact that the impact of the philosophy of the order on the individual lives of its members is very weak. As a result the order is characterized by rigidity, self complacency, lethargy and insecurity. This can be proven as you examine our Grand Lodge statistics and the programs of many of our constituent lodges. The life of our modern communities is so complex and so overburdened with activity that any organization that does not make an impact on our daily lives or that cannot adapt itself to a changing culture is consigned to the backwash of human affairs. This, I fear, is what is happening to the Masonic Lodge in many communities.

The solution to any crisis lies in the leadership that is available to give direction and inspiration. This is the point at which we are woefully weak. I could stand on this platform this afternoon and call the names of dozens of men who could give leadership to Freemasonry in this hour of challenge, danger and opportunity. The tragedy is that we are not marshalling our leadership, we are not challenging our young and able brethren but we are permitting their talents to be dissipated in a variety of community activities. Consequently they are lost to us. Just think for a minute of the newly-raised Master Masons who you expected to be of value to your lodge. Where are they now? I could mention dozens of organizations that are using them. Why? Because the Freemasons Lodge did not bother either to give them direction or to challenge them to activity. The leadership that will put new vitality into the Masonic Order does not sit on the stage this afternoon. It sits in the seat that you are sitting in in the body of this great auditorium. I would that it were given to me today to issue a ringing challenge to constructive action to you all and that you would leave this meeting today with the fire of inspiration in your hearts. A fire that would burn brightly until this lagging spirit of Freemasonry would once again command the lives of men, which is its mission.

Let me talk to you about leadership in the craft —

1. The Grand Master

The Grand Master is the key person to our whole system. He is the first and foremost leader and in this position must sit our ablest men. Again I could ask a dozen men here this afternoon to stand up who could fill this office with the courage and ability that it must have. These young men do not offer themselves because they have the impression that the office will make too great demands on them in time and money. Well it does take time but controlled time and not necessarily time at the expense of one's job. Any task worth doing will take some sacrifice.

I do not agree with the opinion expressed in some quarters that the Grand Master should be willing to contribute of his own money for the privilege of holding this office. If you brethren want a Grand Master who can give you leadership then you have to be willing to see that he and his family do not suffer financially. In other words we can't

afford to have as Grand Masters only those men who can pay for it. Your Grand Master makes enough sacrifices in terms of time, ability and energy without adding anything else.

At present you allow your Grand Master \$1,500.00 for expenses. Out of this he pays his travel and accommodation expenses for District and Area Meetings and other visits within the jurisdiction. He pays expenses to the Banff Conference and absorbs the cost of travel to the communications of sister jurisdictions. I drove my car in excess of 17,000 miles on Masonic business this year. This does not include the trips I made with the Grand Secretary and in cars of other brethren from Calgary, who have been most loyal in their support and generous with transportation and I thank them sincerely. In addition I travelled almost 3,000 miles by air and some 250 miles by bus. Beyond this and not charged to the Grand Master's account are the chartered flight to Fort Smith and the expenses in connection with the Canadian and North American Conferences of Grand Masters.

If you do some quick figuring you will discover easily that the time is not very far distant when you must look seriously at the Grand Master's expense allowance, if we are going to make it possible for the leadership we badly need to occupy this post. For, let me repeat again the Grand Master must accept a tremendous burden of leadership if Freemasonry is to weather the crisis into which it is headed.

2. The Grand Lodge Office

The Grand Lodge Office is the nerve centre of Freemasonry and the Grand Secretary is responsible to see that it operates for the service of the craft, ever sensitive to the needs of the hour. To the Grand Secretary is committed the task of being the guardian of our Constitution, the custodian of our ritual and the protector of our landmarks. On top of this heavy responsibility he is expected to look after details of finance, benevolence and the Higher Education Bursary. He is our librarian, the person who answers a multitude of correspondence and who entertains brethren who just drop in for a visit. In addition he is expected to travel widely over the jurisdiction. Even the travelling he is expected to do in many businesses would be regarded as a full time job, but we look on it as a privilege he should enjoy so much that even if he doesn't get home until 2:00 a.m. he should be in the office at 8:30 all the same.

We are fortunate in having in R.W. Bro. E. H. Rivers a dedicated Grand Secretary to whom hours mean little, a valuable assistant in W. Bro. M. P. Dunford who is fast proving his efficiency and secretary, Mrs. H. M. Hiscox, whose cheerfulness never seems to falter. The least we can do for these people who work far beyond the call of duty is to provide them adequate salaries and spacious, well equipped, comfortable and pleasant office accommodation. I suggest that the present quarters fall below these standards.

I know some of you growl about the Grand Secretary when he, acting according to the commission entrusted to him, finds it necessary to issue an edict upon certain matters. The fault, of course, is not with the Grand Secretary but with individuals who have become careless about their commitments to the craft or because Grand Lodge has been dilatory in its obligation to keep the Constitution up to date and sensitive to modern needs.

In the Grand Secretary's report you will find a list of dispensations issued by me. A number of these should not have been necessary if you had been on the job. One lodge, for instance, appeared in public wearing regalia without permission and in distinct contravention of the Constitution. When enquiry was made the reaction was that they couldn't

care less and certainly thought the Grand Secretary was being very sticky about the Constitution. This is evidence of the crisis into which we are heading.

On another occasion the very difficult decision had to be made as to whether we would issue a dispensation for the acceptance of an application from a man not in possession of all his physical faculties. How is the Constitution to be interpreted and where do we draw the line once one dispensation has been granted? I hope we will not be faced with decisions such as this until you are willing to revise the Constitution.

Add to these issues the annoyance of late returns and unanswered correspondence; one has to wonder how the Grand Secretary maintains even a semblance of sound judgment and good humour.

The Grand Lodge Office is the key spot of our entire system and from it we must have constructive, courageous and positive leadership. This I feel we have and we must soon take action to relieve the office of many burdensome details, to give the leadership inherent in our Grand Secretary and his assistant the opportunity to act as the lever in the body of Freemasonry.

3. District Deputy Grand Masters

The District Deputy Grand Masters must stand next to the Grand Master as the leaders in the Craft and, yet, it must be admitted that our very casual district organization is one of the weakest spots in our whole organization. During the past year I had a group of District Deputies who were, for the most part, very able and devoted Masons. Here was a great potential of leadership but how were they to be employed except to add decoration on some of my official visits? It is this tragic waste of leadership that is sapping away our vitality.

The Districts are a vehicle by which we should be discovering leadership and a means by which the convictions of the brethren should be communicated to Grand Lodge. The District Deputy should be the key man in his area around which the life of Freemasonry should revolve. Yet the District Deputy for the most part becomes a happy visitor to lodges and his visit an excuse for yet another social occasion with little emphasis on the cause of Freemasonry.

This is not good enough. I feel very strongly that a real study must be made of the district organization. We must set down its purpose in order to make the District a vital part of Grand Lodge and give opportunity for the District Deputy to exercise his full ability as a progressive leader in the Craft.

4. The Constituent Lodges

Next in line in the hierarchy of leadership surely is the Master of the Constituent Lodge and, of course, it has been proven over and over again that the success of a lodge in any one year depends directly upon the acceptance by the Worshipful Master of the responsibilities of his office. These are Masonic responsibilities. It has been a great joy to see, during my year in office, many Masters tackle their Masonic duties with imagination and devotion. Similarly it has been much to my sorrow to discover a minority of Worshipful Masters concerned with a variety of activities which could not possibly fall into the category of Masonic.

One of the indications of a disintegrating society is that the leaders of that society forget the original aims and purposes of the society and pursue foreign activities and objectives. These evidences abound in the Craft today. **A Masonic Lodge meeting is called for the purpose of**

promoting Freemasonry and for no other reason. It is not a time for spectacular entertainment or for the dissipation of the energies of the brethren in activities that have nothing to do with the growth of the spiritual life of the individual. A Lodge meeting is for the purpose of promoting Freemasonry and that alone. It was because I felt that the attention of the Craft generally needed to be called to the basic reason for meeting that I issued the following ruling:—

"With increasing frequency the problem of the relationship of the Grand Lodge of Alberta to other bodies claiming Masonic connection is arising. The following are basic principles which I direct all Lodges to follow:

(1) The Grand Lodge of Alberta recognizes only the three Craft Degrees in Masonry.

(2) The Constituent Lodges meet under a charter from the Grand Lodge and their meetings begin with the opening of the lodge and end with the conclusion of the hour of refreshment. When the Junior Warden is installed by the authority of Grand Lodge he is charged with responsibility for the time when the lodge is at refreshment.

(3) The 1958 Communication of the Grand Lodge of Alberta accepted a report from the Committee on Jurisprudence which stated "That this Committee disapproves any mention on Lodge Notices of organizations claiming connection with Freemasonry."

This is to be taken to mean any direct or indirect reference to a non-Masonic group participating actively in Masonic meetings."

5. The Past Grand Masters

The Past Grand Masters are the elder statesmen of the Order and we are indeed rich in the leadership which they out of their long experience contribute to our fraternity. I would that our order were vital enough to retain in our younger brethren the constancy and conviction that characterizes these M.W. Brethren. If this were so the difficulties of leadership would be solved and the future of Freemasonry would be assured. It is with regret that each year we have to report that death has caused their ranks to grow smaller. This year M.W. Bro. A. D. Cumming was called from us and we miss the wise counsel as chairman of the Finance Committee. Yet such is the nature of these men that the ranks were closed and M.W. Bro. Lloyd McPhee took over the work of Finance very acceptably.

While we are grateful for the continued leadership of these distinguished brethren and hope that their advice and help will be available to us for years to come, we must not place on their shoulders the burdens that we ourselves should carry. The vitality of any organization is determined by the efficiency with which it develops new leadership, not on the amount of work it can pile on those who have already served long and well.

6. The Grand Lodge Bulletin

Evidence of the faithfulness of our Past Grand Masters is the able way in which M.W. Bro. S. C. Heckbert continues as editor of the Grand Lodge Bulletin. The Bulletin is a rich source of material for the training of leadership and M.W. Bro. Heckbert has gleaned from a variety of

Masonic publications some of the best of articles. I think the editor of the Bulletin would like me to say that one of his deep regrets is that so little material for the Bulletin is available within our own jurisdiction and that he has to rely heavily on outside publications. This is a sad commentary on the state of our leadership and an acknowledgement that we are pursuing almost no Masonic studies of any consequence. Any worthwhile study surely would find its way into our Bulletin. The Bulletin is a thermometer of the Masonic activity within the jurisdiction and I hope that we will soon arrive at the point where the majority of the material in the Bulletin will be produced by our own members and will be of sufficient value for other jurisdictions to copy.

7. Grand Lodge Officers

A real reservoir of leadership is found in our Grand Lodge Officers and you have been very wise in the selection of these. During the past year they have shared responsibilities with me by attending District Meetings, Area Meetings and ceremonial events. The Grand Registrar, R.W. Bro. J. Hunter was called on to assume the responsibilities of District Deputy, of District No. 17, when R.W. Bro. B. C. Carpenter passed away. Tomorrow you will hand the leadership of the Craft over to our present Deputy Grand Master R.W. Bro. A. J. G. Lauder and you have the satisfaction of knowing that the office will pass into experienced, capable and devoted hands. He will find loyal support, as I have done, in the Jr. Grand Warden R.W. Bro. Bernie Brown and the Sr. Grand Warden R.W. Bro. T. G. Towers. You must continue to ask for the best leadership possible from your Grand Lodge Officers.

8. The Basis of Leadership

I hope that I have been able to make the thesis of this address clear to you. It is simply this:

Freemasonry is heading into one of the greatest crises in its entire history and the crisis will not be weathered unless we marshal, effectively, the potential for leadership that now lies dormant within our lodges.

We have the tools at hand for the training of leadership. They are to be found in our District and Area Meetings and in our Grand Lodge Communication. If these are not being used by our membership it is because they are not effective. Constant attention must be given to program and procedures.

We have the material for leadership in our membership. I know of no group of men that have such a resource of candidates for leadership as may be found in the membership of our lodges. If these men are not being used, if their interest is on the decline that is our fault for failing to present them with a challenge to Masonic activity. For the real impetus for leadership must be found in those of us present at this session this afternoon.

We now need a basis for action and that is found, of course, in the heart of the Masonic Philosophy itself. What have we in our system that will provide us with the inspiration to use the tools, to develop the leadership?

(i) FIRST OF ALL WE HAVE A FAITH FIT TO LIVE BY.

When Admiral Byrd went to the Antarctic to live alone for months in those icy wastes he faced many problems that needed to be solved. Not the least of these was the lack of exercise which he tackled ingeniously. He tied a cord on two sticks. One stick he planted firmly in the ice of his cabin; the other he carried with him and planted it in the ice some distance from the house. He would walk back and forth over the ice and snow tracing his way by that string. "The line," he writes, "was a cord through chaos." With that thin line securely in his grasp he could walk in the darkness, he could struggle through storms. He could walk with his eyes shut and yet never lose himself in the cruel bleakness of the antarctic winter.

Faith is but a thin cord stretched through the chaos, darkness and sin of this mortal world. It is the North Star that should guide us through the darkness of nights. It is the lifeline that we all need if we are to travel in the direction of the altar that will finally bring us to light. It is the only line that can link the littleness and the frailty of man to the immensity and completeness of God.

To those of us initiated into the science of Masonry faith in God is basic. Indeed we confessed that faith before we were allowed to take the blind first step within the door of the Lodge. A growth in that faith is essential if the Mason is to witness effectively to the lessons that he has learned. It must be an active faith, the evidence of which is seen in every activity of our lives.

Tolstoi called faith the force of life. What has your Lodge done this year to increase that faith in its membership? How do the programs of your Lodge seek to restore the faith that is so badly battered and torn in this materialistic world.

Let us beware. If we lose grip of that tiny cord stretched through the darkness we will never arrive at the true light — May we ever remember that "the Eternal God is our refuge and underneath are the everlasting arms."

(ii) A SELF FIT TO LIVE WITH.

As we must, if we are true to our high calling guard jealously our faith, so we are obliged, if we are to accept our role as leaders in the Craft, possess a self fit to live with.

Henry Van Dyke, in "The Prison and the Angel" writes, "Self is the only prison that can ever bind the soul."

E. Stanley Jones in his book, "Abundant Living" tells of a psychiatrist in Hollywood, who was paid quite generously by his filmstar patients and who said to a friend, "Most of my patients don't need me, they need a mourner's bench, they need God."

In other words these people needed to develop a self fit to live with.

Surely this need is basic to our order. The great legend of the third degree tells about three Fellowcrafts who did not possess selves fit to live with. They were willing to commit the most dastardly of deeds, even murder, to attain their own selfish ends. Then when our Grand Master was dead the seriousness of their crime dawned upon

them and the anguish of their souls was extreme. They could no longer live with themselves or with their fellows. They did not possess selves fit to live with. They acted in ways that were despicable and now they condemned themselves.

We pray, that those who are made to represent our Grand Master, may pass through their time of testing so that they may rise from the tomb of transgression to shine as the stars for ever and ever.

Then we proceed to place the working tools in their hands and we tell them with these tools they are to work upon themselves until they produce the type of character as perfect as the ashlar that sits in the S.E. corner of the Lodge.

Do we really mean this or is this just a part of our ritual to be performed with perfection without any real effect upon our daily lives? If we mean it why is there an increase in the number of charges of un-masonic conduct?

Could it be that you and I as leaders in the Craft have forgotten that leading first of all means being and that before we can teach a principle we must first of all master that principle?

Do we really want to place our order in the forefront of the life of our community? The prime requisite then is that our faith fit to live by must produce a self fit to live with!

Be what thou seemest, live thy creed;
Hold up to earth the torch divine:
Be what thou prayest to be made,
Let the great Maker's steps be thine

(iii) A PURPOSE FIT TO LIVE FOR

Dr. Magaryk, the former president of Czechoslovakia, writes in his autobiography that his great purpose in life was to establish Czechoslovakia as a nation. To work out this great purpose he was called upon to suffer many hardships but he persevered and endured. He was able to write these words, "I had a sincere and high purpose and you can endure a great many difficulties and hardships when you follow a great aim."

Charles Parkhurst said, "Purpose is what gives life meaning."

Immanuel Kunt, the great philosopher said, "So live that if everybody else lived that way, this would be a perfect world."

The Golden Rule says, "Do unto others as you would have them do unto you."

Freemasonry says that the great purpose of a Master Mason is to search for the word that was lost through man's lack of purpose. The words that we have now are temporary but they will remain until we have fulfilled our purpose and time and circumstances of the restoration of the words will not appear until mankind has built the great spiritual temple which will be more beautiful than King Solomon's, for it will be built in the heart of man. This is our purpose and most certainly it is fit to live for.

How much effort have you and I put into that purpose? How often have we allowed ourselves to be diverted from the search for the words?

We have the faith to live by —
We can have the self fit to live with —
We certainly have the purpose fit to live for.

What more do we need?
The dedication of your lives —
Your powers of leadership —

What though the Kingdom long delay,
And still with haughty foes must cope?
It gives us that for which to pray.
A field for toil and faith and hope.

Since what we choose is what we are,
And what we love we yet shall be,
The goal may ever shine afar,
The will to win it makes us free.

Grand Master.

Prolonged Applause.

M.W. BRO. D. D. McQUEEN (74): I will move, seconded by M.W. Brother Jackson, that the address of the M.W. The Grand Master be received and referred to the Committee on the Grand Master's Address. The motion was put by the Deputy Grand Master and carried.

GRAND MASTER: Thank you Brethren, now we must move along and we will now have the report on the Higher Education Bursary as R.W. Bro. L. O. Sanders will be one of the Scrutineers. I also remind you that you have five more minutes to cast your ballot, the ballot will close at THREE O'CLOCK.

FOR THE HIGHER EDUCATION BURSARY COMMITTEE

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

Your Committee are again very pleased with the interest and support shown in the Higher Education Bursary awards. Committee members have visited many Lodges and have been able to answer questions and clarify many points in connection with the operation of the Fund. During the last financial year we were pleased to see a modest increase in donations to the sum of \$15,463.21. It was disappointing, however, to note that eleven Lodges did not contribute and that some of the donations were very small.

For the 1964 Bursaries we received 155 applications and we awarded NINE Bursaries to students assisted previously. TWO to Students who had one year of University and FIFTEEN Matriculating Students. In addition we awarded Bursaries of \$200.00 each to three students, this amount seemed to fit the circumstances. The total cost of these Bursaries was \$13,600.00.

It is interesting to note that Nineteen of these students were at the University in Edmonton, seven at the Calgary Campus and one each at the Junior Colleges in Camrose, Lethbridge and Red Deer. Most of these students are doing very well, but we did have two drop out, one because of ill-health and one who decided she had chosen the wrong course.

We feel very badly that M.W. Bro. R. S. Sheppard, who initiated the scheme of Bursaries, found it necessary to discontinue active participation in the work of the Committee, however your Committee will endeavour to carry on the fine work that he started.

Your Committee wish to thank you, M.W. Grand Master, for declaring November to be "Bursary Month" and also to thank M.W. Bro. Heckbert for his fine co-operation as Editor of our Bulletin.

It is interesting to note that forty-one Constituent Lodges donated an amount equal to or exceeding \$1.00 per member. Six of these exceeded \$400.00. We thank these Lodges for their fine effort. The Officers of our Grand Master's Lodge, Zetland No. 83, decided to underwrite one Bursary and set up a Committee to achieve this objective, they were successful to the amount of a Bursary and a half and we extend our congratulations. We commend this scheme to others, maybe two or more small Lodges could join for the purpose.

A large number of applications have been received for the current year, but, at the time of writing this report, they have not been tabulated. It has been noted that a large number are received from the children of widows, in many cases these widows are receiving Government assistance and there is no reserve to provide for Higher Education—the need is very apparent. Again, as I suppose it must be expected, there are a number of applications received from students whose parents show a more than adequate income. It doesn't take long to deal with such applications and it is hard to understand why such people will not shoulder their own responsibilities when it is quite clear that they are well able to do so.

As an appendix to this report we provide you with a complete list of donations for the current year and also to date. Again, your Committee are grateful for the support given and feel that our program is developing on a sound foundation.

Fraternally submitted,

L. O. SANDERS, P.D.D.G.M.,

Chairman.

R.W. BRO. SANDERS (90) M.W. Grand Master, the report is on page 59 of our booklet, so I won't read it unless you wish me to. In moving the adoption of this report I would wish to add some comments. Our Committee members are available to all Lodges, should they wish to have a speaker with information on the Bursary Fund, we find that there is a lot of misunderstanding and some Lodges are not too well informed on the purposes of our Fund or the operation of it. Our Committee members would like to clarify these points and I believe they are well versed. They may not be good speakers, but they will have the answers I believe. I have mentioned our indebtedness to M.W. Bro. Sheppard, I may say I visited him in hospital last Sunday, many of you know he has lost the sight of one eye and the other has been operated on, the doctor is hopeful that he will have slight vision in that eye, we hope and pray that this will be true.

The awards of last year are listed in the report, you will see that they pretty well covered the Province. For this year we have some 200 applications, we have received about \$15,000 in donations to the fund, this is a little better than last year and is greatly appreciated but it still leaves a lot of very needy students without help. In this connection I checked with Mr. Wishart who is the Chairman of the Awards Committee of the University of Alberta. It is under Mr

Wishart's chairmanship that representatives of our Committee along with representatives of all the other major award donors such as the Hotelmen's, the I.O.D.E. and so on, meet so that we go over the names that we have selected for awards and see there are no duplications. This makes a greater number of awards available to needy students. In this connection I asked Mr. Wishart to give me the amount of awards available and the number of applications that were received. He couldn't give me the exact amount but he said that if you tell them we have 400 awards available and we have 1,500 applications for those awards you won't be very far out. We are supporting a very fine, very high grade of student, it is not uncommon for us to get letters from students who are in University in their second year, naturally when we start a student we carry them right through, we are not going to drop them in mid-stream, but it is not uncommon to get a letter from these students stating they have during the summer season been able to get fairly good employment and hoping that they will be able to carry themselves through the next year without any help from the Grand Lodge Bursary Fund. They thank us for our generosity, and I think these letters are quite wonderful because there is a \$500 award there that they can pick up if they want it and they are such good students, high quality young men and women, that they will say now take that \$500.00 award which you have given to me and pass it on to some other worthy student because I am able to carry myself for another year. I think that is quite wonderful for young people to do that.

You will find a list of donations appended to the report. In my humble opinion the Higher Education Bursary has been one of the finest things that the Grand Lodge of Alberta has ever done and I don't mind spending a lot of time and effort in promoting it—it is well worth while. My motion to adopt this report is seconded by R.W. Bro. G. R. Sterling, who has done a lot of work for our Committee.

GRAND MASTER: Brethren, you have the motion, is there any discussion? All in favour?. Carried.

The Report of the 20 District Deputy Grand Masters and the Grand Master's Representative in the N.W.T. are presented herewith. Each and every report is addressed to the **M.W. The Grand Master of the Grand Lodge of Alberta, A.F. & A.M.**, it commences '**Dear Sir and M.W. Bro. and** correctly ends '**Respectfully and Fraternally submitted**'. To conserve space these formalities have been omitted from each report.

DISTRICT No. 1

In order that I could organize my work in District No. 1 I called a meeting of all Worshipful Masters during August and to this meeting I invited the Grand Secretary, R.W. Bro. E. H. Rivers and the Chairman of the Research and Education Committee, V.W. Bro. R. W. Austin. I found this meeting to be most beneficial and I trust that the other participants did also. V.W. Bro. Austin explained Phase 1 of the Research and Education program, which had previously been supplied to all Worshipful Masters. All Worshipful Masters in the City of Calgary agreed to actively support the Masters and Wardens Association, which provides the opportunity for officers of all Lodges to consult for the good of Freemasonry in our growing city.

I have visited all Lodges in the District once 'officially' and on several occasions during the year. I have much appreciated the cordial co-operation of all Worshipful Masters and Secretaries. I found the records to be well kept, neat and complete. The attendance at meetings, particularly in the City, leaves much to be desired, however, the promotion of the Research and Education program will, I hope, engender more interest in the Craft and a consequent improvement in active participation. The Degree work that I have witnessed has been creditably carried out. I feel that the candidates should have been impressed.

The Annual District meeting was held in the Calgary Masonic Temple on September 26th, 1964, a Saturday. Many members asked that the meeting be held on a Saturday, but the attendance did not indicate that it was a suitable day. Fifty-three attended in the afternoon and eighty attended the dinner, with a few more for the evening session. At the afternoon gathering R.W. Bro. Rivers presented his paper on the Masonic Funeral Service and, following the presentation, those present broke off into seven groups to discuss this important subject, a leader in each group being given two minutes to present the result of the discussion when the meeting re-assembled. It was the general opinion of members present that the Masonic Funeral Service should be discontinued and the Memorial Service taken into use in its place. It was also the opinion of those present that public appearances in Regalia should be restricted to very special occasions only.

Following the dinner the District meeting was formally convened and it was a pleasure for me to receive you, M.W. Grand Master, and the officers who accompanied you. R.W. Bro. S. Peverell, immediate Past D.D.G.M. reported on his year of office and each Worshipful Master reported on the activities of his Lodge. W. Bro. Ralph S. White of Jordan Lodge No. 177 was elected as D.D.G.M. for the year 1965-66, subject to approval of the incoming Grand Master, and the meeting accepted an invitation to hold the next annual meeting in

Banff. Bro. Rabbi Sheldon Edwards gave an inspiring address based on the Commandments, taking the third Commandment particularly and we were pleased, indeed, with your message to close our evening.

I was honoured on two occasions in being invited to preside as acting Worshipful Master in conferring the Master Mason's degree. The first was at Lodge Renfrew No. 134 on a Grand Lodge Officers, Past and Present, night on November 23rd, 1964, and the second at Jordan Lodge No. 177 on November 25th, 1964 with Past District Deputies of District No. 1.

I was pleased, indeed, to participate in the Constitution and Consecration of Kelvingrove Lodge No. 187 and Northmount Lodge No. 189 in the City of Calgary, in Districts 6 and 18 respectively.

It was my privilege to convene the Area Meeting in Calgary on March 13th, 1965, when 168 Brethren registered. Area meetings will be dealt with elsewhere, but I would like to say that I thought the meeting most instructive and many members of my District expressed their appreciation of the valuable information imparted.

One of the highlights of the past year in our District has been the erection of the Masonic Hall in Bowness by Bowmont Lodge No. 181. This was a very ambitious project for a young Lodge. The Hall has been very carefully designed and is a great credit to those who have worked so hard to make their dream a reality. Very careful management will be required to handle the rather heavy financial obligations.

There has been much discussion in regard to improvements in the Calgary Masonic Temple and we shall hope that the facilities may be modernized in the not too distant future.

I feel that Freemasonry is making good progress in District No. 1. The activities of the Research and Education Committee of Grand Lodge bring more younger men into a study of the basic principles of the Craft and knowledge is a wonderful stimulant. I would like to congratulate those who have devoted so much time to this work.

In conclusion, I thank the Brethren of District No. 1 for electing me to this important office and you, M.W. Sir, for confirming the election. I have much appreciated the cordial good fellowship extended to me during the year. W. Bro. Ralph White has been a tower of strength to me this year and I extend my best wishes to him for a most successful year in office for 1965-66. R.W. Bro. O. W. Harris and W. Bro. T. Bayles accompanied me on many visits, I appreciated their support and also the support and advice of the Grand Secretary and W. Bro. M. P. Dunford. I have enjoyed every moment and shall remember the year with pride and pleasure.

S. E. SKEET,
D.D.G.M. District No. 1.

DISTRICT No. 2

The Annual District Meeting was held in the Masonic Hall, Medicine Hat, on Saturday, Nov. 21st with a banquet following at the Assiniboia Hotel. While there were sixty or more in attendance I had hoped for a little better turnout. However, I did feel the attendance and the results obtained were comparable to those of other Districts, especially when taking into consideration the size of the District and the number of miles some of the brethren have to travel to attend

these meetings. We cannot excuse the local Medicine Hat brethren for their lack of enthusiasm and efforts must be made to increase the attendance locally.

At this meeting W. Bro. Mel Collard of Quarry Lodge No. 70 was elected to the office of District Deputy Grand Master of District No. 2 for the year 1965-66 subject to the approval of the Grand Master.

The 1965 District meeting is tentatively scheduled for Redcliff.

OFFICIAL VISITS—

1. **Medicine Hat Lodge No. 2, March 9th, 1965**—This is the largest lodge in the District and there were fifty-two members and visitors present. The Officers are very efficient in their work; interest is good and attendance seems to be increasing. The Secretary is quite efficient and all records are in excellent order.

2. **Mispah Lodge No. 35, Medicine Hat, March 16th, 1965**—This lodge is very active and the officers quite efficient and the work well done. The attendance was very disappointing at this meeting but the weather was bitterly cold at that time. The Secretary is gaining experience and all records are in good order.

3. **Quarry Lodge No. 70, Redcliff, March 2nd, 1965**—This is one of the smallest lodges in the District but interest and enthusiasm is extremely high. Most of the officers are employed at Ralston and they have their own practice sessions between lodge meetings. The work is excellent and with the number of years experience that R.W. Bro. J. W. Cann has as Secretary the books and records cannot be criticized in any way.

4. **Foremost Lodge No. 103, March 3rd, 1965**—There were over twenty officers and members present at this meeting and, while this is one of the smaller lodges in point of membership, the lodge work is very well done; the Secretary very efficient and all records are up-to-date. Efforts are being made to promote interest, education and attendance.

5. **Grassy Lake Lodge No. 57, March 11th, 1965**—There were twenty-five members and visitors present at this meeting and while this is also one of the smaller lodges they own their own hall. The members are very enthusiastic and interest is high. The Secretary is quite efficient and books and records are kept up-to-date.

6. **Bow Island Lodge No. 64, March 17th, 1965**—There were over twenty members present at this meeting which I consider exceptionally good due to the inclement weather. A Father and Son gathering was held on April 9th, which was very successful. The Secretary is quite efficient and all books and records are up-to-date.

Manyberries Lodge No. 133—On February 18th I made my second unofficial visit to Manyberries Lodge No. 133. This is the smallest lodge in the District but attendance is regularly forty to fifty percent of all resident members. Official Visits were scheduled for March 18th and April 15th, but both these meetings had to be cancelled due to weather and road conditions. It is hoped that an Emergent Meeting can be arranged for April 29th. While this is a small lodge, enthusiasm and interest is maintained and a candidate will be passed at the next meeting.

The financial position of all lodges in this District is excellent and I would point out here that the interest in and acceptance of the Bursary Fund Project is steadily increasing.

It was my privilege to install and invest the Officers of Medicine Hat Lodge No. 2, Mizpah Lodge No. 35 and Quarry Lodge No. 70 at the Annual St. John's Night assisted by other Officers and members of these three lodges, after which a banquet was enjoyed at the Assiniboia Hotel. The attendance at this meeting was quite gratifying.

I would like to express my sincere thanks and appreciation to all the Brethren in the District, and especially those who accompanied me on my Official Visits, and to all of the Lodges in the District for the kindness shown to me and for the enthusiastic manner in which I was received. I accepted this position with some trepidation, but the experience and knowledge gained has been well worth the effort.

The Brethren in District No. 2 are a tremendous bunch and my association with them during the past year has been most enjoyable. My thanks to all of them for electing me to this high office and giving me the opportunity to serve as District Deputy Grand Master of District No. 2.

J. H. FISHER,
D.D.G.M. District No. 2.

DISTRICT No. 3

First of all, I would like to take this opportunity to extend my sincere thanks to the Worshipful Masters, Officers, and Brethren of all the Lodges in District No. 3 for the courtesy, kindness, and all-round goodfellowship shown me on both my official, and un-official visits, and also to you Sir, as M.W. the Grand Master for the opportunity afforded me to serve as your District Deputy, with the sincere hope that I have made some contribution to the "Good of the Craft" and the promotion of Masonry in District No. 3.

My official visits were as follows: September 22nd, Edmonton Lodge No. 7; October 8th, Drayton Valley Lodge No. 182; October 14th, Meridian Lodge No. 129, Stony Plain; October 20th, Unity Lodge No. 51, Edmonton; October 27th, Highlands Lodge No. 168, Edmonton; November 2nd, Hinton Lodge No. 178 (my home Lodge); November 19th, Edson Lodge No. 68, November 26th, Jasper Park Lodge No. 143; November 27th, Temple Lodge No. 167, Edmonton.

All Lodges in the District have been visited once, officially. Some of them, I have visited several times. I have watched Degree Work, in the various Lodges, in both York and Canadian Rites, and I must commend the Officers on their high degree of efficiency.

On my official visits, all lodge books, and records were made available for my inspection, and I am happy to report they were all generally in good order. Some lodges have fallen behind with regards to the Historical Register, but I did see an improvement on my return visit.

I presented a paper, or an informal talk on each of my official visits, on some Masonic subject. The chief topics being Masonic education. The Higher Education Bursary Fund, our ritual, and Masonic matters generally. The paper: Questions and Answers, compiled by myself and Wor. Bro. L. A. Veats, of Hinton Lodge, proved to be very popular, and I had to provide extra copies for interested brethren.

Attendance of resident members of lodges throughout the District is only fair, but each lodge seems to have a hard-core of dedicated Masons who are very faithful, and for which we are indeed thankful.

Our Annual District Meeting was held on Saturday, October 31st, in the Central Masonic Temple, Edmonton. District No. 3 was honoured by your presence M.W. Sir, together with the Deputy Grand Master, R.W. Bro. A. J. G. Lauder, the Grand Secretary, R.W. Bro. E. H. Rivers, the Junior Warden, R.W. Bro. Bernie Brown, and also M.W. Bro. Dr. Sam Hardin, P.G.M. Grand Lodge was extremely well represented.

Edmonton Lodge No. 7 was the host Lodge for this meeting, and I would like to extend my sincerest thanks to Wor. Bro. Philip J. Kendal, and his officers for the wonderful manner in which they prepared everything for this meeting, and made it such a splendid success. A total of 82 attended the meeting, which is only fair, for the size of the District, but I am happy to report that every Lodge in District No. 3 was represented. Even Jasper Park Lodge, which entailed a drive of 230 miles for these faithful Brethren. Each Worshipful Master, or representative, gave a report on the activities of his Lodge. These reports were very encouraging. All Lodges are making some progress, and are sound, financially.

At the afternoon session, the memorial service conducted by R.W. Bro. Rev. Dr. E. J. Thompson, assisted by the officers of Edmonton Lodge, was presented in a very impressive manner. The second item on the afternoon programme, consisted of a panel discussion on the paper compiled by R.W. Bro. E. H. Rivers, Grand Secretary, entitled: Masonic Funerals. This section of the programme was conducted by Wor. Bro. Thomas Hunter, Wor. Master of Unity Lodge No. 51, and Wor. Bro. Bernie Nicholson of Unity Lodge.

The guest speaker of the evening, Bro. Dr. Isadore Hardin, gave a wonderful address on 'Masonry in General', and the "Death Scene in Particular". My sincere thanks to Bro. Hardin, for his splendid efforts.

Wor. Bro. William T. Hollands, Unity Lodge, No. 51, was elected D.D.G.M., of District No. 3, for 1965-66, subject to Confirmation, and the next District Meeting will be held in the Central Masonic Temple, Edmonton.

R.W. Bro. Rod Gregg, P.D.D.G.M., District No. 3 was presented with his regalia by M.W. Bro. Dr. Sam Hardin, P.G.M.

Hinton Lodge was honoured by yourself, Sir, when you presented a beautiful set of gavels to our Wor Master, Wor. Bro. William Denholm. These gavels were made by R.W. Bro. David Penman, the official gavel maker for the entire province. This lovely gift is greatly appreciated by the members of Hinton Lodge, and R.W. Bro. Penman, received a letter of thanks.

After a very inspiring address by yourself, M.W. Sir, the meeting was closed in Peace and Harmony.

Some of the highlights of my year in office were: Edmonton Lodge No. 7 Annual Rotarian's Night; Unity Lodge, No. 51, Annual Dairyman's Night; Highlands Lodge No. 168, P.D.D.G.M.'s Night; Jasper Park Lodge, No. 143, when I had the pleasure of spending the evening with M.W. Bro. S. C. Heckbert, who was the guest speaker for that evening; Temple Lodge, No. 167, when Temple, Edmonton No. 7, and Eastgate Lodges, combined in a Third Degree in the beautiful York Rite.

The Edmonton Area meeting, opened by R.W. Bro. Bremness, D.D.G.M. of District No. 12, and which was so capably conducted by yourself, M.W. Sir.

Drayton Valley Lodge, No. 182, where I was privileged to watch the Third Degree in the Canadian rite put on by the R.C.M. Police Degree team from Edmonton.

In closing this report M.W. Sir, I would like to thank all the Brethren in District No. 3 in general, and to the Brethren of Hinton Lodge, in particular for the high honour that has been mine this past year, and I sincerely hope their faith in me has not been misplaced. I especially thank the Brethren who accompanied me on my visits, some of whom gave up time at their jobs, in order to travel with me, which fact, I greatly appreciate. District No. 3, being the largest in area and distance, and my position at the pulp mill here in Hinton being a very demanding one, I was usually travelling on a pretty tight schedule, but notwithstanding the long days, short nights, and the miles of driving, this has been a memorable and very rewarding year.

To my successor, Wor. Bro. W. T. Hollands, I offer my sincere congratulations, and my very best wishes for a successful year.

To you, Sir, as M.W. the Grand Master, I can only say it has been a great honour, and privilege to serve as your Deputy in District No. 3, this past year, and I sincerely hope I have justified the confidence you have placed in me.

CHARLES YOUNG,
D.D.G.M., District No. 3

DISTRICT No. 4

The Annual District Meeting—This meeting was held in Ponoka, on 14th October, 1964, at which time the Grand Master and his party were officially received. We enjoyed an animated discussion regarding Masonic Funeral Services and Memorial Services. Although somewhat inconclusive there appeared to be a general agreement to utilize the Memorial Service but the Masonic Funeral Service would be retained as well. The possibilities for Masonic Research and Education were emphasized.

The Area Meeting—This year the Area Meeting included Districts 4, 5 and 9. It was held in Red Deer on 30th March, 1965. M.W. Bro. W. J. Collett was officially received, after which he took charge of the meeting. Masonic instruction during the evening was excellent.

Research and Education—Shortly after the 1964 Grand Lodge Communication a meeting was called of all the Masters, Wardens and Secretaries of the lodges in District 4. Plans were made for each lodge to visit one other lodge within the District during the winter months and for one or two of its members to present 5 to 10 minute papers on any feature of Masonic work that appealed to them. Various levels of interest in this work were apparent and numerous excellent papers were prepared and given. These were instructive as well as entertaining and embraced an opportunity for each lodge to visit one lodge and entertain another lodge. The outstanding incident in this field was Red Deer No. 12 chartering a bus to bring 27 visitors to Lochearn No. 151 at Rocky Mountain House.

Official Visits—We were most hospitably received throughout the District and the lodge officers have been very co-operative in providing information and their books for inspection. R.W. Bro. Stevenett, I.P.D.D.G.M. accompanied me on many of my official visits and the

Research and Education visits. His worthwhile counsel and cheerful assistance were given most freely. R.W. Bro. Sterling assisted me on my visits and V.W. Bro. A. Staniforth, J.G.D. can never be adequately thanked for the work he has done in District No. 4 this year. Bro. J. M. Parr has been outstanding as District Secretary and it is a pleasure to record my appreciation for his work.

Special Events—In October, 1964 Mountain View No. 16 at Olds celebrated its 60th Anniversary and in May of 1965 Lochearn No. 151 at Rocky Mountain House plans to present W. Bro. Ensign with a bar to his 50 year jewel. This will acknowledge his 65 years membership in the craft. This is a distinguished record and this District shares its appreciation and pleasure with him. Kitchener No. 95 at Rimbey was host for the District Bonspiel won by Lochearn No. 151. The "Travelling Gavel" was recovered this year and is once more yielding a generous harvest of goodwill by encouraging the brethren to visit other lodges.

Beacon Lodge U.D. — This small new lodge located in Red Deer practises the Canadian Work in a manner that must gratify the Grand Lodge Committee On The Work. Their officers are an inspiration to their membership and to any visitors fortunate enough to share an evening with them. My most sincere congratulations go to W. Bro. Parsons, his officers and his members.

This report could not be complete without our acknowledgement of your magnificent leadership, M.W. Bro. Collett. No tribute can adequately report our approbation. Your service as Grand Master will be an inspiration to the brethren of this Grand Jurisdiction for years to come. It has been a rare privilege to have been your Deputy in District No. 4.

THOMAS W. CLARKE,
D D G M. District No. 4.

DISTRICT No. 5

I respectfully submit for your approval my report on the activities and the condition of Freemasonry in the Fifth Masonic District.

We pay tribute to the memory of nine brethren who have passed to their reward, during the past year and we cherish the memory of the many pleasant hours, we were privileged to share with them.

The annual District Meeting was held in the Elks Hall, Killam, Nov. 4th, 1964, with each lodge well represented and an attendance of 108. We were honored to have with us, The Grand Junior Warden, R.W. Bro. Brown, who represented the Grand Master, also M.W. Bro. Hardin and M.W. Bro. Merner, Past Grand Masters.

The afternoon session was opened at 4:00 p.m. by the D.D.G.M., assisted by R.W. Bro. Brown. This was an informal meeting, to discuss matters of interest in the District and Masonry in general. The following problems were discussed: attendance, city and country, examination of visitors, demits, non-payment of dues, life membership, ways and means of attracting new members and holding their interest, after they have received the degrees.

At 5:55 p.m. R.W. Bro. Butcher moved adjournment and the brethren moved to the United Church Parish Hall, to enjoy a banquet, prepared by the members of the Killam Chapter No. 9, Order of the Eastern Star.

The evening meeting was opened in the Elk's Hall, at 8:30 p.m., when a Memorial Service was held for the Fraternal Dead.

The W.M. of each lodge gave a report on the condition of Masonry in the district. R.W. Bro. A. A. Fraser, P.D.D.G.M. presented a brief report for the years 1963-64. Three nominations were received for D.D.G.M. of the Fifth Masonic District. The ballot proved favorable to W. Bro. W. G. Mitchell, Efficiency Lodge No. 141.

R.W. Bro. W. J. Haynes, of Harmony Lodge No. 75 was presented with a 60 year bar to his 50 year jewel, by W. Bro. E. Leah. He is the last surviving Charter member of Harmony Lodge.

I had the pleasure of presenting W. Bro. Peterson with a 50 year jewel. He is a charter member of Forestburg Lodge No. 128.

I have visited each lodge in the district officially and most of them unofficially. The friendly manner in which I have been received and the efficient way the officers of the lodges have conducted the affairs and work, has impressed me. Freemasonry, in the district, is in a good state generally, but some of the lodges are handicapped, by having a small membership and a large percentage of non-resident members. In every lodge I found dedicated members, who are a great help, especially in the small lodges.

To all brethren who have assisted me and have made the year, in this important office, so pleasant and enjoyable, I extend my sincere gratitude. My year in office has been most rewarding to me and I extend to W. Bro. W. G. Mitchell congratulations and my sincere wish that he may have the same measure of pleasure and satisfaction, during his term of office.

Most Worshipful Brother Collett, it has been an honor, to be your District Deputy, during this Masonic year. The experience and education I derived from it, will be remembered a long time and I hope to use it at some future time to help, aid and assist my brethren.

GEO. S. STEWART,
D.D.G.M. District No. 5

DISTRICT No. 6

I have the honor to submit for your consideration, my report as District Deputy Grand Master of District No. 6, for the year 1964-1965. I was able to comply with your letter, and was able to make an official visit to each lodge in the district prior to the District Meeting. During the visits, the necessity of attending the District Meeting was strongly urged upon the Brethren. On the occasions of my official visits, I was received with Grand Honors and given a most cordial welcome. Without exception, the secretaries of the lodges were most cooperative, and all books and records were very well kept and up to date. The Worshipful Masters and their officers conducted the meetings in a most efficient manner.

District Meeting—The annual District Meeting was held in the High River Masonic Temple on Thursday, October 29th, 1964, with Cornerstone Lodge No. 19 acting as host lodge. There were approximately one hundred Brethren in attendance. The banquet was at 6:30 and the business meeting opened at 8:00.

It was my pleasure to receive you, Most Worshipful Sir, and your other Grand Lodge Officers at this meeting. Your address to the Brethren was sincerely enjoyed by all.

After the reading of the minutes of the previous meeting, the memorial service as recommended was given.

R.W. Bro. E. H. Rivers read a paper entitled: "The Masonic Funeral Service—Is It Desirable Today?" which he had prepared and given previously at the Conference of the Grand Secretaries held in Kansas City, Missouri. Following this paper, a member from each lodge in the District gave a three to five minute paper either for, or against the Masonic Funeral Service as it is conducted today. A lively discussion period followed.

W. Bro R. R. Down of Mount Lebanon Lodge No 54 was elected as D.D.G.M. for 1965-1966, subject to the approval of the Grand Master. The District Meeting will be held in Calgary.

Visits to Lodges—During my term of office I attended all festival meetings in the District except one. In January it was my pleasure to act as Installing Master for the joint installation of three country lodges: Nanton. No 17, Cornerstone, No 19 and Granite No. 127. This joint festival meeting was held in Granite Lodge No. 127 at Blackie.

Lodge Work and Records—In both rites, I found the work to be given in a sincere and capable manner. Lodge records on the whole are well kept with the exception of some historical Registers. Financially, all District Lodges are sound.

Inter-Lodge Visitation—District No. 6 continues to uphold its reputation for sincere fellowship throughout the District.

Area Meeting—The area meeting was held in Calgary and the panel discussion conducted by several Grand Lodge Officers was especially interesting. There were approximately one hundred and twenty Brethren in attendance.

Higher Education Bursary Fund—At all meetings which I attended, all-out support was stressed for this fund, and I believe when the reports are all in, they will show some increase in donations.

Lodge Halls—In all cases, lodge halls are quite adequate, with major improvements having been made in the past year.

Special Events—On September 12th, 1964 it was my pleasure to take part in the Constituting and Consecration of Kelvingrove Lodge No. 187 in Calgary.

In closing, I wish to express my thanks and appreciation to the Brethren of my own Lodge for their support and faith in me, and to all the Brethren of District No. 6 for their courtesy, kindness and charity extended to me while carrying out the duties of DDGM.

Most Worshipful Brother Collett, it has been an honor to be your Deputy during this Masonic year. I trust that my efforts on behalf of yourself and the Craft have met with your approval.

J. M. LONGSON,

DDGM, District No 6

DISTRICT No. 7

It has been a great honor and a very pleasant experience to have served as your Deputy in this District during the past twelve months. Your personal interest in our District, your visits to our Lodges, and your inspirational addresses are greatly appreciated by all of us.

The ready and efficient help of your Grand Secretary, R.W. Bro. Rivers, and of his Assistant, W. Bro. Dunford, has gone a great way toward making my work easier and my term more pleasant.

Each Lodge in District No. 7 has been visited once officially and twice, or more, unofficially. Each Worshipful Master and his officers made me very welcome. The friendliness of all gave me the opportunity to get acquainted and made me feel very much a member of the Lodge. The work in every Lodge appeared to be well in hand and the business well conducted. Due to lack of candidates there was little degree work.

At all my visits I was most fortunate in having the company and support of a goodly number of brethren from my own Lodge, Charity, No. 67, and from sister Lodges in both Districts 7 and 11. There were those who organized carloads of brethren to accompany me, and also those who could not come but wished me well. To all of them I am greatly indebted.

The District Meeting on November 5th, 1964, was well attended. Every Lodge was represented. We had the honor of having with us R.W. Bro. A. J. G. Lauder, Deputy Grand Master, the Assistant Grand Secretary, W. Bro. M. P. Dunford, and V.W. Bro. H. A. Ferguson, Grand Steward, Cairo 32. Claresholm. The afternoon session, from 4:00 to 5:15, dealt with the Memorial Service and the Masonic Funeral Ceremony. The discussion was lively and interesting and much of the general feeling of the District was discovered regarding these two topics. The Memorial Service was conducted by R.W. Bro. Rev. H. A. Cante'lon, Evergreen No. 166, Edmonton, Bro. A. K. Putland was organist. The service was dignified and stirring.

The "Get-Acquainted-Time" at 5:15 p.m. was held in the Alberta Room of the El Rancho Motel as was the supper which followed at 6:00, and concluded with a toast to "The Grand Master and Our Grand Lodge" proposed by Bro. David Gibson, Lethbridge 39, and appropriately responded to by R.W. Bro. Lauder. The meeting proper, in the Masonic Hall, Lethbridge, was opened shortly after 8:00 p.m. R.W. Bro. R. M. Christie, Chief Mountain No. 58, Acting Director of Ceremonies, introduced R.W. Bro. Lauder, Deputy Grand Master and other distinguished guests.

R.W. Bro. Willard A. Robertson, who gave us such excellent service as District Deputy last term, was presented with his Past District Deputy Grand Master's Regalia by R.W. Bro. Lauder. Reports received from each Lodge through their Worshipful Master dealt mainly with the special activities of their Lodge. The majority expressed regret and concern at the small attendance at their meetings and of lack of candidates. The Ryerson Christie Attendance Shield was won, for the second consecutive year, by Sharon Lodge No. 157, with an average attendance of resident members of 71%.

The unanimous choice of the meeting for District Deputy for the year 1965-1966 was W. Bro. J. M. Williams, Doric No. 31, Taber. W. Bro. Williams is a loyal, hard working member who has always shown a great interest in Masonry in this District, and is one who stands high in the esteem of his community. We can look forward to a good year under his Deputyship.

It was unanimously agreed that, in future, the notice of the District Meeting should carry a complete roll of the Past District Deputies with the year of service. Through the kindness of R.W. Bro. Alex Stewart, Doric 31, a complete roll is now in our hands.

The message brought by R.W. Bro. Lauder was both timely and helpful. We appreciate having his direction and assistance for both afternoon and evening sessions.

On November 20th, at the kindly invitation of R.W. Bro. Rivers, Grand Secretary, the Secretaries and District Deputies of Districts Nos. 2, 7, 8 and 11 met as his guests at a dinner held in the El Rancho Motel in Lethbridge.

Accompanying R.W. Bro. Rivers was the Grand Master, M.W. Bro. Collett and W. Bro. Dunford, Assistant to the Grand Secretary.

The meeting was well attended. All but three of the Area Secretaries were present, and each District was represented by its Deputy.

The evening was in free-and-easy form at the dinner table following the meal. Questions relating to the work of the Secretary were asked and answered, new procedures explained, and new printed forms introduced. The Secretaries and District Deputies were asked to send their book, "Instructions to the Secretary" in to the Grand Lodge office to have these new forms inserted. It was a very profitable evening for all of us, particularly the newly-installed Secretary.

The Area Meeting, on March 29th, 1965, was a success. There were 122 sat down to the supper following the "Friendly Hour" at the El Rancho Motel Rainbow Room, Lethbridge.

At the evening meeting in the Masonic Hall, Lethbridge, all four Districts were represented. No. 2 with 21; No. 7 with 47; No. 8 with 32; and No. 11 with 44, a total of 144. In addition to these we were honored with the presence of the Grand Master, the Deputy Grand Master, the two Grand Wardens, and the Grand Secretary. There were also three Brethren accompanying the Grand Lodge Officers from Lodges outside of the Area, making a grand total of 152.

A demonstration of the coaching of a candidate through the degrees, using the Mentor Plan, was given by R.W. Bro. Lauder, Deputy Grand Master, assisted by R.W. Bro. T. G. Towers, Senior Grand Warden and R.W. Bro. B. Brown, Junior Grand Warden. As coaching is a most important part of our work this panel gave us a great deal of help.

W. Bro. C. E. Sanders, Ashlar 28, spoke for the Grand Master's Special Committee. R.W. Bro. Towers spoke on the Higher Education Bursary Fund, and R.W. Bro. Brown spoke on the Benevolent Fund. Your address, Most Worshipful Sir, was the highlight of the evening. It was a great pleasure and inspiration to listen to you, and the unanimous and enthusiastic thanks of all present was shown in the standing ovation accorded you.

On my visits to the Lodges I found that the related topics of the Memorial Service and the Masonic Funeral Ceremony, as well as those of attendance and the research and education programme, were predominant in the minds of the brethren.

The Memorial Service in its present form has been, I feel, accepted as a practical, inspiring and beautiful service for use within the Lodge.

The use of the Masonic Funeral Ceremony is, perhaps, influenced by location. It can be readily understood that, in the larger cities, the request for this ceremony could become almost a burden, and many of the requests may come from those, who, due to various circumstances,

are only temporary residents of the city. Sympathy, understanding and comfort, could in such cases perhaps be best shown the bereaved by representatives of their own church whose service is familiar and therefore comforting to them.

In the rural communities losses through death are a very personal matter to almost every member of that community. Neighbors of many years form the congregation, take their place in the choir, open the grave, and perform many acts of thoughtfulness, while the Lodge supervises the details and makes sure all are in order. Here the Masonic Ceremony is expected. But changes take place as time goes on, and we find farmers and owners of businesses in the small towns moving into the city to avail themselves of schools, colleges, hospitals, etc. The close-knit neighborliness of the rural community is, to some extent lost in the city where a more casual friendship takes its place. Through such change the ceremony could become obsolete after many years.

Small attendance is a constant worry to the Worshipful Master and his officers, but much is being done and some actual increase, I believe, can be reported. Some Lodges have put on "Special Nights" of various kinds, and had varying results. They have worked hard and keep trying different methods and ideas. Some of the brethren are of the opinion that we have been content with "surface cultivation", to use a farm term; that we have been content to open the meeting, hurry through the business period, close, have lunch and go home. Through the efforts of the local Lodge Committees for Research and Education progress has been made which promises better attendance and greater interest. Through the untiring efforts of our Area Representative for this Committee, R.W. Bro. E. H. Risler, York 119, the four Lethbridge City Lodges have formed a Committee which has arranged a series of papers for a ten-month period, the topics for which have been suggested by the Grand Lodge Committee programme in our hands. Each of these papers is presented to each of the four city Lodges in Lethbridge, and I was very pleased when one of these papers was taken to Lucerne 159, Vauxhall, recently for their regular meeting. As soon as it can be arranged more of the country Lodges will receive these papers. The country Lodges are being encouraged to prepare papers and bring them into the city Lodges. Such an exchange will not only increase the interest in the deeper aspects of Masonry but will result in increased attendance and visitation.

As an incentive to these two objectives, attendance and visitations, is "The Travelling Gavel" which was promoted by Bro. Max Freed, Charity 67. This massive instrument, at least four times larger than normal, is being taken from Lodge to Lodge in Districts 7 and 11. This is not an ordinary "travelling something-or-other". Competition is involved. The (unannounced) visitors carrying the gavel try to bring with them sufficient of their resident members to present a majority over those in attendance at the host Lodge. The Lodge with the smaller number pay five cents per head of the deficit and the proceeds go to the Higher Education Bursary Fund. No Lodge may hold the gavel over for more than one meeting before presenting it to another Lodge. Since it started we have had four really fine meetings of good fellowship and good attendance.

With our District Annual Return showing only eight initiates and a net decrease of 24 of which 14 were deaths, one wonders how long we may be able to operate under such conditions. There are many distractions which account for much of the poor attendance and small number of applications. It may be safe to say that never before have

there been so many organizations, and ready-made amusements inside and outside of the home, organization for both adults and children which extend all the way from individual and team sports to church and civic bodies requiring many committees and officials to manage and operate them. They all seem very important and it is not easy to complain when they deplete our number at Lodge. One distraction, to which we lose several of our newest members each year, hurts. An incident of this occurred while we were attending a Master's Degree and the Worshipful Master remarked to me that we would not see this candidate in Lodge again—"as he was going on into the 'so-called' higher degree". We lose the attendance and service of these younger men. We also lose some of our older members for the same reason.

We must accept some blame in the loss of the older brothers. We had them with us but did not hold them. With the younger ones there is hope. By using the Mentor Plan and a more thorough system of coaching by mature, studious brethren who are capable of imparting to the candidate the deeper meanings of Masonry, arousing their interest, and then employing them in the work of the Lodge, we will not only hold our candidates but we will have Masons worthy of the name. The Grand Lodge Committee for Research and Education through the Area and Lodge sub-committee will enable us to maintain this interest, not only for candidates, but for all of us.

REG. DAYMAN,

D.D.G.M., District No. 7

DISTRICT No. 8

It has been an honour and privilege to serve as your Deputy in this District. My sincere thanks to the members who made this privilege and pleasure a possibility. My term of office has been both educational and informative. I can sincerely report that there is a commendable fraternal spirit in evidence throughout this district and the prospects for a continuation of this atmosphere are excellent. It was my good fortune to be in office during the time that many of the Lodges were celebrating special occasions, to them I extend my thanks for their hospitality and my regrets to those whose invitations I was unable to accept. It is a pleasure to express my appreciation to W. Bro. W. Vincent, W. Bro. Galbraith and W. Bro. E. Allen, all of Summit Lodge, who faithfully accompanied me on all my official visits. Their company helped to shorten many a 'midnight' mile.

The Annual District meeting was held in Coleman with the members of Summit Lodge acting as hosts. Approximately ninety members were present at both the banquet and the District Meeting. You, Sir, were very ably represented by R.W. Bro. A. J. G. Lauder, Deputy Grand Master, who inspired the members present with his address. The Officers of Summit Lodge performed a demonstrative ceremony of the Memorial Service, after which a discussion period was held on the proposed service. It was the feeling of the majority of the members that the Service should be used on requisite occasions in the future. R.W. Bro. W. C. Johnston gave a report of his work as District Deputy for the previous year and was subsequently presented with the P.D.D.G.M. Regalia by R.W. Bro. Lauder. W. Bro. A. L. Wadstein of Spitzie No. 6, was elected District Deputy for 1965-66, subject to usual approval. Members accepted the invitation to hold the 1965 meeting at Pincher Creek.

The Secretaries meeting at Lethbridge on November 20th, 1964 was an unqualified success. I am happy to report that all Lodges in District

No. 8 were represented. Your presence, along with that of R.W. Bro. Rivers and also W. Bro. Dunford, gave the meeting invaluable direction as to the duties and potentialities of the office of Lodge Secretary. The informal discussions were beneficial to all those who were present. I am sure that the newer Secretaries benefitted from the experience of those who have held this office for a number of years. It was particularly gratifying that members from all over Southern Alberta could meet in a relatively small group for the interchange of ideas on lodge secretarial procedures. May this very valuable practice be continued.

Undoubtedly the highlight for the year in District No. 8 was the opening of the new Lodge building by Rocky Mountain No. 86. For fifty years the members of this Lodge held their communications in rented quarters. However, in 1964, due to the concerted efforts of dedicated brethren, the Lodge was able to move into its new building. Because of a decline in population the church at Frank was unoccupied, incidentally, this is one of the few buildings now remaining that predate the Frank Slide. To mention names is dangerous, but all of the other members of Rocky Mountain Lodge will forgive me if I pay particular tribute to W. Bro. Art Williams and W. Bro. B. Bosetti, who exemplified Masonry in both its operative and its speculative aspect in this particular work. With comparatively modest financial outlay but with colossal manual effort, the Lodge members have transformed this old building into modern, functional Lodge quarters, complete with Lodge room and banquet area.

One could consider the official opening as being held on November 28th, 1964. Once again, M.W. Sir, it was a privilege to welcome you together with your retinal on this date. Your attendance, along with M.W. Bro. McQueen, R.W. Bro. Rivers, W. Bro. Dunford and other Grand Lodge dignitaries made for a very successful event. The evening meeting was opened by W. Bro. John Kerr and after your reception a service of Thanksgiving was conducted by W. Bro. Alfred McKay. This was followed by the presentation of Life Membership to R.W. Bro. E. A. Harper, whose association with Rocky Mountain Lodge has been productive and beneficial for many years. R.W. Bro. Harry Gunn of Spitzie No. 6 was to have been present to receive his Sixty Year Bar, but was unfortunately sick. R.W. Bro. Gunn was the District Deputy in 1914 when Rocky Mountain was granted its charter.

Your address on the importance of one individual producing just one idea or ideal and carrying through with this project to its conclusion, was both inspirational and provocative of deep thought. The Lodge ceremony was followed by a banquet ably presided over by V.W. Bro. R. B. Burgman. It was my privilege to address the gathering at this time.

The Area Meeting held on Monday, March 29th, in Lethbridge was well attended by members of District No. 8. As usual, this proved to be a very useful type of meeting. Of particular benefit were explanations given by R.W. Bro. Towers and R.W. Bro. Brown on the topics of Higher Education Bursary and Benevolence, respectively. I feel sure that their addresses did a great deal towards clearing up any misconceptions about these particular topics. Congratulations are to be extended to R.W. Bro. Dayman for his efficient preparations.

Alberta No. 3, Fort Macleod: There were 27 members and visitors present. The Lodge business was conducted in a very efficient manner, one petition was received. The discussion showed clearly that the members take an active part in lodge proceedings. I cannot commend too highly the progress that is being made in establishing a Masonic Museum. The tradition of an international visitation with Helena No. 3, Montana, is being maintained.

Spitzie No. 6, Pincher Creek. There were eighteen members and visitors present. The lodge is active and there is an excellent fraternal spirit in evidence. On February 2nd, 1965 I had the pleasure of being present when R.W. Bro. Harry Gunn was presented with his Sixty Year Bar to the Fifty Year Jewel.

Sentinel No. 26, Hillcrest. There were 27 members and visitors present. The first degree was conferred in an excellent manner. This Lodge appears to be recovering from the impact of the mines shutting down. My personal thanks and appreciation to R.W. Bro. F. Padgett for his continued devotion to the cause of Masonry in the Crow's Nest Pass, he has just completed his 27th year as Secretary of Sentinel Lodge No. 26.

Summit No. 30, Coleman. There were 27 members and visitors present. The First Degree was conferred on one candidate with efficiency. This Lodge is enjoying a period of increased activity, during the last two years there have been ten candidates for the degrees. It was unfortunate for the Lodge when Bro. Fisher moved to Nelson, B.C., however W. Bro. Murdoch filled the breach and the Lodge prospers under his guidance.

Cairo No. 32, Claresholm. There were 23 members and visitors present, while there has been no degree work during the year, the Lodge seems active and sound. I was particularly impressed with the friendly and fraternal atmosphere. Cairo is earnestly promoting Masonic Education, they have received two visits from the Education Committee of Grand Lodge.

Stavely No. 33, Stavely. There were 26 members and visitors present. This Lodge has been very active during the year, there is a spirit of harmony and fellowship prevalent in the Lodge. During my visit I had the pleasure of hearing two visitors from Calgary deliver reviews of the Proceedings.

Joppa No. 40, Granum. There were 17 members and visitors present. While no degrees have been conferred it is evident that this Lodge is active. This Lodge is a dynamic force in the community, the members are to be complimented on their activities. Work is progressing on the Historical Register.

Chinook No. 47, Cowley. There were 20 members and visitors present. Again no degrees have been conferred but there is every evidence of activity. It was encouraging to note that the Lodge was represented at every special Masonic activity in the district. The Lodge, though small, is big in fraternal activities.

Rocky Mountain No. 86, Frank. There were 29 members and visitors present. This Lodge is very active and is efficiently operated. Interest in Masonry is clearly shown by the four candidates who received their Master Mason's Degrees and by the building project being completed. Particular tribute should be paid to the Secretary for the professional manner in which all Lodge transactions are recorded and filed.

It is my firm opinion that Masonry in District No. 8 is on a solid foundation, each Lodge has a core of older members who are giving guidance to the younger Masons. Equally encouraging is the competent manner in which the newer Lodge members are assuming their share of Lodge responsibility. Most Worshipful Brother Collett, it has been an honour to be your District Deputy this year, the experience has been fruitful and rewarding.

HORACE ALLEN,
D.D.G.M. District No. 8.

DISTRICT No. 9

The District Meeting was held in Castor on August 14, 1964. A good representation of the brethren of the district was in attendance and the tone of the meeting was serious and enthusiastic. The presence of R.W. Bro. Bernie Brown, J.G.W. added immeasurably to the success of the meeting. Special note must be made concerning an Open Forum in the afternoon moderated by R.W. Bro. Brown. The candid discussion during this period of the meeting accomplished much in furthering a better understanding between Grand Lodge and the subordinate lodges in the District.

A panel discussion moderated by W. Bro. Guy Tomilson (56) concerning the matter of Masonic funerals seemed to be very well received by the brethren and although a vote on the question was not taken, the general attitude indicated that a memorial service in the Lodge premises at a meeting following the demise of a brother was generally preferable to the present established funeral custom.

W. Bro. G. A. Wetter (56) presented a most excellent paper entitled: "Perfection".

The following visits were made

Apollo Lodge No. 27—Official 2, others 4—Apollo Lodge continues to show excellent operations Masonically. Special mention must be made of the superb manner in which the work and administration of the Lodge is being handled by W. Bro. R. N. Capel. Books and records are in excellent condition and the Historical Register is up to date.

Ionic Lodge No. 45—Official 2—The books and records are up to date and the officers are proficient in their work. A friendly and hospitable atmosphere prevails at meetings.

Beaver Lodge No. 56—Official 1—The books and records are in good condition, although the Historical Register shows neglect. The officers are proficient in their work and there has been an increase in the degrees conferred. The prospects of this lodge would appear to be improving. The lodge has undertaken to use the memorial service with respect to brethren who have passed on.

Coronation Lodge No. 72—Official 1, others 4—W. Bro. A. J. James is to be highly commended for his supervision of Coronation Lodge. Masonic Education is being stressed and enthusiastically received. During the year two addresses and three tapes have been presented. A meeting was held to honour Charter and Senior Members of the Lodge as follows: J. G. Odell, H. A. Craig, A. W. Thoroughman, W. R. Townsend, T. Gillard, W. S. McInnis, I. B. Lutz, A. K. Robertson, R. B. Sorenson, C. E. Gerhart, R. L. Falconer, W. A. Lamrock, R. Ellis, and B. Hall. The books and records are in excellent condition and the prospects of the Lodge are excellent.

Fidelity Lodge No. 76—Official 1, other 1—Fidelity Lodge too, is using the Memorial Type of service for departed brethren. The members are to be congratulated for the very fine fraternal spirit that exists. The books and records are in good condition and the work is presented well.

Monitor No. 120—Official 2—Monitor Lodge continues to carry on in a spirit of true fraternalism. The books and records are good and the work is well presented.

Big Valley No. 140—Official 1, other 1—Hospitality is one of the key factors in the success of this lodge. The brethren of the lodge enjoy receiving visitors from other Lodges and the visitors are made to feel very welcome indeed. The books and records are satisfactory and the work well attended.

Ancient Landmark No. 163—Official 2—The books and records are in good order and the work is good. The lodge is to be congratulated for the fine manner in which it is carrying on.

It is interesting to note that the Memorial Service is becoming more and more popular in the District. The support to the Higher Education Bursary Fund is quite good and increasing stress is being placed on Masonic Education.

My thanks and appreciation are extended to my District Secretary, the brethren of Beaver Lodge for their indulgence in accompanying me to the various lodges I have visited during the year, and also to the brethren of all the lodges for the fine hospitality I have enjoyed and the co-operation which has been extended to me.

A. WILKIE,
D.D.G.M., District No. 9

DISTRICT No. 10

It is with great pleasure that I submit my report for District No. 10 covering the year 1964-1965 to you for your consideration and approval. First I would like to say, it has been an honor and privilege to have been D.D.G.M. for District No. 10 and I wish to thank you Most Worshipful Sir, and all the brethren of District No. 10. I have enjoyed every visit I have made.

Every Lodge has been visited three times. Once unofficially, once officially and once again unofficially. The first visit was to become known to all the Lodges in the District and to promote attendance at District Meeting.

The District Meeting was held in Vermilion on Wednesday, October 21st, with an open discussion period from 3:00 p.m. to 4:30 p.m. at which time many interesting matters were discussed informally. Registration began at 4:30 p.m. and District Meeting was opened by myself and the officers of Vermilion Lodge at 5:00 p.m. After the minutes were read the meeting was called to refreshment till 7:30 p.m. during which time all present enjoyed a very lovely supper provided by the ladies of Queen Esther Chapter O.E.S. There were 86 in attendance at District Meeting, every Lodge in the District being represented by one

or more of their senior officers, one or more Past Masters as well as many Master Masons, with eight visitors from other Lodges and Districts, including Rt. Wor. Bro. E. H. Rivers, our Grand Secretary. The Grand Master being represented by the J.G.W. Rt. Wor. Bro. Bernie Brown. The Memorial Service was held for all departed brothers, a paper given by Bro. Rev. Carlton Miller (The Bible and Masonry), a report from Rt. Wor. Bro. V. T. Young (I.P.D.D.G.M.) after which M. Wor. Bro. Sam Hardin presented Rt. Wor. Bro. Young with the Apron and Jewel of a P.D.D.G.M. There being only one nomination for D.D.G.M. by Kitscoty Lodge No. 131 Wor. Bro. Chas. W. Boyce of Marwayne, Alberta was elected D.D.G.M. for 1965-1966 subject to Grand Lodge approval. The next District Meeting to be held at Kitscoty, Alberta. Rt. Wor. Bro. Bernie Brown then gave a pleasing and informative address to the meeting and District Meeting closed at 10:00 p.m.

Lodge Work and Records—At all visits the reception I received was friendly and sincere. All Lodges are efficient with their work and their records are well kept. The historical registers in two Lodges should be brought up to date. I would also suggest that as much as possible the younger members in all Lodges should be given work to do so as to retain their attendance thereby keeping the Lodge active. There are two Lodges in the District where this has not been done and they are both falling behind as a result. All the Lodges are financially sound and are paying their way, however I feel in many the dues are too low for easy financing.

Attendance is generally better in the country Lodges than in the city Lodges but with the introduction of the new Education Program I hope to see an increase in attendance, both city and country, as I am sure the lack of attendance is due to lack of interest and a lack of active work within the Lodges. Without interest few men or Masons will spend the time to attend a business meeting.

Area Meeting was held in Edmonton with the Grand Master in attendance along with many Grand Lodge officers. It was well attended but there seemed to be a lack of younger members. I would suggest greater encouragement be given to younger and new Masons to attend District Meetings, Area Meetings and Grand Lodge

Other Activities. This year some of the brethren of District No. 10 attended a Golf Tournament in Vermilion and although the attendance was less than hoped we expect a larger turnout next year. As D.D.G.M. I put up a small prize which I hope will be continued from year to year. Bro. Dr. A. Ben King took the honors for Vermilion Lodge this year and the trophy is here next summer for the winner. The annual District Curling Bonspiel at Vegreville was again a success with everyone enjoying themselves. St. George's No. 169, Elk Point (Dr. Miller's rink) went home with all the honors.

General Comments: I was privileged to attend the installation of Officers of Norwood No. 90, where I saw the work well done by Rt. Wor. V. T. Young and his officers. I am also expecting to attend other installations in June of this year. I was also in attendance at many social evenings by several Lodges and together with my wife enjoyed every minute of them. I also made a third visit to all the country Lodges to explain the education program and to get each Lodge to appoint a committee of two to work with the Grand Lodge committee. Hope Lodge, No. 38, at Mannville, presented a 50-year Jewel to R. Wor. Bro. Dickson and I was much honored to attend along with M. Wor. Bro. Heckbert and other past Grand Lodge Officers. I wish to thank my District Secretary, Bro. J. K. Greenwood, for his fine work and

many hours he spent on the road with me. Ken being S.W. of Vermilion Lodge has had a very heavy year, but missed very few trips with me.

Once again I wish to say I have been honored and pleased to serve as D.D.G.M. under you M. Wor. Bro. Dr. Collett. I hope my service has been to your satisfaction and that my successor, W. Bro. Chas. W. Boyce enjoys his coming year and that it will give him the satisfaction and enjoyment this year has given me.

M. P. NORTON,
D.D.G.M. District No. 10

DISTRICT No. 11

Our District Meeting was held in Vulcan on Nov. 4th. The banquet was the occasion of the Vulcan Lodge No. 74 annual Wild Fowl Supper, which was well prepared and served by the brethren of the Lodge. Following the banquet M.W. Bro. The Rt. Rev. George R. Calvert, Past Grand Master of the Grand Lodge of Manitoba and Bishop of Calgary, gave us a most inspiring address, relating his experiences in Masonry from his Initiation to the present time, illustrating how Masonry gives to each of us a way to live and fulfill our lives. Following this address, Lodge was opened in the Vulcan Lodge Hall with the officers of Vulcan Lodge No. 74 assisting. Rt. W. Bro. A. J. G. Lauder, Deputy Grand Master and several other Past Grand Lodge Officers were received in Form and conducted to the East. Following a Memorial Service for departed Brethren of the District, the business of the District was conducted, at which time W. Bro. J. W. Murray of North Star Lodge No. 4 was elected D.D.G.M. for the year 1965-66. Rt. W. Bro. E. H. Risler was presented with his P.D.D.G.M.'s Regalia by his son, W. Bro. E. A. Risler. A most interesting and lively discussion was conducted by Rt. W. Bro. H. Mumby and his panel on Masonic Funerals that concluded the meeting.

Due to the inclement weather during the fall, I was forced to delay my Official Visits until late in the year, some of which ran into the New Year. On all occasions I received wonderful hospitality and courtesy. Although our District has again decreased in membership, I observed that all Lodges are in good financial condition, and that Masonry is sound within. Most Lodges reported the prospects good. Historical Registers were up to date fairly well, with the exception of two Lodges that are endeavoring to accomplish this. Attendance is a problem with many Lodges, particularly with the smaller Lodges.

On my Official visit to York Lodge No. 119, it was my pleasure to present on your behalf M.W. Sir, the Certificate of Appointment as Grand Representative of the Grand Lodge Alpina of Switzerland to Rt. W. Bro. E. H. Risler.

I endeavored in my remarks to all the Lodges to convey your wishes in regard to the Higher Education Bursary Fund and to stress the need to further Masonic Education, that was my theme in my address to the Lodges.

May I at this time on behalf of myself and the secretaries of the District, express our thanks and appreciation for the banquet and enlightening meeting held in Lethbridge for the secretaries of southern Alberta that was hosted by the Grand Secretary's Office.

Having just returned from the Area Meeting may I congratulate the Grand Lodge Officers on a most successful meeting, indicated by the increased attendance each year and I feel that these meetings are going to be recognized as a Masonic Highlight of each year.

I had the privilege of being invited to be the Installing Master for the Installation of six of the Lodges of which two were joint, and assisted in one other installation. My thanks to the several Brethren who assisted me on these occasions.

Champion Lodge No. 84 celebrated their Fiftieth Anniversary on April 23rd, 1965. The emergent meeting was opened at 4:00 p.m. in the Champion Lodge Hall and the M.W. Grand Master and other Grand Lodge Officers were received. The Thanksgiving Service was conducted by Bro. Rev. O. Seward of Cairo, No. 32, Claresholm in which he pointed out how much we cherish the work and foresight of those who established, and worked in building, our Lodges and Masonry.

It was my pleasure to present on behalf of Champion Lodge a Candle Snuffer as a recognition of the contributions made by the members who established and maintained the Lodge for the last fifty years. Most Wor. Bro. D. D. McQueen presented on behalf of Rt. Wor. Bro. D. D. Penman of Patricia Lodge, No. 91, Edmonton, a set of gavels he had made, and Bro. McQueen noted that the wood used had come from a chair that had been in the Hotel at Frank, Alberta, at the time of the historical slide in 1903. Rr. Wor. Bro. Rivers then presented, on behalf of Rt. Wor. Bro. L. N. Voisey, a set of working tools in a beautiful case made by Rt. Wor. Bro. Penman as a memorial to his father, the late Rt. Wor. Bro. Guy E. Voisey. The Lodge meeting terminated with an address by M.W. Bro. D. D. McQueen on "A Glimpse Into the Future of Masonry".

Following a social hour in the Community Hall we were then served a delicious meal, and after the various toasts the M.W. Grand Master delivered a most inspiring and instructive address that was enjoyed by all.

In conclusion, I wish to express my gratitude to the Brethren of the District in electing me to this high office. It has been an honor and a privilege to have served you and the District as D.D.G.M. I also wish to thank Rt. W. Bro. D. Montgomery, who acted as the District Secretary.

To my successor, Wor. Bro. J. W. Murray, I extend my help and assurance of a warm and friendly welcome by the Brethren of the District, and can assure him many pleasant experiences await him during his term of office.

STUART F. CAMPBELL,
D.D.G.M. District No. 11

DISTRICT No. 12

The task of serving as your representative in District No. 12 has been greatly lightened by the ground work laid by my capable predecessors and by the sincere and interested assistance accorded by the member Lodges, and by the Grand Lodge office. It has been an honor to have the privilege of serving, and I would express my appreciation to the brethren of District No. 12 for having elected me and to you, M.W. Sir, for having confirmed the election.

I am proud to report that the condition of Masonry is very good in District No. 12:

Jasper Lodge, No. 14, is our oldest Lodge, but young in spirit. Its officers are dedicated to Masonry, eager to learn and to teach, and a real pillar of strength to the District.

Patricia Lodge, No. 91, while momentarily diminishing in numbers, could be used as a standard for quality. As the Mother Lodge of R.W. Bro. Dave Penman, Senior Past D.D.G.M. of District No. 12, it has and does use his wisdom, and the officers are a portrayal of dignity.

Saskatchewan Lodge, No. 92—my Mother Lodge, supported me tremendously throughout all my official visits. The Officers under Wor. Bro. C. D. C. Jones, together with our Past Masters, added to their duties of conducting the affairs of a very active Lodge, many tasks which contributed immeasurably to a successful year for District No. 12.

West Edmonton Lodge, No. 101, is a warm and friendly Lodge, capably directed and taking full advantage of having the ultimate in a Lodge Secretary in the person of R.W. Bro. Roy Martins.

Pembina Lodge, No. 126, is a small Lodge beset with the problems of a rural Lodge. The dedication of its officers and the interest of its members, however, will no doubt enable it to overcome its obstacles and remain strong Masonically.

Onoway Lodge No. 138, happily celebrated its fortieth anniversary coincident with my official visit and I was indeed very happy to join this stalwart group of brethren as they enjoyed their reminiscences. This is a very strong little Lodge and has little to fear of the future.

Ivanhoe Lodge, No. 142, is a lively Lodge, rich in tradition, and has an exceptional line up of officers who are dedicated to the Craft and strike an admirable balance between Labor and Refreshment. The members are justifiably very proud of their Lodge.

Mayerthorpe Lodge, No. 148, is a rural Lodge whose members are very serious about Freemasonry and who appear to use Masonic teachings in their day to day life in that they are conscious of, and active in, their community affairs.

Whitecourt Lodge, No. 153, is a very efficient and hard working rural Lodge. In 1964 they hosted the District meeting and their efforts were greatly appreciated by the Lodges in the District. They have a very sensible approach to their building program and have built a very fine little temple. They are, indeed, an asset to our District.

Evergreen Lodge, No. 166, is a fast growing Lodge, whose membership appears to be void of deadwood. Through their vital eagerness the officers have retained quality while gaining quantity.

Mystic Tie, No. 188, is our baby Lodge, having been Constituted and Consecrated by yourself, M.W. Sir, September 19th, 1964. They suffer the growing pains normally attendant with a new Lodge, but the apparent dedication of its officers and members will soon stand them solidly on their feet and make them a vital force in Freemasonry.

The District No. 12 meeting was made an outstanding success by the goodly attendance and by the eager participation in the discussions. Masonry flowed at this meeting held in Whitecourt, and I owe much thanks to all Lodges in the District for their help.

As your representative M.W. Sir, I was honored to be invited to act as Installing Master for a joint Installation of Whitecourt and Mayerthorpe Lodges. Again, I owe much thanks to all who participated but most especially to Wor. Bro. Wm. L. Sharp (92) who shared the duties of Installing Master with me, and to Wor. Bro. C. D. C. Jones (92) and Wor. Bro. Ben Robinson (142), who shared the duties of Director of Ceremonies.

District Deputy Grand Master-Elect for District No. 12 (subject to confirmation) is Wor. Bro. Ben Robinson of Ivanhoe Lodge No. 142, and to him I wish the same wonderful support that I have had, which will ensure him a very successful year.

In general I would report that, while District No. 12 has decreased in quantity by 38 members during the year, the quality of Masonry remains in the highest and all Lodges are financially stable. Our arrears of dues are problematic but not dangerous. Our level of payments for relief has been low and I can only pray that this is because there is little need and not because we could not find the need.

Finally, M.W. Sir, I sincerely thank you for the many kindnesses, visits, and consideration you have given to District No. 12, its member Lodges and to myself. I would also thank R.W. Bro. Rivers and the members of his office for their ready and cheerful help, and to R.W. Bro. J. Tait, who, despite crushing personal problems, carried on as Secretary for District No. 12.

GORDON H. BREMNESS,
D.D.G.M. District No. 12

DISTRICT No. 13

Our District Meeting was held at Fairview, Alberta, on July 6th, 1964. A total of 79 Brethren attended this meeting with all Lodges in the District represented. It was a pleasure and an honor to have so many Grand Lodge Officers with us on this occasion. Our Grand Master, M.W. Bro. W. J. Collett; R.W. Bro. E. H. Rivers, Grand Secretary, from Calgary, Deputy Grand Master, R.W. Bro. A. J. G. Lauder from Edmonton and M.W. Bro. Sam Harris, Past Grand Master, from High Prairie. We were also fortunate in having so many P.D.D.G.M.'s attend.

At the request of Grand Lodge the officers of Northland Lodge No. 147 demonstrated a new form of Memorial Service. The Grand Secretary outlined the history and background of the Service emphasizing no decision on its adoption would be made until all Lodges had an opportunity to SEE—HEAR and CRITICIZE. A general discussion followed with various opinions expressed.

The Grand Secretary spoke on the Bursary Fund, pointing out that NEED was the prime consideration in the choice of applicants. Stated 155 applications had been received, 87 screened and 28 accepted. R.W. Bro. Lauder, Deputy Grand Master, spoke briefly on the Mentor Plan. The presentation to P.D.D.G.M. Bro. Patrick was made by Past Grand Master, M.W. Bro. Sam Harris.

W. Bro. Alvin Norris of Peace River Lodge No. 89 accepted the nomination for the office of D.D.G.M. for the year 1965-1966. He was elected by acclamation subject to the pleasure of the Grand Master. An invitation to hold the next District Meeting in Peace River was

accepted with thanks. An inspiring address on the Ideals of Freemasonry was given by our Grand Master, which was thoroughly enjoyed by the Brethren.

Visits to Lodges—Unfavorable weather prevented completion of harvest until late October. Official visits were postponed in order to have better attendance. During the year I was able to officially visit all lodges in District No. 13. These meetings were all well attended and interesting. The meeting at Hythe Lodge No. 156 on October 29th, 1964, brought visitors from the B.C. Block as well as brethren from nearly all lodges in District No. 13, despite a rainy, muddy night.

I was pleased and honored to be asked to assist in the presentation of a Fifty-Year Jewel to R.W. Bro. T. A. Norris of Peace River Lodge No. 89, on November 5th, 1964. On December 10th, 1964, I again had the honor and pleasure of making the presentation on behalf of Grande Prairie Lodge No. 105 of a Fifty-Year Jewel to R.W. Bro. N. H. Swallow. Both of these Brethren have been outstanding in their efforts to promote the highest ideals of Freemasonry. At each presentation the lodge rooms were filled to capacity with representatives from every lodge in our District as well as visitors from other lodges.

Research and Education—During the early part of the year a Masonic Research and Education program under the able leadership of W. Bro. W. A. Kujath, assisted by W. Bro. King Crick, got under way. A meeting was held in Spirit River, Alberta, on November 18th, 1964. A Committee was formed and a program drawn up. Each lodge is responsible to produce at least one basic program to be presented during the calendar year, once at home, and also on three scheduled visits to other lodges, or upon invitation to other lodges outside the circuit. The Area was divided into two circuits. It is felt this will have a very beneficial effect on lodge attendance.

Lodge Work and Records—I am pleased to report all lodges have a friendly, optimistic atmosphere. The officers are capable and the meetings well conducted. The degree work is efficiently done and lodge records well kept with the exception of the Historical Register in two or three cases. I was assured every effort will be made to bring these up to date.

Finances—The financial condition of all lodges is sound. Wahpun Lodge No. 88 and Spirit River Lodge No. 116 are planning new Masonic halls. Hythe, No. 156, and Lake Saskatoon, No. 106, renovated their lodges during the year and they are bright and cheerful. All lodges are planning for future progress. With the present development taking place in the North, steady growth appears assured.

A greater effort should be made by lodge auditors and secretaries to complete the Financial statement and Work-done report on time. This criticism is intended for and directed to only two or three lodges who hold up the completion of reports to Grand Lodge.

Area Meeting—The Area meeting was held at Grande Prairie, Alberta, on Saturday, April 10th, 1965, starting with a banquet at 6 p.m. followed by the meeting in the lodge rooms at 8:00 p.m.

We were extremely fortunate to have with us from Grand Lodge our Grand Master, M.W. Bro. W. J. Collett; Past Grand Master, M.W. Bro. F. P. Galbraith; Deputy Grand Master, R.W. Bro. A. J. G. Lauder; Senior Grand Warden, R.W. Bro. T. G. Towers; Junior Grand Warden, R.W. Bro. B. Brown; the Grand Secretary, R.W. Bro. E. H. Rivers and District Deputy Grand Master, R.W. Bro. T. W. Clarke from District No. 4.

Each of the Grand Lodge Officers contributed in making it a most interesting meeting. The Panel discussion to demonstrate how a prospective candidate could be informed about Masonry was presided over by the Deputy Grand Master. Higher Education Bursary was dealt with by the Senior Grand Warden. Benevolence and related matters by the Junior Grand Warden. The Special Committee by R.W. Bro. T. W. Clarke.

Following this we had the Grand Master's address. This was a most excellent talk thoroughly enjoyed by all present. Seldom are we given the opportunity to hear such an inspiring address which drew so much favorable comment from the Brethren afterwards. I regret it was not tape recorded.

Sunday morning we attended the United Church Service as a body of Masons. There we again had the opportunity to hear our Grand Master give a talk on Palm Sunday, which was not only enjoyed by the large body of Masons who attended, but by a full congregation.

To all the Brethren who accompanied and assisted me, to all the lodges in District No. 13 for their kind hospitality and to the Officers of Grand Lodge for making the year in this important office rewarding and most enjoyable, may I say THANK YOU.

I take this opportunity to congratulate W. Bro. Alvin Norris, incoming D.D.G.M. My sincere wishes that his year in office will be as pleasant as mine.

T. R. CRAIG,
D.D.G.M. District No. 13

DISTRICT No. 14

First may I sincerely thank the officers and members of all Lodges for the cordial and warm reception extended me on my official as well as fraternal visits. In an effort to stimulate inter-lodge visitations and more interest in our District Meetings, I commenced these visitations following installation to office, and was able to make at least one unofficial visit to all Lodges in the District prior to the District Meetings. I feel these visits met with success as some inter-lodge visitations were carried out, and an increased attendance at the Annual District Meeting was very encouraging.

During these visitations I have attempted to emphasize the fundamental value of our Order to the individual and to society, the responsibility that each member bears to his Lodge in seeing to the maintenance of its standards; in the character of its membership; its public image in our society and the exemplification of the tenets it teaches.

With but few exceptions the work in the Lodges could be improved considerably. Officers in some instances showed a great deal of uncertainty, in the proper planning of their work and adequate practice was lacking. Too many of the Past Masters and senior members are being called upon to perform work that the Master or his officers should be assuming. It is desirable also that those who wish to be allotted work to do be so employed, however, this fine spirit of assistance should not be imposed upon.

The problem of attendance and increased membership still exists, although considering the number of resident members in each of the rural Lodges in this District and the long distances some are required

to travel, I feel the average attendance per meeting is quite encouraging. Several Lodges are presently processing applications which will result in increased activity and interest.

In general all Lodges in the District are financially sound. With the exception of one, all own their own temples and renovations and improvements are being made as required.

It has been noted, regrettably, that some of our Lodges have not recognized the value and need of keeping the Lodge Historical Register up-to date. I have attempted, here, to point to the value this book will be to the historians of the future, and that in the next few years several of these Lodges will be celebrating their fiftieth anniversary and that this Register will be extremely important in the preparation for this event.

Masonic Education in the District leaves something to be desired. While each Lodge does minor education work, there does not seem to be a steady and continuing effort in this direction. I feel that matters of current Masonic interest should be emphasized in preference to the endless repetition of history. The influence of Masonic teachings on world, national, community and personal relations can become an almost irresistible force for good but requires the active participation of each of us. Considering always that Freemasonry is not just something to belong to, but something to live by.

The need for full support from each Lodge to the Higher Education Bursary Fund was stressed, in addition to the publicity and the individual mailed envelopes; this fund has not received the support in this District that it justly deserves. I am of the personal opinion that each Lodge should be assessed on a per-capita basis of 50c per member per annum and that the donation envelopes be continued, urging individual contributions from those willing and able to further contribute.

The annual District bonspiel was held in Delia on February 21st, for the trophy presented by the late R.W. Bro. H. Forster of Berry Creek Lodge No. 158. The Hand Hill Lodge No. 98 are to be complimented on the many courtesies extended to the visiting brethren during this successful event.

The District Meeting was held in the Town of Hanna on October 21st with a large and enthusiastic attendance. Each Lodge in the District was well represented and representatives from Lodges in the surrounding Districts were also present. Planned without counting on the presence of the Grand Master, the Grand Secretary or other Grand Lodge Officers, the program consisted of participation by members from all Lodges. An agenda on matters Masonic was prepared, in the form of special papers presented and discussed. One of the papers presented entitled: "Masonic Funeral Service and Memorial Service", was followed by a very interesting and informative discussion which resulted with the general consensus of opinion being that the Memorial Service adopted in recent years is quite adequate and suitable for use by the rural Lodges in this District. Since this meeting several Lodges have used the Memorial Service and find it dignified and practical in every way.

W. Bro. M. H. Mehl of Oyen Lodge No. 104, Oyen, was elected District Deputy Grand Master for 1965-66, subject to the approval of the Grand Master. W. Bro. Mehl has accompanied me on several visitations to fully acquaint himself with the duties of the office, for which he is to be complimented, and I am sure that District No. 14 will be served by a very capable D.D.G.M. during his term of office.

May I extend my sincere thanks, to the Brethren of the District for their confidence, their support and their co-operation, during my term of office. It has been a rewarding experience and the highlight of my Masonic life.

S. F. WRIGHT,
D.D.G.M. District No. 14

DISTRICT No. 15

I am indeed grateful to the brethren of St. Andrew's Lodge, No. 66, for proposing me, and to the brethren of the district for electing me, and to you M.W. Sir, for having confirmed by election to the office of District Deputy.

I visited each lodge in District 15 once officially and some on other occasions. I visited each lodge socially before the district meeting with the exception of Symbol Lodge No. 93, and introduced to them the Research and Education programme suggested by you, M.W. Sir. I am pleased to report that all Lodges in District No. 15 have some form of Masonic education in force. I feel this programme has been of great value, and will have a lasting and growing benefit to all Masons. Most Lodges in District No. 15 have had or are having speakers from the Committee on Research and Education.

I find that Masonry in District No. 15 is good, and all officers in this district carry out their duties with dignity and enthusiasm. While attendance in some lodges could be improved, the spirit of fellowship seems to be evident throughout the district.

The annual District Meeting was held in Trochu, November 4th, 1964, commencing at 3:00 p.m. with the Senior Grand Warden R.W. Bro. Towers and Grand Secretary R.W. Bro. Rivers in attendance. All lodges in District No. 15 were represented with 83 signing the registers. At the informal afternoon session many subjects were brought up and discussed. The main topic for discussion was on the paper presented by our Grand Secretary, R.W. Bro. Rivers, **The Masonic Funeral Service —Is It Desirable Today?** The discussion was very lively, with the brethren feeling they had gained much information and felt it very worth while. The feeling arising out of the discussion was that most lodges preferred to continue using the Masonic Funeral Service if requested by relatives. After a delicious banquet served by the ladies of Elizabeth Chapter No. 114, O.E.S., our evening session was opened at 8:00 p.m. I was assisted by officers of St. Andrew's Lodge No. 66. The Grand Senior Warden R.W. Bro. Towers and Grand Secretary R.W. Bro. Rivers were introduced by R.W. Bro. Bannister of Cyprus Lodge No. 113. A short report was given by the Masters of all Lodges in District No. 15. R.W. Bro. McCrimmon presented R.W. Bro. Seland with his regalia and congratulated him on his year's work. R.W. Bro. Seland gave a report and thanked the brethren in District No. 15 for their cooperation during his year in office. Wor. Bro. Rushfeldt, Cavell Lodge No. 125 was elected D.D.G.M. for District No. 15 subject to approval of Grand Lodge. Wor. Bro. Rushfeldt invited brethren to have the next district meeting in Delburne. We wish Wor. Bro. Rushfeldt much success in his term of office. Thanks to R.W. Bro. Towers for his most inspiring address.

Our District Bonspiel was held in Trochu, December 9th, with two (2) rinks from each Lodge in the District and from Grand Lodge. Carbon Lodge No. 107 walked off with the trophy.

A social hi-lite of the year was the social evening held in Trochu with all lodges in District No. 15 being invited. Cascade Lodge No. 5 journeyed from Banff and presented the trophy to St. Andrew's Lodge No. 66, winners of the Banff Masonic Bonspiel. The Lodges in Southern Alberta are indebted to Cascade Lodge No. 5 for their hospitality in hosting this annual bonspiel.

In closing I would like to thank Bro. Aaron Stankievech, who acted as District Secretary for his most able assistance during the year, and to all those brethren who accompanied me on my lodge visits, especially R.W. Bro. Paterson, whose assistance was most appreciated. I would like to thank the brethren of all Lodges for the manner in which I was received. To you, M.W., the Grand Master, it has been an honour and a privilege to serve you. To my successor, Wor. Bro. Rushfeldt, I wish every success.

J. H. SMYTH,

D.D.G.M. District No. 15

DISTRICT No. 16

I respectfully submit my report for District No. 16, for the year 1964-65, and to express my most sincere thanks to the brethren of the District for the high honor they conferred on me, by electing me as their representative. Also to my own lodge, Brooks, No. 73, for their co-operation and assistance in hosting the district meeting and curling bonspiel, and to those brethren who accompanied me on my official visits. It was a wonderful fraternal feeling on these occasions and I was able to make the acquaintance of many brethren in the district.

I made it a point to visit every Wor. Master or Secretary early in my year and delivered your special program prepared by the "Committee on Research and Education." Most lodges took advantage of this, especially when there were evenings with no degree work, and I would commend this committee for the work they are doing, especially in the training of younger Masons and I believe helping to increase the attendance which has been lacking. I found most of the officers proficient, the records well kept, and the lodges in good financial shape.

The district meeting was held in the Brooks Masonic Hall on Nov. 5th, 1964, with a wonderful attendance of 92 brethren. We had a pleasant, informal hour together entertained by Brooks' Lodge after which an enjoyable banquet was served by Helen Chapter, O.E.S. We were pleased to receive Rt. Wor. Bro. T. G. Towers, Grand Senior Warden and R.W. Bro. E. H. Rivers, Grand Secretary, as well as nine Past District Deputy Grand Masters. Every lodge was represented and I was pleased to see many visiting brethren from five different lodges in Calgary and as far north as Stettler, Coronation and Killam.

The meeting was opened at 8:00 p.m. with "The Memorial Service" by Brooks Lodge. R.W. Bro. Rivers presented his paper on the subject: "Masonic Funerals, Are They Desirable Today?" This was followed by a lively discussion from all parts of the district with varied opinions. Following R.W. Bro. Nielsen's report on the district I had the honor to present him with a P.D.D.G.M.'s Regalia. An informative address was given by Bro. Robin Hartley of Brooks Lodge and appreciated by all. Wor. Bro. G. Montgomery was elected as D.D.G.M. for the year 1965-66 and Hussar will be the site of the next district meeting.

The annual district bonspiel was held at Brooks on Dec. 9th with Bro. Doug Jackson providing an efficient and well organized draw. The brethren all met together at the Masonic Hall for a hot luncheon served by Helen Chapter, O.E.S. The Hussar Lodge won the bonspiel and I presented them with the Norman Bragg Memorial Trophy at their regular meeting.

I would like to express my thanks to Wor. Bro. Jas. Ellis, who acted as my district secretary and provided me with his capable assistance organizing the district meeting and to R.W. Bro. Rivers for his co-operation during my term of office.

In conclusion, to you, M.W. Grand Master, I would like to extend my deepest appreciation for the privilege, and honor of serving you and the Grand Lodge of Alberta and to be able to be with you at the "Banff Conference" and the Area Meeting in Calgary.

I would like to wish my successor every success and the best for the year ahead.

W. T. PETTIFOR,
D.D.G.M. District No. 16

DISTRICT No. 17

On March 9th, 1965, the District suffered a grievous loss in the sudden passing of its District Deputy Grand Master, R.W. Brother Bryer Curtis Carpenter, who had been making good progress from an illness of several months when he suffered a heart attack.

As a consequence The M.W. The Grand Master called upon me, as Grand Registrar, to fulfill the duties of District Deputy for the balance of the year. In assuming these duties I have received great assistance from W. Bro J. H. Roddick, who had been acting as Secretary for the late R.W. Bro. Carpenter. I found that prior to his illness R.W. Bro. Carpenter had visited every Lodge and had the work well in hand. There remained two Lodges who had not been visited officially and on April 6th, 1965 I visited Edgerton No. 102 at Edgerton. I was accompanied by R.W. Bro. A. J. G. Lauder, Deputy Grand Master, M.W. Bro. David Little, P.G.M., R.W. Bro. B. Brown, J.G.W. and R.W. Bro. J. Booth, P.D.D.G.M., there were fifteen members and thirteen visitors. I found the books to be in good order and the Officers carried out their work in a proficient manner. The Historical Register was not up-to-date, but I was assured that this would be attended to.

On April 22nd, 1965, I visited Gratton Lodge No. 144 at Irma. I was again accompanied, in the drive from Edmonton, by M.W. Bro. D. Little, R.W. Bro. Brown and R.W. Bro's. J. L. Little and J. Booth. There were sixteen members and twelve visitors. V.W. Bro. H. C. Nissen, G.St. is Secretary and he had everything in excellent condition. The Officers were efficient in their work.

R.W. Bro. Carpenter made notes of his visits of the other Lodges in the District and he found all records in good condition and Lodges financially sound. He had some excellent meetings and the attendance of members was good. W. Bro. J. H. Roddick had accompanied him on his visits.

The District meeting had been held in Viking on July 20th, 1964, and the M.W. The Grand Master and the Grand Secretary had attended. There had been a good discussion on the Funeral Service and the Memorial Service.

M.W. Bro. S. H. Hardin, P.G.M., gave an address on Masonry and The Church, which was much appreciated. W. Bro. H. S. Beveridge of Dynamic Lodge No. 96, Holden, was elected as District Deputy Grand Master for the year 1965-66, subject to confirmation of the Grand Master and the members agreed to hold the next meeting at Holden.

M.W. Bro. W. J. Collett, Grand Master, addressed the Brethren on Masonry as he had seen it as a Minister of the United Church.

I can report with confidence, M.W. Grand Master, that Freemasonry is making sound progress in District 17.

JAS. HUNTER,
Grand Registrar.
Acting D.D.G.M., District No. 17

DISTRICT No. 18

The District Meeting was held in Crescent Masonic Hall, 131 - 16th Avenue N.W., Calgary, Alberta, on Saturday, October 24th, 1964. The meeting was opened at 4 30 p.m. I was assisted by the Officers of Mosaic Lodge, No 176. All Lodges in the District were represented. A Memorial Service was conducted by W. Bro G. A. Peschke, W.M. Mosaic Lodge No. 176, assisted by several of his officers. This Memorial Service was conducted to honour the Fraternal Deaths which had occurred in the District during the year. This work was well done and I would like to express my appreciation to Mosaic Lodge. The M.W. The Grand Master, M.W. Bro. Rev. W. J. Collett was escorted into the meeting and introduced by R.W. Bro. J. T. Clarke.

The Worshipful Masters (or representatives) presented their reports. These reports, in general, indicated a continued interest and progress in all Lodges in the District. W. Bro. H. N. Lukes of Concord Lodge No. 124, Calgary, was elected D.D.G.M. for 1965-1966 by acclamation, subject to the approval of the Grand Master. Concord Lodge No. 124, volunteered to host the 1965 District Meeting to be held at the Central Masonic Temple, Calgary, on a date to be announced. W. Bro. D. S. McKergow presented his father (and brother), R.W. Bro. J. S. McKergow with the regalia of a Past D.D.G.M. and with it expressed his best wishes and hopes that he might long wear it and continue the efforts he had so ably exemplified. R.W. Bro. J. S. McKergow thanked his son and all present for the kind sentiments expressed. R.W. Bro. J. S. McKergow, I.P.D.D.G.M., spoke briefly about his activities in office. He informed the brethren that a complete report of his activities could be found in the Grand Lodge Proceedings for the year 1963-1964.

W. Bro. R. W. Maxwell, P.M. King George Lodge No. 59, then presented a paper entitled: "The Freemason and his Religious Responsibilities". This thought provoking presentation was most favourably received and it was moved that a copy be sent to the editor of the Grand Lodge Bulletin. (This was done by the District Secretary and an acknowledgement with thanks received. An assurance was also included that the paper would be used as soon as conveniently possible.)

The meeting closed in harmony with a sense of real accomplishment.

GENERAL:

On my numerous Official and Fraternal Visits to the lodges in District No. 18, my reception was most friendly and courteous. On these visits I was accorded the fullest support and co-operation. I

found on every occasion an excellent Masonic spirit in all Lodges. The books and records were found well kept and in good order. The business meetings were conducted in a satisfactory manner and the Degree Work that I had the pleasure of witnessing was of a high standard. I feel that Masonry as a whole is progressing very favourably in the District.

To W. Bro. G. W. Waite, who was so kind and considerate to act as District Secretary, I wish to express my sincere thanks for the services and advice which he so readily rendered. To all member of District No. 18 my grateful thanks for their loyal support. To my successor, W. Bro. H. N. Lukes, may I offer my congratulations and best wishes and I trust that he will receive the fine co-operation and support that has been accorded to me.

I wish to say, Most Worshipful Sir, that I consider it a great honour to have served as D.D.G.M. and as your representative this past year. I have enjoyed the work thoroughly and I trust that my humble efforts have furthered the cause of Masonry.

T. A. PRUETT,
D.D.G.M. District No. 18

DISTRICT No. 19

It was my privilege to attend all the Lodges in District No. 19, once officially, and other unofficial occasions. As it was the wish of our Grand Master, M.W. Bro. W. J. Collett, that the matter of Masonic Education and Research be brought to the attention of all the members of the different Lodges, a copy of the suggested plan of Masonic Education, organized by the Committee on Research and Education was given to each of the W.M.'s in this District. In every case, the W.M. assured me that, if not all the suggestions would be carried out, at least, as many as they could "work in" would be. As far as District No. 19 is concerned, it seems that there is very little liaison with the Committee on Research and Education. I believe that District No. 19, as well as any other Districts in this part of the Grand Jurisdiction, should be brought more into contact with this committee. Outside of the brochure given us at the last Grand Session, we have received nothing further.

DISTRICT MEETING—The District Meeting was held in Acacia Hall, Edmonton, on Saturday, October 24, 1964. It was our pleasure to have your representative, R.W. Bro. Jas. Hunter, Grand Registrar, accompanied by R.W. Bro. A. J. G. Lauder, Deputy Grand Master, R.W. Bro. B. C. Carpenter, D.D.G.M., District No. 17, R.W. Bro. G. H. Bremness, D.D.G.M., District No. 12, R.W. Bro. B. Brown, J.G.W., R.W. Bro. E. H. Rivers, Grand Secretary, V.W. Bro. A. A. Sollanych, G. S., M.W. Bro. David Little, P.G.M., and several other Past Grand Lodge Officers.

During the afternoon session an exemplification of the lectures in the Second Degree was given by Strathcona Lodge No. 77, in the York Rite, and by Dominion Lodge No. 117, in the Canadian Rite. This work was very well done and was quite informative to those Brethren who were in the habit of practising the other Rite.

The banquet was catered to by the ladies of Arame Chapter, O.E.S. The Toast to Grand Lodge was proposed by W. Bro. Jack Brown, W.M. of Waskatenau Lodge No. 154, and responded to by R.W. Bro. Hunter, G.R. The Toast to the Visitors was proposed by R.W. Bro.

Dr. E. Wright of Tawatinaw Lodge No. 71, and responded to by R.W. Bro. B. C. Carpenter, D.D.G.M. of District No. 17. It is with real regret that we have lost such a fine gentleman and Brother, who passed away suddenly on March 9th, 1965.

The evening session opened with the Officers of Gateway Lodge, No. 164, assisting me. R.W. Bro. Ernie Foster, P.D.D.G.M. of Dominion Lodge, No. 117, introduced the Distinguished Brethren, from Grand Lodge, past and present, to the 87 Brethren present.

The colors were then presented in a very impressive ceremony by the Griesbach Lodge, U.D., our youngest Lodge in the District. Westlock Lodge, No. 114, then carried on the Memorial Service for the Brethren departed since our last communication. A discussion on Masonic Funerals was carried on, later in the evening, based upon the information contained in the paper of R.W. Bro. E. H. Rivers, and read by W. Bro. T. J. Reid, Exemplar Lodge No. 175. It was decided, after some discussion, that a questionnaire would be sent to each of the Masters in the District and the results of this questionnaire forwarded to the Grand Master. My thanks to the different W.M.'s of the District for their excellent reports that they presented on the activities of their various Lodges. It would seem that the prospects in the District are quite good.

A set of regalia was then presented to R.W. Bro. R. C. Ponting, as a token of appreciation for the conscientious and efficient work he had done for the Districts.

V.W. Bro. J. Jesten, of Barrhead Lodge No. 171, was elected D.D.G.M., for the ensuing year, subject, of course, to the Grand Master's approval. It was agreed that the next District Meeting would be held at Barrhead, Alberta.

Tawatinaw Lodge No. 71 — I made an official visit on June 17, 1964. The resident membership of this Lodge is 48, and on the occasion of my visit, there were 22 members present, which is evidence of their interest in the Lodge. This is about the average attendance during the year. The books and records are well kept by their very efficient secretary. The work is well conducted, and this Lodge is a most hospitable one. I was honored by being asked to be the Installing Master at the Festival Meeting, December 28, 1964. This was a very impressive meeting, largely due to the assistance I received from R.W. Bro. Dr. E. Wright, who acted as D.O.C. Tawatinaw have had considerable work during the past year, and the prospects are quite good.

Strathcona Lodge, No. 77 — It has been my pleasure to visit this Lodge on several occasions. My official visit was on October 9, 1964. The W. M. of Strathcona Lodge is very fortunate, as beside getting good co-operation from his members, he has the able assistance of a number of very faithful Past Masters, who are always ready to assist in the work. While the attendance is improving lately, Strathcona suffers as do most of the city lodges, from a rather low relative attendance. On the official visit I had the pleasure of presenting, Fifty-Year Jewels to V.W. Bro. R. B. MacKenzie and Bros. J. L. Wynn and W. Bro. Heath. This Lodge has recently obtained a complete set of robes for their Degree work, and it enhances the very fine work which they usually do, in exemplifying the degrees. I was able to attend the Installation of Officers on December 11, 1964. It was also a significant occasion when I was able to accompany you, M.W. Sir, on your Official Visit to Strathcona Lodge, on April 9, 1965, and

receive the benefit of your inspirational talk. I am quite sure that Strathcona Lodge will be very pleased to add this to the several items they have had on Masonic Education this year.

Westlock Lodge No. 114 — While my Official Visit to this Lodge was on October 1, 1964, I had attended their Dual Meeting with Barrhead Lodge, No. 171, on June 18, 1964, when the Officers of the two Lodges were jointly installed under R.W. Bro. R. C. Ponting, P.D.D.G.M. as Installing Master. Following the Installation R.W. Bro. D. D. Penman presented Westlock Lodge with a set of gavels. These excellent samples of the expert craftsman were received with expressions of thanks by Westlock Lodge.

When I made my Official Visit I found the books and records of this Lodge well kept and up-to-date. During the evening three candidates were initiated. The work was excellently done. On Thursday, April 1, 1965, a very interesting meeting was held by special dispensation, in the Lodge room of Balmoral Lodge, in the United Church, St. Albert. This was a meeting for the purpose of meeting many of the Brothers who had been, or were still members of the Lodge, but had moved away. Quite a few of them live in Edmonton or the vicinity. At this meeting there were over a hundred members and visitors. It was really very worthwhile, and such a pleasant re-union with many of the older members who could not get out to Westlock for the regular meetings. Most of the Lodges in the District were represented at this time. Westlock Lodge seems to have good prospects and they should have no difficulty in keeping their good attendance record as they carry on with the Masonic Education work very thoroughly.

Dominion Lodge, No. 117 — My first visit to Dominion Lodge was the annual occasion we all look forward to—Dominion Night—and R.W. Bro. Ernie Foster's well organized ranch "vittals". Grand Lodge was well represented on this occasion. My Official Visit to Dominion Lodge was on September 23, 1964. The work was done with the usual Dominion Lodge efficiency and the Second Degree was most impressive. The books and records are well kept and up-to-date. Dominion Lodge put on a very interesting Initiation in October, when R.W. Bro. Dave Helman, headed a team of the Jewish Brethren, which included: M.W. Bro. Dr. S. H. Hardin, P.G.M., for the purpose of initiating Rabbi Nathan Lewis Ginsberg. In March, the Edmonton police members, under the direction of W. Bro. A. T. Ward, W.M. of Unity Lodge, No. 51 put on the Second Degree. Masonic Education has long been a feature of Dominion Lodge, and this is being continued well.

Waskatenau Lodge, No. 154 — Waskatenau Lodge is in a different set of circumstances to any of the other Lodges in District No. 19. It is a small Lodge of 40 members five of whom live in the town, while the others of the resident members live in Redwater, Thorhild, Abee, Smoky Lake, Egremont, and Grand Centre. The officers have to come some distance to every meeting. When these things are taken into consideration, the attendance which averages close to 50% of the resident members is very good. Waskatenau Lodge is very fortunate in having an efficient and conscientious secretary, so the books and records are well kept. The work is well done, on the whole and, when the difficulty of having practices is taken into consideration, it is better than might be expected. I believe that it might be well to hold a Lodge of Instruction for two reasons, first, Waskatenau would appreciate fraternal visits, as they are in quite a segregated area from the rest of our fraternal family, and, secondly, it would help the newer officers in getting more familiar with the implications of the Constitution. On my Official Visit which was on October 7, 1964, my welcome was fully

in form and very hospitable. While there was to be a Third Degree that night, the candidate could not be in attendance owing to the seasonal nature of his work. Unfortunately, I have not been able to make another visit to one of their meetings, but hope to make one before the end of my year. I think more visiting should be encouraged by members from the other Lodges in this District and from Edmonton to make the meetings of this Lodge more meaningful.

Gateway Lodge, No. 164 — As this is my home Lodge, I have been in attendance for most of the meetings this year. I made my Official Visit on September 8, 1964. On that occasion the examination of new M.M.'s was carried out and showed a good appreciation of the work. This Lodge has been carrying on as much Masonic Education as time permits. The degree work, generally, has been of a high order, and the work is quite well done by the officers. While a change is taking place in some of the Senior Offices, due to the formation of another Lodge, the present incumbents are making very good progress. I had the pleasure of installing the new Officers on December 8, 1964, when I was ably assisted by W. Bro. H. W. Gerard, of Sherwood Lodge, and a number of other Past Masters of the Lodge. The average attendance of the Lodge remains about the same as the last two or three years but the officers are doing a good job and find plenty of time for Masonic Education.

Barrhead Lodge, No. 171 — My first attendance at this Lodge this year was the occasion of the Dual Meeting with Westlock Lodge, when their officers were jointly installed on June 18, 1964. October 15, 1964 was the date of my Official Visit. Once again, it is interesting to note that the average attendance of this Lodge is about 50% of the resident members. This is very commendable when one hears so much about attendance these days. The work is most ably handled by the Officers and the books and records are well looked after by V.W. Bro. Jesten, the Secretary. The year has been an interesting one for Barrhead, and, on the occasion of my third visit, April 15, 1965, I had the good fortune to see three Third Degrees put on in a very capable manner. From the standpoint of fraternal friendship and excellence of the work, Barrhead seems to be in for a very successful future.

Exemplar Lodge, No. 175 — I paid my Official Visit to Exemplar Lodge on November 5, 1964. This was also the occasion of their election of officers. The evening was an interesting one, as when the work for the evening was completed, the Lodge was thrown open for any questions from the members, and, it was hoped the D.D.G.M. could give them the answers. I believe that an evening like this could get more information to the Brethren than having question boxes at the District Meeting. The Installation of Officers took place on December 3, 1964, and I was honored by being asked to take part in the ceremony. It was a fine fraternal event and shows why Exemplar Lodge is improving the average attendance a little, year by year. The Past Masters still show interest in the Lodge work and attendance. The books and records are well kept and prospects look very well for this Lodge in the future.

Balmoral Lodge, No. 185 — The last of my Official Visits was made to Balmoral Lodge on November 18, 1964. The fine fraternal spirit which is so in evidence at this Lodge makes a visit, whether Official or otherwise a pleasant occasion. The officers of this Lodge do nice work, reflecting to a great extent the thoroughness which has been shown in the work of the Past Masters who joined as Charter Members. The records and books are kept very carefully and it is but

fitting that a very noticeable increase in the membership is resulting because of the excellence of the different facets of Freemasonry exhibited here. Balmoral Lodge is carrying out a very thorough plan of Masonic Education. Their prospects seem very good.

Griesbach Lodge, U.D. — It has been my pleasure to attend a number of meetings of this Lodge. The Official Visit was made on September 3, 1964. The work of this Lodge is of a very high calibre, and the degree exemplification of their Military Team is a very rewarding experience. Such precision is an addition to any degree work. The books and records are well looked after by their very efficient secretary. This Lodge has carried out several assignments which should be noted. They have a team which carried out the presentation of the colors at Grand Lodge in June, 1964, at Commercial Lodge on its 50th Anniversary meeting, and at the District Meeting, as well as one of the Lodges in Calgary. They are planning on carrying on considerable work in Masonic Education. The one thing that is making their work somewhat troublesome is getting a regular night for their Emergent Meetings. However, it is expected this will be righted within a short time. These Brethren are to be commended on the type of work they are doing, and we look forward to a very successful future for Griesbach Lodge.

Area Meeting — District No. 19 was well represented at the Area Meeting, in the Central Masonic Temple, on Saturday, March 20, 1965. All Lodges in this District were present through their officers and members. As a vehicle of Masonic Education this was a night that will long be remembered through the paper on "Craft Masonry", the panel discussion on matters relating to the Second Degree and your very inspirational talk. The period of questions and answers was very fruitful, and, it has resulted in some of the members becoming interested in the Proceedings of past years, particularly 1941.

In making this report on District No. 19, I must first thank the Brethren of the District for giving me the opportunity of serving. I trust I have made a contribution that will be worthwhile. It has been a real pleasure to work with the different Lodges in this District, and, I might add, in some of the adjoining Districts. The fellowship that was exhibited wherever I went, and the co-operation I received from all the different Lodges and their members is a memory that will remain with me for the rest of my lifetime. The District is in a healthy state, and the prospects for the future seem bright. In this day when there is much doubt expressed because the numbers are not swelling as much as they did over the past years, I think the challenge of presenting Freemasonry more thoroughly to those who are in the Fraternity now, is a matter that is receiving a great deal more thought, and, quite properly must lead to a deeper understanding of those principles for which we stand.

Finally, no District Deputy Grand Master can function to the best of his ability unless he has the assistance of the Brethren in the Lodges, and I have been particularly fortunate. On each of my visits whether official or otherwise, I have always been accompanied by a goodly number of members, not only of my own Lodge, but also other Lodges. R.W. Bro. Penman has accompanied me on several occasions and given me considerable advice, thanks, R.W. Sir. W. Bro. Sam Hemphill has been an untiring and efficient Secretary and I went to take this opportunity of thanking him very much for all his long hours and faithful assistance.

To V.W. Bro. John Jesten of Barrhead Lodge No. 171, I congratulate you, and trust that your year will be one which you will long remember.

M.W. Bro. Dr. W. J. Collett, it has been a real honor and joy to represent you in District No. 19. I hope that I have not left undone those things which I ought to have done nor done too many of the things that ought not to have been done.

O. P. THOMAS,
D.D.G.M. District No. 19

DISTRICT No. 20

It has been a most rewarding experience for me to represent you, Most Worshipful Grand Master, in this District. I appreciate the honour very much. The District meeting was held in the Legion Hall at Wetaskiwin on September 24th, 1964, it was well attended and every Lodge was represented by their Worshipful Master and a number of their members. At the afternoon meeting a paper was presented on Duties and Responsibilities of Lodge Officers, by Bro. T. Linning of Eastgate Lodge U.D., the discussion was led by Bro. George Edgelow of Star of the West No. 34. Palestine Lodge No. 46 presented a paper on 'The Manner In Which a Visiting Brother Should Be Examined for Admission.' The discussion was led by Lamont Lodge No. 94. W. Bro. A. K. Dean, W.M. of Avon Glen Lodge No. 170 presented a paper on 'Responsibility of the Members to the Sick and/or Hospitalized Brother.' Discussion was led by W. Bro. J. Ewart MacDonald of Commercial Lodge No. 81. We also had an interesting discussion in regard to the desirability of having a Memorial Service in the Lodge room instead of graveside Funeral Service. Many ideas were presented but all agreed that the change was desirable.

Following the banquet the usual toasts were given and responded to and M.W. Bro. Morley G. Merner gave a wonderful address.

I was assisted in the formal opening of the District meeting by the Officers of Wetaskiwin Lodge No. 15. During the evening W. Bro. C. R. W. Mager of Victoria, No. 13, Fort Saskatchewan, was elected as District Deputy Grand Master, subject to approval and Fort Saskatchewan was selected as the place for the 1965 meeting. R.W. Bro. W. H. Driscoll gave his report and was presented with a P.D.D.G.M. Regalia by R.W. Bro. Sinclair. Each Worshipful Master gave a report on his Lodge.

Star of the West, No. 34, Leduc — I visited the Lodge officially October 6th, 1964, there was a good attendance and the work was well done. The Secretary's books were in good order and the Historical Register up-to-date.

Lamont Lodge, No. 94, Lamont—On October 12th, 1964, I visited Lamont Lodge, who now meet in the new Church Hall, the nicest quarters I have visited. Although this is a small Lodge they show great interest. The work is well done and W. Bro. D. R. Young is to be commended. A very friendly group.

Wetaskiwin Lodge, No. 15, Wetaskiwin — I visited this, my own, Lodge on a very rainy night, October 15th, 1964. The attendance was not as good as we had hoped, but we had a very pleasant evening. W. Bro. John Lewis knows his work well, the Secretary's books are in good order and the Historical Register is up-to-date.

Sherwood Lodge, No. 183, Sherwood Park—My official visit on November 2nd, 1964, was on a very cold and snowy night, I was glad of the company of four Brethren. There was a good attendance at this, their first, meeting in the Sherwood Park Church. The books and records are in good shape. Since this date they have laid a new tile floor in the Lodge Room.

Avon Glen Lodge, No. 170, Edmonton — This is one of the larger Lodges and I visited it on November 4th, 1964. They are very active and are carrying on good work. They had already planned Christmas entertainment and treats for the children. Their degree work is beautifully done. They presented their Secretary with a Secretary's Jewel, to mark ten years continuous service. R.W. Bro. G. P. Puffer has served the Lodge faithfully.

Victoria Lodge, No. 13, Fort Saskatchewan—In visiting this Lodge I was glad to have the company of V.W. Bro. A. D. W. Mitchell and a number of other brethren. R.W. Bro. David Mackie served in the office of Secretary for a number of years and his books were in fine order. It was indeed a shock to us all to learn of his passing on January 29th, 1965 and he will be sorely missed. The Historical Register was up-to-date. Victoria own their own building, which is in good repair.

Empire Lodge, No. 63, Edmonton—In visiting on November 16th, 1964, I was accompanied by three Brothers from Wetaskiwin and a number of Grand Lodge Officers in Edmonton. This was Installation night and the Past Masters carried out the work in an excellent manner. The Secretary has the books in good order.

Palestine Lodge, No. 46, Tofield—V.W. Bro. Mitchell and three Past Masters from Edmonton accompanied me on my visit on November 17th, 1964. The Officers are very proficient in their work and the books are in good order. This Lodge hosted a very successful District Bonspiel on February 13th, 1965.

Eastgate Lodge, U.D., Edmonton—R.W. Bro. F. B. Facey is doing a fine job as Master of this new Lodge, Instituted on June 8th, 1964. They have good quarters in the basement of St. Luke's Anglican Church in the eastern area of Edmonton. Their progress will be watched with interest.

Redwood Lodge, U.D., Edmonton—This Lodge was Instituted by you, M.W. Grand Master on January 7th, 1965, and they have 38 members, most of whom came from Lodges in other Jurisdictions. W. Bro. D. O. Thomas is master, they meet in the Ritchie United Church Hall and their prospects are good. They too will be watched with great interest.

Commercial Lodge, No. 81, Edmonton—On my visit on January 6th, 1965, the Worshipful Master was Installed and the Officers were invested. My District Secretary, V.W. Bro. A. D. W. Mitchell is Secretary and he has the books and records in fine shape. This is a large Lodge and they are very friendly.

I would say that the Craft in District No. 20 is in good condition. The Lodges do their degree work well. The Officers should make a greater effort to increase attendance. I have urged support for the Higher Education Bursary Fund and I believe the support is gratifying. The Area meeting in Edmonton was very successful and was, I think, of great benefit to all who attended. My thanks to V.W. Bro. Mitchell

for his kindly help and my best wishes to W. Bro. C. R. W. Mager of Victoria Lodge, No. 13. I trust he will have a successful year and I offer my assistance. It has been a privilege to serve you, M.W. Grand Master, I trust I have carried out my duties in a satisfactory manner.

PERCY I. AIKENS,
DDGM. District No 20

NORTH WEST TERRITORIES

The highlight of the year was the Constitution and Consecration of POLARIS Lodge, No. 186, at Fort Smith, N.W.T. by the M.W. The Grand Master at an Especial Communication of Grand Lodge on July 4th, 1965. This was a memorable meeting and the brethren of Polaris Lodge greatly appreciated the attendance from 'outside' and the nineteen who came over from Yellowknife.

We held a joint Installation of the two Lodges at Yellowknife on December 12th, 1964, and members of Polaris Lodge came to Yellowknife for the occasion, which was a great success. I should remind those who read this report that the only means of travel between Fort Smith and Yellowknife is by air and the trip takes approximately two hours.

Over a period of some four years we have greatly improved the Masonic Hall in Yellowknife and the building is one of which we are very proud. We carry insurance and during the past winter the value of being properly insured was brought home to us very forcibly. On going to the Lodge to prepare for a meeting our Officers found that the oil stove had exploded and everything in the room was covered with an oil slick, all Regalia, all fixtures and the walls and ceiling were black. We were all very depressed, the meeting had to be cancelled. Fortunately the next day an Insurance Adjustor arrived in town and when he was shown the damage immediately advised that the Policy covered it and ordered necessary renovations. We now have the Lodge room and all fixtures back to their normal state of beauty. Bro. E. A. Butler must be credited with the thought of referring it to the Adjustor, most of us would not have thought of this unless there had been a fire, we were fortunate indeed that there was not a fire.

I consider that the Craft is being well served in the North West Territories. There is great development and in the near future a number of Brethren at the Pine Point Mine will doubtless petition for a Charter. I am very happy to have had the opportunity of serving you in the past year

K. A. PHILPOTT,
Grand Master's Representative N.W.T.

THE COMMITTEE ON THE CONDITION OF MASONRY

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M W Grand Master and Brethren,

The information contained in the written reports of the District Deputy Grand Masters and also the Statistical reports, indicate that Masonry in Alberta is making favourable progress. It was with great regret that we learned of the untimely passing of R.W. Bro. B. C. Carpenter, D.D.G.M. of District No. 17 R.W. Bro J. Hunter, the Grand Registrar carried out the duties for the balance of the year, his report, that of V.W. Bro. K. A. Philpott for the North West Territories, which now has two Lodges, and the reports of the other nineteen District Deputies show that, with few exceptions, all Lodges are sound financially.

ATTENDANCE This problem is not new, but has been a constant source of worry for a considerable time. Apparently there is a slight improvement and we feel that there are sound grounds for believing that an improvement in this sphere will be continued. It is indicated that there is a keener interest in Lodge work on the part of the members and we are of the opinion that the excellent contribution of the Research and Education Committee has stimulated this interest. The programs distributed to all Lodges by this committee have not received the attention they deserve and it cannot be understood why some Lodges do not have a prepared program for their meetings. Much material is already in the hands of Lodges and more is available for the asking, we would urge all Worshipful Masters to study the Craft and provide material for their members to pursue their studies. A Lodge meeting can be an inspiration for its members in this field and Lodge Officers do not have to search the highways and byways to bring in outside material for their meetings. The Research and Education Committee deserve our thanks for their work.

DISTRICT AND AREA MEETINGS: It appears that, on the whole, the District meetings have been well planned and conducted by the District Deputy Grand Masters. The attendance at most of them was gratifying. At each District Meeting the Memorial Service presented to Grand Lodge in 1961 was used, at the request of the M.W. The Grand Master and this has created a great deal of interest. Many have agreed that the Memorial Service is a better way to pay tribute to departed members. At each District Meeting the Grand Master was represented by a Senior Grand Lodge Officer, if he was unable to be present. This afforded an opportunity for Grand Lodge Officers to get acquainted in Districts quite some distance from their homes.

Five AREA meetings were held in Calgary, Edmonton, Grande Prairie, Lethbridge and Red Deer. The attendance at all except one was very good. The program for Area Meetings is prepared by the M.W. The Grand Master and, for the last three years, has included a panel discussion. This discussion opened with a question by one who was interested in becoming a member of the Craft and in three stages this person has been taken through the initial enquiry, the enquiry by the Committee and the first two degrees. This has proved of great interest to many members and has provoked valuable discussion. The Grand Wardens, each year, have explained the work

of one of the Grand Lodge Committees. We feel that the members present have appreciated the opportunity of learning the facts of Grand Lodge operations and then, of course, the highlight of each Area Meeting was the address given by the M.W. The Grand Master. We would urge the Master Masons to make an effort to attend these meetings, they are not confined to Lodge Officers by any means and the younger members would find them instructive.

LODGE WORK. We feel that Ritualistic Work in our Lodges is being carried out efficiently and with dignity. Some Lodges require further instruction and we have to urge the incoming District Deputy Grand Masters to be sure and undertake this duty. We would also remind the incoming District Deputy's that the Mentor Plan of Instruction should be used. Few have mentioned this important means of instruction during the past year and an opportunity is being overlooked.

The District Deputies have all stressed the need of Masonic education in their visits, but this needs to be followed up later to see that the directions are being carried out. Support has also been urged for the Higher Education Bursary Fund and this should be continued each year.

We feel that the District Deputy Grand Masters have, on the whole, carried out their duties in an efficient manner. As the representative of the M.W. The Grand Master in the several Districts, they are the ones who are called upon to make the personal contact on behalf of Grand Lodge. The Grand Master depends upon them each year to keep him advised, through the Grand Secretary, of the activities of the Lodges under his supervision. There is great honour in the office, there is much work to be done if close attention is paid to the duties, there is great satisfaction to be had in knowing that all Lodges are working in harmony for the good of the Craft. We have pleasure in recommending that the rank of PAST DISTRICT DEPUTY GRAND MASTER be conferred on the following:

R.W. Bro. Sidney Edgar Skeet	District No. 1
R.W. Bro. Joseph H. Fisher	District No. 2
R.W. Bro. Charles Young	District No. 3

Grand Secretary's Report

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

My twelfth annual report covers the period from May 1st, 1964, to April 30th, 1965, and it includes the Lodge statistics for the calendar year 1964, showing a loss in membership of 135. This loss can be directly attributed to the unfortunately high number of suspensions for non-payment of dues which, at 196, is higher than it has been for many years. It is true that in compiling a Roster of membership it has been found that a number of suspensions had not been reported from Lodges over a period of ten years, but this does not in any way excuse the number who have insufficient interest in Freemasonry to make the very small payment required for dues each year

LODGES

Four Lodges were Constituted and Consecrated during the year and reports of the Especial Communications will be found in the Proceedings. They were, Polaris No. 186, Fort Smith N.W.T., Kelvingrove No. 187, Calgary, Mystic Tie No. 188, Edmonton and Northmount No. 189 in Calgary. A plane was chartered to fly to Fort Smith from Edmonton and it was a memorable occasion, forty-three made the trip. Two Lodges continued under Dispensation from the year 1963-64, namely Beacon at Red Deer and Griesbach at Edmonton. Two Lodges were Instituted, Eastgate at Edmonton on June 8th, 1964 and Redwood at Edmonton on January 7th, 1965. We now have 176 Chartered Lodges and four under Dispensation, total 180.

PROCEEDINGS

Seven hundred and fifty copies of the Proceedings for 1964 were printed and distributed in the same manner as in previous years; two copies to every Lodge, one copy to every Grand Lodge Officer and Committee member and one copy to Past District Deputy Grand Masters. We also send a copy to each of the Jurisdictions with whom we are in fraternal accord. There is a short complimentary list and a few are sold. Very few members seem to be interested in obtaining a copy to study the reports of the Grand Lodge Officers. The Committee on Research and Education in Calgary again enlisted the services of a number of members, who visited Lodges and gave reports on the Proceedings. Very few Lodges seem to prepare for the review they have been directed to make for so many years.

CERTIFICATES

The Certificates authorized by Section 75 of the Constitution have been issued to all elected and appointed officers of Grand Lodge. Five hundred and twenty-three Master Masons Certificates were issued and also one hundred and seventy-two Past Masters certificates. Sixty-four Life Memberships were issued and 27 Honorary Life Memberships.

The Standard Code of By-laws was revised by a Committee consisting of the M.W. The Grand Master, M.W. Bro. W. Ireland, M.W. Bro. F. P. Galbraith and myself. It is, of course, subject to adoption by those Chartered Lodges who wish to use it, but as will be seen from the above records, many have already accepted it. Lodges under Dispensation are required to use the Standard Code.

Membership

The complete table of statistics will be published in the Proceedings, the following has been gleaned therefrom:

Total membership, December 31st, 1963	19,313
Increase, Initiated	497
Passed	502
Raised	523
Affiliated	275
Reinstated	37
	809
Decrease, Dimitted	354
Suspended, N.P.D.	196
Died	394
	944
Net Decrease	
	135
Total membership, as at December 31st, 1964	19,178

It will be noted that there were 196 suspensions for non-payment of dues, this involved a total of 88 Lodges. Two Lodges suspended 7; three Lodges six; three five and eight Lodges suspended four each. In trying to analyse this we find that eight of those suspended were Entered Apprentices, two were Fellowcrafts. Thirty were members for five years or less, sixty-seven for between five and ten years sixty-five between ten and twenty years; fifteen between twenty and thirty years and nine had been members for over thirty years. Thirteen had been suspended once before and three twice.

Courtesy Degrees

Eleven requests for Courtesy work were received during the year, seven for both the F.C. and M.M. Degrees and four for the M.M. Degree only. Six were carried forward from the previous year. The eleven new requests were referred to eleven different Lodges and six carried over were dealt with by six other Lodges. Fourteen of these requests were completed and three are carried over. We made five requests for Courtesy degrees to three Jurisdictions, two for F.C. and M.M. and three for M.M. only. Four requests were carried forward from previous years and three were completed, six being carried forward.

DISTRICT AND AREA MEETINGS

I attended eleven District meetings and also the Area Meetings, which were held in Lethbridge, Calgary, Red Deer, Edmonton and Grande Prairie. The Grande Prairie meeting was added to the list by special request, however, the attendance was very disappointing.

Fiftieth Anniversaries

I attended the Fiftieth Anniversary celebrations of Commercial No. 81, in Edmonton, June 13th, 1964, Rocky Mountain No. 86, at Blairmore on November 28th and at Champion No. 84, Champion on April 23rd, 1965.

Visits Out of the Jurisdiction

I had the pleasure of accompanying our Grand Master to our Sister Grand Jurisdiction of Saskatchewan in the week following our meeting in 1964. Other very kind invitations had necessarily to be declined. I attended the Conference of Canadian Grand and District Grand Lodges at Montreal, in company with the Grand Master and Deputy Grand Master. Report of the meeting will be included in the Proceedings.

Inter-Provincial Conference at Banff

I attended the "Banff" Conference in September, 1964, and again carried out the duties of Secretary. The Proceedings were published and a copy was provided to every Lodge and each District Deputy Grand Master free of charge. Additional copies were made available at a moderate cost.

Lodge Returns

In October 1964 we started to compile a Roster. This Roster will be included as an appendix to our Proceedings and will contain the names of 19,178 members. Under each Lodge we have set out the date of Institution, date of Constitution, the day of meeting and Work practiced. The Master two Wardens and Secretary are named, then the Past Masters, Master Masons, Fellowcrafts and Entered Apprentices. The work entailed in compiling this roster has been very heavy, we have found that a number of Lodges have not reported changes in membership going back as far as 1951 and this has involved much extra checking of the records. We are confident that the list as published is correct as at December 31st, 1964. It is ten years since the last Roster was published and it appears desirable that such a complete check should be made every ten years.

We have appreciated the attention to detail on the part of Lodge Secretaries and in most instances the returns were received on time. There are always a few who cause much extra work by delaying replies to correspondence for several weeks, or in some cases, months.

Grand Lodge Attendance

Nine Lodges were unrepresented at the Annual Communication in 1964, this is a low figure but two of these Lodges were very close to the City of Edmonton and their Officers could surely have made arrangements to attend to their duty. We shall look forward to the day when every Lodge is represented.

GENERAL

On November 20th, 1964, I invited all Lodge Secretaries of Southern Alberta to have dinner with W. Bro. Dunford and myself at Lethbridge. The District Deputies from the four Districts concerned were also invited and the M.W. The Grand Master very kindly joined us for the evening. The attendance was good and we had an excellent discussion of the duties of a Lodge Secretary. We do appreciate the attendance of those who drove long distances to be with us. We hope to continue these Secretaries meetings at irregular intervals throughout the Province.

The Financial Statement will disclose necessary details. The Lodge accounts are in good standing as at the end of April. There was, unfortunately, a deficit on the year's operations but this is less than that expected by the Finance Committee. We have continued to obtain books that may be of interest to our members and place them on sale at District meetings and other gatherings as we have visited. Our contact with the Dominion Regalia Co. in Toronto is very beneficial to us and we have received excellent service.

I have received much assistance from W. Bro. M. P. Dunford in the large amount of work of this office. W. Bro. Dunford attended seven District meetings and also attended quite a number of special Lodge meetings. He has appreciated the opportunity of getting acquainted in the various portions of the Province he had not previously visited. Mrs. H. M. Hiscox is in her ninth year of service with us and continues to perform her varied duties in a very helpful manner.

It has been an inspiration to accompany M.W. Bro. Collett on a great many visits and to hear an address on a different topic, in reference to Freemasonry, at nearly every meeting. Many trips were lengthy and the return was in the not so small hours of the morning, but these things hardly count when the interest at the meeting is high. We have managed to place two talks on tape for future use. It has been a privilege for me to serve Grand Lodge for another year.

Fraternally submitted,

Grand Secretary

THE FINANCE COMMITTEE

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

M.W. Bro. A. D. Cumming was elected as Chairman of our Finance Committee in 1936 and guided the financial affairs of Grand Lodge from that date until his sudden passing on December 26th, 1964. It was indeed a shock to all of us to learn that M.W. Bro. Cumming had been taken from us, we have greatly respected his judgment in the financial matters, we have known that at all times the welfare of the Craft was uppermost in his mind and all we can say is that he will be greatly missed.

The Board of General Purposes elected me as Vice-Chairman of the Committee in 1964 and it was therefore my duty to carry on and it is my duty now to report to you on the financial matters of Grand Lodge for the period May 1st, 1964 to April 30th, 1965. Your Committee held meetings on September 22nd, December 22nd, 1964, January 27th and April 6th, 1965. All payments made were reported—, I may say that they were carefully scrutinized by the signing officers as they are paid—and were found to be within the budget.

During the year the following Bonds were purchased:

Relief Fund, \$10,000.00 Hydro Electric Power Comm of Ontario, 5¼% due October 1st, 1984 at \$97.50

Relief Fund: \$5,000.00 Alberta Government Telephone, 5¼% Debentures, due April 15th, 1985, at \$98.50.

Superannuation: \$1,000.00 Government of Canada 4½% due September 1st, 1983, at \$91.87.

Superannuation Fund: \$1,000.00 Government of Canada 5% Oct. 1st, 1973, at par.

Superannuation Fund: \$1,000.00 Alberta Government Telephone Deb. 5¼% at \$98.50.

Benevolent Fund: \$500.00 Alberta Government Telephone Deb. 5¼% at \$98.50.

General Fund: \$5,000.00 Alberta Government Telephone Deb. 5¼% at \$99.75.

Your Finance Committee has awarded the contract for the Printing of the 1965 Proceedings to the Albertan Job Press, this includes the Roster that will be an appendix to this year's issue.

The Bulletin contract was awarded to the Douglas Company in Edmonton and will probably be continued without change.

In our 1964 report we recommended to the incoming Grand Master that a Committee be set up to review the per capita tax and bring forth any necessary resolution. The Grand Master's Special Committee is looking into this and a number of other questions of finance and obtaining information from the Constituent Lodges. This will necessarily take quite some time.

The Finance Committee are pleased to note a further increase in the donations for the work of the Higher Education Bursary Committee.

Your Committee, in accordance with a previous resolution of Grand Lodge, recommend that an Honorarium of \$50.00 be paid to each of the District Deputy Grand Masters and the Grand Masters Representative in the North West Territories.

Your Committee recommend that M.W. Bro. W. Ireland, C.A., be appointed Auditor for the year 1965-66. We would draw attention to the fact that M.W. Bro. Ireland, with the exception of the year in which he was Grand Master, has carried out these duties since 1919.

You will have noted from the financial statement that there was a deficit of \$2,178.98 in the operation of Grand Lodge for 1964-65. We propose to act on the authority of Section 131a of the Constitution and draw \$1,000.00 from the Relief Fund to reduce this amount. The Budget for the year 1965-66 must also necessarily provide for a deficit as expenses are increasing and the income from fees is being reduced each year. Your Committee recommend that for the year 1965-66 the per capita tax of twenty-five cents allocated to the Relief Fund be made available to the General Fund. This matter has been discussed with the Board of Benevolence and their report will show that they are agreeable. It is probable that any change in the Constitution that is necessary will be presented to you next year, for the present we are only dealing with the need to provide the necessary funds for the coming year.

Your Finance Committee set up a sub Committee to look into the Superannuation Fund during the year and, as a result of their survey with six Life Insurance Companies, it was decided that this could best be handled by your own Committee. In examining the detail of this Fund we wish to draw to your attention the fact that Grand Lodge did not provide any monies for this Fund during the years 1957 to 1961. The Committee reported to Grand Lodge in 1956 that only \$500.00 of the \$1,000.00 ordered to be allotted from the Relief and the General Funds had been paid as the monies on hand appeared to be adequate and following this further in 1957, payments were cancelled altogether. This means that the sum of \$5,500.00 from each of these funds was not paid between 1956 and 1961. Your Committee recommend that investment holdings of the value of \$5,500.00 from the Relief and from the General Funds be transferred to the Superannuation Fund now to make up this deficiency. This will place our Superannuation Fund on a sound actuarial basis.

The new Canada Pension plan will come into force on January 1st, 1966 and, at the present time, we are unable to say what changes will be required.

Your Committee is making a further study of Insurance requirements for Grand Lodge.

With this report we submit the Budget for the ensuing year. This has been very carefully scrutinized by your Committee. We do not like to submit a deficit budget, but it is necessary to do so and we propose to deal with it as shown above, we ask your approval of the budget as submitted.

Your Committee wishes to record their appreciation of the work of the Grand Secretary and his staff, we feel that your affairs are being well taken care of.

Fraternally submitted,

W. LLOYD McPHEE, P.G.M.,
Vice-Chairman.

COMMITTEE ON CHARTERS AND NEW LODGES

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

At the Communication of Grand Lodge held in June 1964, Polaris Lodge of Fort Smith N.W.T. was granted their Charter and was numbered 186 on the register of Grand Lodge. The ceremony of Constitution and Consecration took place in the School Auditorium at Fort Smith on Saturday, July 4, 1964, with the M.W. the Grand Master presiding. A chartered plane from Edmonton flew 43 Grand Lodge Officers and Brethren to Fort Smith where they were joined by 19 Brethren from Yellowknife N.W.T. who also flew in on a chartered flight for this great occasion.

It was also recommended last year that Kelvingrove Lodge of Calgary be granted a Charter and they be numbered 187 on the register of Grand Lodge. The ceremony of Constitution and Consecration was held on Saturday, September 12, 1964, in the Masonic Temple, Calgary. The M.W. the Grand Master presided accompanied by a goodly number of Grand Lodge Officers. We were honored on this occasion by the presence of the M.W. the Grand Master of British Columbia, the R.W. Bro. Deputy Grand Master of Manitoba and the R.W. Bro. Deputy Grand Master of Saskatchewan.

The Petition for a Charter of Mystic Tie Lodge of Edmonton was also approved at the 1964 communication and they were numbered 188 on the Register of Grand Lodge. The ceremony of Constitution and Consecration was held in the Central Masonic Temple, Edmonton on Saturday, September 19, 1964, with the M.W. the Grand Master presiding, accompanied by many Grand Lodge Officers.

It was also approved at last year's Grand Lodge Communication that Northmount Lodge, Calgary be granted their Charter and they were numbered 189 on the Register of Grand Lodge. The ancient Ceremony of Constitution was held in the Triwood Community Hall, Calgary on Saturday, October 3, 1964. The M.W. Grand Master presided and was very well supported by Officers and other Brethren. On this occasion Bro. Harry Rimmer was invested as V.W. Grand Organist.

Last year's report noted that Beacon Lodge, Red Deer had been Instituted on April 1st, 1964, and its dispensation was continued. This Lodge has been meeting regularly in the Masonic Temple, Red Deer, and up to May, 1965, have Initiated Passed and Raised, two and have had one Affiliation. Membership as of May, 1965, stands at thirty-five. A Petition for a Charter has been submitted and is supported by the District Deputy of District No 4, R.W. Bro. T. W. Clarke. Their books were examined by a committee in Red Deer and found in good condition. It is recommended that their Petition be favorably considered and that Beacon Lodge be issued a Charter and that they be registered in Grand Lodge as Number 190.

Last year's report also stated that Griesbach Lodge was Instituted in Edmonton on April 2nd, 1964 and was continued under dispensation. Since that time they have met regularly in Acacia Masonic Temple, Edmonton. They have Initiated eleven; Passed and Raised, seven, with the four remaining to be Passed to Fellowcraft in May. They have had three Affiliations. The Worshipful Master is W. Bro.

T. W. Oldfield. Unfortunately they have lost one Charter Member by death. Their work is of very high calibre and all their members are vitally interested in their Lodge. A petition for a Charter has been made and is supported by the District Deputy of District No. 19, R.W. Bro. O. P. Thomas. Their books were examined by a committee in Edmonton and found to be in good order. It is recommended that a Charter be granted and that Griesbach Lodge is registered at Grand Lodge as Number 191.

Eastgate Lodge was instituted in the South East district of Edmonton on June 8th, 1964, by the M.W. Grand Master, M.W. Bro. S. H. Hardin, just before last year's Communication. There were 36 names on the Petition with R.W. Bro. F. B. Facey formerly of St John's Lodge, Vegreville as Worshipful Master. Since that time they have Initiated, Passed and Raised six Master Masons and have had two Affiliations. They have met regularly at St. Luke's Anglican Church Hall. Their work has been of the highest order. They have been unfortunate in that their Senior Warden has been transferred and they lost their Junior Warden by death. Both have since been replaced by appointments made by you, M.W. Grand Master. A Petition for a Charter has been received and it is supported by the District Deputy of District No. 20, R.W. Bro. P. I. Aikens. Their books have been examined by a committee in Edmonton and found in good order. It is recommended that a Charter be granted and that Eastgate Lodge be registered at Grand Lodge as Number 192.

On January 7, 1965, you M.W. Sir accompanied by your Officers, Instituted Redwood Lodge in South East Edmonton with 38 names on the Petition. W. Bro. D. O. Thomas is the Worshipful Master. Since that date they have met regularly in the Ritchie United Church Hall and have Initiated and Passed three and will raise these three in June along with a courtesy degree for Lake Saskatoon Lodge No. 106 of Wembley. They also have at the present time three more applications for Initiation. A Petition for a Charter has been received, it is supported by the District Deputy of District No. 20, R.W. Bro. P. I. Aikens. Their books have been examined by a committee in Edmonton and found in good order. It is recommended that a Charter be granted and that Redwood Lodge be registered at Grand Lodge as Number 193.

I am very grateful to the members of the Board of General Purposes who examined the books of the four Lodges, R.W. Bro. J. Booth, R.W. Bro. J. Little, W. Bro. W. N. Lowson and three District Deputies. R.W. Bro. T. W. Clarke, R.W. Bro. P. I. Aikens and R.W. Bro. O. P. Thomas. Your committee are pleased to see these new Lodges on our Register and to know that further efforts are being made to form more Lodges throughout our Jurisdiction.

Fraternally submitted,

BERNIE BROWN, J.G.W.,

Chairman

COMMITTEE ON GRIEVANCES AND APPEALS

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Grand Master and Brethren:

In our report last year we stated that much time had been spent in reviewing the Rules Respecting Trials for Masonic Offences and Proceedings thereon. We had hoped that we would, at this Communication, be in a position to present a complete report. Such is not the case. There are many very complex matters to be thoroughly checked before this report will be ready to submit for approval and we consider that it is best that full enquiry be made at this stage. There is not any pressing urgency as the Rules we now have have been adequate for many years. We will continue the study and trust that we shall be in a position to make a full report next year.

During the period under review, May 1st 1964 to April 30th 1965, we unfortunately have had one case of Unmasonic Conduct and the Lodge concerned took appropriate action. The member was sentenced to a term of imprisonment on a charge of Uttering. The Lodge, after due trial, found the member guilty of Unmasonic Conduct and he was indefinitely suspended. No appeal has been filed—Case No. 48.

Fraternally submitted,

D. LITTLE, P.G.M.,
Chairman.

THE COMMITTEE ON FRATERNAL RELATIONS AND CORRESPONDENCE

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

It is a great pleasure to once again bring you this report, as I am glad to say conditions in the world of Freemasonry are very good, in fact the whole world of Freemasonry seems very much on its good behaviour, especially those Grand Lodges that we recognize as regular. It is interesting to note that the largest Grand Lodge in the world is the United Grand Lodge of England, with 7,017 lodges and some five hundred and fifty thousand members. The Grand Lodge of Scotland has one thousand and twenty-one lodges, and that of Ireland, seven hundred and eighty-five, pretty well spread over the face of the globe.

News dispatches from Djakarta, Indonesia, provide the unhappy information that President Sukarno has taken drastic action against Freemasonry; the reason given is that it was fermenting aims and principles that originated abroad, and were not in line with the national identity of the Indonesian people.

Of interest to us, but involving us only indirectly, is the state of Freemasonry in France. We recognize the Grande Loge Nationale Francaise (1913). The other two Grand Bodies, the Grand Orient of France, and the Grand Lodge of France, are not considered regular. The Grand Lodge of France has entered into an agreement or com-

pact with the Grand Orient of France. This compact would seem to acknowledge the validity and regularity of the Grand Orient. This of course cannot be accepted by regular Grand Lodges. This action, while taken at the regular meeting of the Grand Lodge of France, has caused quite a severe split in that body. Many high ranking officers have resigned their offices and withdrawn. It would therefore seem that the Nationale Grande Loge of France continues to be the only duly constituted and regular body of Freemasonry now working in France. We have received full correspondence from the Grand Master of the Grand Lodge of France, M. Wor. Bro. Richard Dupuy. It would appear that this step now breaks down all attempts heretofore taken by the Grand Lodges of Europe, to bring about regularity of Freemasonry in France.

The situation in Belgium is much the same as reported last year. The Grand Orient is still the largest body and still not considered regular by the usual standards. The Grand Lodge of Belgium (1959), is making progress and now has fifteen lodges. It has been recognized by some seventy-six Grand Lodges, including Scotland, and all but one of the Grand Lodges of the U.S.A. It was granted recognition by the United Grand Lodge of England, on March 10th, 1965. Your committee, having received a request for recognition, recommends that we recognize this Grand Lodge.

We do not recognize the Grand Orient of Italy, but since the merger in 1961, affairs seem to be progressing favorably for the brethren in that country. Reports of visitors to lodges in that country and to the Grand Lodge, are favorable.

We reported last year of some difficulty arising between the Grand Lodge of the Philippines and the Grand Lodge of Japan, over the jurisdiction of Okinawa. While the matter has not been completely settled, they are now approaching it with a more Masonic attitude and it is expected that the lodges of Okinawa will be ready for the time when the American forces are withdrawn and the territory becomes a part of Japan.

Cuba continues to send out reports of their annual meetings and elections. The last report of this Grand Lodge is of a meeting in March, 1964, when Rudolfo Martinez Gomes was elected Grand Master, and Jose Alvarez Rivera Maldonada was elected Grand Secretary. They maintain they are not molested by the government and they continue their work and receive new candidates in the regular manner. We have maintained our recognition of this Grand Lodge.

Masonry in Latin America is usually considered of a high standard. While numbers are few, they strive to be progressive and regular. At the present time there is considerable political upheaval in a great many countries of Central and South America, where the Grand Lodges have been recognized by us for many years past. As long as the Masons keep out of politics as an organization we should not worry about their welfare. It is too bad and unfortunate that they have not more lodges and greater number of members. There is no change in our recommendation for Central America, which appears to be doing well since our last report.

In Brazil we have recognized the Grand Lodge of Rio de Janeiro for many years. The government has moved from the federal district of Rio de Janeiro to Brasilia, and the federal district has become

known as Guanabara. The Grand Lodge of Rio de Janeiro has changed its name to the Grand Lodge of Guanabara to prevent confusion with the Grand Lodge of the State of Rio de Janeiro, which is at Niteroi. Your committee recommends that we continue to recognize this Grand Lodge, but to change the name on our list.

A new State Grand Lodge has been constituted in the State of Mottogrosso. This makes sixteen state Grand Lodges in Brazil.

Respectfully and fraternally submitted,
W. A. HENRY, Chairman.
SAM HARDIN, P.G.M.

REPORT OF THE GRAND LIBRARIAN

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

During the year the library books have been completely re-numbered and a catalogue published and issued to each Lodge. It is hoped this will assist in planning educational programs in selection of books.

We have at present forty-five books on loan. During the past twelve months ten Lodges and seventy-five individuals have borrowed 160 books and many of our members have used the library as a source of material in the preparation of papers. We are grateful for the assistance provided by the Masters and Wardens Association in staffing the library each Wednesday from 7:00 to 9:00 p.m. Our appreciation is also extended to R.W. Bro. D. D. Penman and Brother Ken Taylor for books presented to the library.

Over the past few years addresses given at the Annual Communication have been tape recorded and the following are in the library for your convenience:

R.W. Bro. W. J. Johnston (1956).
Bro. Justice M. M. Porter (1959).
M.W. Bro. Clyde Hegman (1960).
M.W. Bro. C. M. Pitts (1961).
Bro. Archdeacon Cecil Swanson (1962).
Bro. S. W. Wylie (1963).
M.W. Bro. T. S. Roy (1964, Alberta and Manitoba)
M.W. Bro. W. J. Collett (1965 Area meeting address).

These tapes have been used by 85 Lodges and we recommend them to those who have not already heard them.

We still have a number of back copies of the Grand Lodge Proceedings available and will readily supply these to make up complete sets, so far as possible.

Fraternally submitted,
M. P. DUNFORD,
for Grand Librarian.

**NINTH BIENNIAL CONFERENCE
OF GRAND AND DISTRICT GRAND LODGES, A.F. & A.M. OF CANADA**

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

The Ninth Biennial Conference of Grand and District Grand Lodges of Canada was held in the Ritz-Carlton Hotel, Montreal, from February 18th to 20th, 1965, and was attended by representatives of the two District Grand Lodges in Newfoundland and all the Grand Lodges of Canada except British Columbia. Under the Chairmanship of M.W. Bro. Stuart L. Hodge, Grand Master of Quebec, with M.W. Bro. W. J. Collett of Alberta as Chaplain, the sessions opened on the afternoon of February 18th and, after brief remarks by the Chairman, a paper on THE MISSION OF MASONRY was read by M.W. Bro. H. D. Hopkins, New Brunswick, with the discussion led by R.W. Bro. H. B. Snelgrove, District Grand Master of Scottish Constitution, Newfoundland.

On the evening of February 18th the Grand Lodge of Quebec was host at a banquet for delegates and, following dinner, a most inspiring address was given by Bro. the Rev. John A. Simms, District Grand Chaplain, District 2 Montreal, and Minister of the Montreal West Presbyterian Church.

On the morning of February 19th a report on Fraternal Relations, prepared by M.W. Bro. W. A. Henry, P.G.M., Alberta (who was unable to be present) was read by R.W. Bro. E. H. Rivers, Grand Secretary, Alberta. Then M.W. Bro. R. S. Longley, Nova Scotia, delivered a paper on "HOW CAN WE REDUCE SUSPENSIONS FOR NON-PAYMENT OF DUES" This was further elaborated on by R.W. Bro. Henry A. Vallieres, Deputy Grand Master, Quebec, in leading the discussion. In the afternoon session a paper entitled: "A MORE EFFICIENT FOLLOW-UP OF SOJOURNING AND DIMITTED MASONS" was presented by M.W. Bro. Ewart G. Dixon, Grand Secretary, Ontario and this discussion was led by M.W. Bro. W. J. McGregor, Manitoba. It was generally urged that Masons moving from their own Lodge area to a distant jurisdiction be given priority treatment and welcome and that steps be taken wherever possible, to encourage affiliation and active participation in the new field.

This was followed by a paper: "FREEMASONRY AND THE CHURCH" presented by M.W. Bro. W. J. Collett of Alberta, the speaker dealt with the importance of educating the members of the Christian Ministry in the real meaning of Freemasonry and its proper place in our present day society. The formal discussion was led by M.W. Bro. P. R. Bagnall, Prince Edward Island. The paper was considered to be the highlight of the Conference and it was agreed that it should be printed in pamphlet form, separate from the general Conference report. M.W. Bro. Collett was the recipient of widespread acclaim for his fine effort.

During the evening of the second day the Canadian Masonic Research Association held its biennial meeting in the Masonic Temple and two papers were read. The meeting, chaired by M.W. Bro. C. MacL. Pitts, was arranged by Bro's. R. V. Harris and A. J. B. Milborne, assisted by Bro. Case, Grand Historian of the Grand Lodge of Connecticut.

On the morning of Saturday, February 20th, W. Bro. Jas. Arklie, Assistant District Grand Master, Newfoundland, E.C. presented a paper entitled: "HOW CAN WE DEVELOP A MASONIC EDUCATIONAL PROGRAMME WHICH WILL REACH THE MEMBERS OF OUR CONSTITUENT LODGES?" Discussion was led by M.W. Bro. T. M. Spencer, Grand Secretary, Saskatchewan and the subject was extremely well handled.

The Conference then decided to hold its next Biennial meeting (1967) in Toronto and elected the officers: President, the Grand Master of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario in office in February 1967. Vice-President, The Grand Master of Nova Scotia in office at that time. Treasurer, M.W. Bro. E. G. Dixon, Grand Secretary, Ontario. Secretary M.W. Bro. S. Carl Heckbert, P.G.M., Alberta.

The "All Canada" Conference is in no way a policy making body and any decisions are not binding on Grand Lodge, but the forthright discussions of the leaders of Freemasonry, as they assemble in Conference every two years are certain to be of value to the Craft and are certainly educational and elevating to those privileged to attend. The Proceedings are presently in the hands of the printer and will shortly be available. It cannot be too strongly urged that Lodges and their members make full use of the material.

Fraternally submitted,
S. CARL HECKBERT, PGM

GRAND MASTER: M.W. Bro. Hardin will now give the report of the

COMMITTEE ON JURISPRUDENCE

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren,

Your Committee met on Tuesday, June 8th, 1965, at 10:30 a.m., eight members attending. Your Committee reviewed the official acts of the M.W. the Grand Master and approved the same. No special Dispensations were issued that require comment.

Due to the increasing frequency in which other bodies are claiming relationship or connection with the Grand Lodge of Masons in Alberta the following ruling was issued by the M.W. The Grand Master on April 2nd, 1965.

- (1) The Grand Lodge of Alberta recognizes only the three Craft Degrees in Masonry.
- (2) The Constituent Lodges meet under a charter from the Grand Lodge and their meetings begin with the opening of the lodge and end with the conclusion of the hour of refreshment. When the Junior Warden is installed by the authority of Grand Lodge he is charged with responsibility for the time when the lodge is at refreshment.
- (3) The 1958 Communication of the Grand Lodge of Alberta accepted a report from the Committee on Jurisprudence which stated: "That this Committee disapproves any mention on Lodge Notices of organizations claiming connection with Freemasonry." This is to be taken to mean any direct or indirect reference to a non-Masonic group participating actively in Masonic meetings.

Your Committee approve this Ruling in principle and suggest that it be held in abeyance for further consideration and clarification by your Committee.

Your Committee considered that while it will be in order for registration to take place at the Social meeting in Mount Royal College on Tuesday evening and ballots to be issued, balloting cannot take place until Wednesday and must be in the building where Grand Lodge assembles.

Throughout this Grand Jurisdiction harmony and good fellowship prevailed during this past year.

Respectfully submitted,

S. H. HARDIN, P.G.M., Chairman

M.W. BRO. HARDIN: Before I ask you to accept this report I would like to answer the question of the Brother from King Hiram Lodge No. 21 at Dadsbury, referring to Section 104 of the Constitution, which has been explained on many occasions through the day. This letter came in in April, which did not give time to consider it. We must have ninety days to consider any amendment to the Constitution, as set out in Section 35. I will ask that any brethren who wish to have the Constitution amended to take heed. I move, seconded by M.W. Bro. W. L. McPhee (9) that the report of the Committee on Jurisprudence be received and adopted.

GRAND MASTER: It has been moved and seconded that the report of the Committee on Jurisprudence be received and accepted. Now you will note that it has three sections. Now all of these sections are on the floor for discussion, you may talk about any section you wish. Please give your name and number of your Lodge.

W. BRO. A. T. WARD (51): M.W. Grand Master, I wish to make clear to you and to the Brethren that the views I am expressing are those of W. Bro. McLeod and myself, not necessarily of my Lodge. I would like to refer to Section 29 of the Constitution' (quoted) I would like to invoke this privilege contained in the section in appealing on behalf of myself and W. Bro. McLeod, the decision of the M.W. The Grand Master as contained in his "directive" of April 2nd, 1965.

We take exception to Section 2 as it is, in our opinion, in conflict with the Ritual of the Grand Lodge of Alberta wherein the Worshipful Master directs the Senior Warden 'the labours of the evening being closed, you have my command to close this lodge.' (Full closing ceremony quoted).

If this Ruling is to prevail and the meeting begins with the opening of the Lodge and ends with the conclusion of the refreshment period, the closing of the Lodge by the three principal officers is null and void. Also it would eliminate any possibility of Lodges conducting Father and Son evenings; Lodges that wish to invite their wives to the social part of their evenings or the privilege of inviting a non-Masonic speaker to address the brethren at the social hour and other entertainment that might fall into the same category. More important still, this would deny the brethren of the Lodge the opportunity of meeting a prospective applicant during the refreshment hour, prior to filling in his petition for initiation.

We also take exception to the third section in the directive of April 2nd, 1965. We wish to respectfully point out that the section employs only the report of the Committee on Jurisprudence, as contained in the 1958 Proceedings and does not refer to the discussion of that report concerning its validity. The discussion in the 1958 Proceedings on this matter reads as follows: (discussion as quoted on page 106 and top of page 107 of 1958 Proceedings quoted).

I wish to once again ask the Brethren to take note that M.W. Bro. Howard, P.G.M., distinctly pointed out that the Committee's report is not law. At no time was a motion formed and presented to Grand Lodge to change the Constitution to include any ruling that Lodge Notices could not contain any mention of other organizations in their notices. As the late M.W. Bro. Blackstock clearly stated, "this is merely a recommendation"

We would like once again to refer to the directive of April 2nd, 1965, wherein it is pointed out that 'with increasing frequency the problem of the relationship of Grand Lodge to other bodies claiming Masonic connection is arising'. If this is occurring with increasing frequency—is it not a suggestion that the membership at large want something of this nature during their refreshment periods? We feel that it could serve a useful purpose in introducing some of the moral aspects of Freemasonry to the younger generation that will make the future members of our Order. As recently as the last Area Meeting in Edmonton, I can recall that a younger brother who gave his age as twenty-three years, noted from the floor, that he was the youngest member in the gathering and asked why it was. As I recall the M.W. The Grand Master replied: "that is a good question". Wouldn't one of the answers to the question be where has the young man of the age of twenty-one years had the opportunity to be introduced to the fundamental principles of Freemasonry?

Brethren we submit that Freemasonry must take a new look at its association or relationship with such visitations during the refreshment hour.

GRAND MASTER: If you have anything to say will you come up to the microphone quickly, I want to give any of you a chance to speak.

WOR. BRO. A. F. McINTOSH (124): We in Concord concur completely with the remarks of the previous speaker. We have written at some length to our District Deputy to back up this remark, but I would like at this time to just add one or two words. Throughout this gathering it has been spoken that we are not living up to Masonry, we are not doing the job we are supposed to be doing. We are supposed to make good men better, if we continue to work entirely within ourselves we become so wrapped up in ourselves that the trees cannot be seen for the forest or vice versa, but if we can step forward and start giving recognized support to the younger people that are coming up ahead of us we will have something definite to work for. Today charity is no longer required as it was in the past, we are becoming a welfare State but the young people and I will mention the groups, the DeMolay, the Job's Daughters, are people who are worthy of our support and we should do it actively and not just as individuals. Thank you, Sir.

GRAND MASTER: Any further discussion?

BRO. N. V. GERMAN (134): M.W. Grand Master, if this report is accepted and passed, does it have the effect of suspending your order until it has been considered by that Committee?

GRAND MASTER: Yes, the Committee on Jurisprudence accepted it in principle, held it in abeyance and are going to re-interpret it. Isn't that correct, M.W. Bro Hardin?

W. BRO. A. J. McLEOD (51): M.W. Grand Master, do I interpret your statement just made to mean that the Committee on Jurisprudence has already made its decision?

GRAND MASTER: The principle, yes. I take it that the Committee on Jurisprudence has accepted this in principle and it is going to re-interpret it, re-write it and re-explain it.

M.W. BRO. HARDIN: M.W. Grand Master, your Committee approves this ruling in principle and suggests that it be held in abeyance for further consideration and clarification by our Committee. Is that clear?

W. BRO. McLEOD: M.W. Grand Master it is not entirely clear to me, what I am trying to have made clear to me—the decision has already been made, has it, regarding insertion on Lodge Notices regarding other than Masonic bodies, in other words they have upheld your ruling, is that it?

GRAND MASTER: Accepted it in principle, yes.

W. BRO. A. J. McLEOD: They have not considered the 1958 Proceedings actually?

GRAND MASTER: Well, of course, my ruling supersedes the 1958 Proceedings, when I rule it becomes law, it doesn't matter what 1958 did. When I ruled it became law, all this discussion about 1958 is entirely irrelevant, this is my power under the Constitution (W. Bro. McLeod, thank you). Now the Jurisprudence Committee has the responsibility of approving or disapproving this act. It has accepted the statement in principle, the basic principle has been accepted, it feels that it needs to be re-written and explained a little farther. Now is that clear?

W. BRO. A. J. McLEOD: Yes, that is clear Worshipful Master but I am not sure that it agrees with the Constitution.

GRAND MASTER: You read me the Constitution, go ahead, I'll rule on it. What are you looking for?

W. BRO. A. J. McLEOD: I'm looking under the powers of the Grand Master. (Grand Master, You will have to hurry.) I would like to withdraw at present and bring it up later when I find the Section I am looking for, with your permission of course.

BRO. N. V. GERMAN (134): I move that your order of April 2nd, 1965, be suspended and that any reference in the report approving of principle be deleted and that this subject be referred to the Committee on Jurisprudence.

GRAND MASTER: I take it this is an amendment to the report of the Committee on Jurisprudence. I presume you have that written Bro. German. Will the Stewards go and get it in writing from our brother.

An amendment has been moved to the Report of the Committee on Jurisprudence it is in effect to put into abeyance the ruling of the Grand Master and to refer it back to the Committee on Jurisprudence. W. Bro. McLeod is seconding the amendment, is there any discussion on the amendment?

GRAND MASTER: Are you ready for the question on the amendment? Voting is restricted to Masters, Wardens and Past Masters. Are you clear on what the amendment is?

W. BRO. ERICK-MULDER (22): M.W. Grand Master in my travels through Masonic circles in Alberta I have found a tremendous amount of difference of opinion in regard to this matter of the other groups associated with Masonry. In this regard I have been told there are many jurisdictions in the United States of America who recognize some of these organizations, furthermore I have been told that any Masonic organization that does recognize these cannot be recognized in the general Masonic world body. Now there is a lot of misunderstanding in this regard, I wonder if some of this should not be cleared up before the brethren vote on this matter which I think is a very important issue. Thank you Most Worshipful Sir.

GRAND MASTER: Well it can only be cleared up if you use some kind of a motion to table it or refer it to a Committee, if you are prepared to do that this is fine. It's on the floor now, it is to be settled one way or another.

WOR. BRO. F. A. PATTERSON (143): M.W. Grand Master, I'll be frank and honest, I do not know how to vote on this matter nor do I know what to do about it and I think that I have looked at this question for several years. We have the Grand Master's ruling on it, we have the Committee of Jurisprudence and yet we seem to have a difference of opinion by the Master and Wardens and Past Masters. This disturbs me tremendously, M.W. Grand Master.

GRAND MASTER: Any further discussion, we are voting on the amendment. If you feel that you have not sufficient information, sufficient background on this, the proper motion would be to lay this matter on the table for one year and request the Grand Master to bring in a full report one year from now.

W. BRO. F. A. PATTERSON (143): M.W. Grand Master, I will so move.

GRAND MASTER: A motion to table is not debatable. It has been moved that this matter be tabled for one year and referred to a Committee that the Grand Master will appoint to report to this body one year from now. Do I have a seconder?

R.W. BRO. W. D. McALLISTER (11): I will second that M.W. Grand Master.

GRAND MASTER: The motion is not debatable, sit down, please.

BRO. N. V. GERMAN (134): Point of information, which is in order. The motion to table would mean that your order is still in existence, is that correct.

GRAND MASTER: The motion to table means that there will be no action taken on this for a year.

BRO. N. V. GERMAN: Yes, but it does mean that your order is still in effect?

GRAND MASTER: No, this is my ruling, it doesn't mean that. It has been moved that this matter be tabled and referred to a Committee to be appointed. All those in favour? Contrary? The motion is carried.

We will now have the report of the Board of General Purposes, R.W. Bro. A. J. G. Lauder.

REPORT OF THE BOARD OF GENERAL PURPOSES

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Grand Master and Brethren:

Your Board of General Purposes met at the conclusion of the 1964 Communication in Edmonton. M.W. Bro. A. D. Cumming was elected Chairman of the Finance Committee and M.W. Bro. W. L. McPhee was elected Vice-Chairman. The other Committees were struck by you M.W. Sir and the Grand Secretary.

Your Board met again yesterday, June 8th, 1965, and received the reports of the various Committees. You have the printed reports in your hands. The Finance Committee's report and the budget for 1965-66 were accepted as presented, with the exception that the transfer of the 25c per capita tax from the Relief to the General Fund requires an amendment to the Constitution and cannot be acted on this year. The report of the Grievances and Appeals Committee was accepted as read, as was the report of the Condition of Masonry.

I now move that the rank of Past District Deputy Grand Master be conferred on the brethren listed in this report. Seconded by R.W. Bro. Towers and carried.

The report on Fraternal Relations was accepted as read and I now move that this Grand Jurisdiction extend recognition to the Grand Lodge of Belgium and effect an exchange Grand Representatives, seconded by R.W. Bro. Towers and carried.

The report of the Committee on Charters and New Lodges was received as presented.

I now move that Charters be granted to Beacon Lodge at Red Deer to be numbered 190; to Griesbach Lodge in Edmonton to be numbered 191; to Eastgate Lodge in Edmonton, to be numbered 192 and to Redwood Lodge in Edmonton, to be numbered 193 on the Register of our Grand Lodge, seconded by R.W. Bro. Towers and carried.

The Committee on Jurisprudence reported on their deliberations and their report was approved, it has just been presented to you. The Ruling given will receive further study.

Your Board consider that the work of Grand Lodge is progressing on sound lines, we regret the loss of membership, but note that four new Lodges will be Chartered this year.

Fraternally submitted.

A. J. G. LAUDER, President.

Moved by R.W. Bro. A. J. G. Lauder that the report as a whole be received and adopted Seconded by R.W. Bro. T. G. Towers (12).

GRAND MASTER: Any discussion?

W. BRO. A. K. DEAN (170): I have been given to understand by hearsay that seated Masters may attend this Board of General Purposes the day before Grand Lodge, if this is so, I would like incoming Masters to know this because it would give us a great deal of information if we could sit in without participating in the Board of General Purposes.

GRAND MASTER: I will ask the Grand Secretary to answer that.

GRAND SECRETARY: M.W. Grand Master, the President of the Board issues an invitation to incoming District Deputy Grand Masters, this is a personal invitation which is sent to each of them but otherwise nobody is expected to be at the Board. If there are a few visitors they are allowed to sit at the back and not participate in any way. In the make-up of the Board there are sixteen members elected, eight elected each year for two years. There are four appointed by the M.W. the Grand Master for one year, which makes twenty of the general membership. Each of the District Deputies is a member and each of the Past Grand Masters and the elected officers of Grand Lodge, that is to say, the Grand Master, the Deputy Grand Master, who is the President, the Senior Grand Warden who is the Vice-President; the Junior Grand Warden, the Grand Secretary and the Grand Registrar.

GRAND MASTER: I am sure that if any of the sitting Masters would like to attend the Board of General Purposes that they would be welcome but they would not be eligible to take part in any discussions. Are you ready for the question? All in favour? Carried.

We will now have the report on the Grand Lodge Bulletin.

GRAND LODGE BULLETIN

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

It is our privilege to report to this Communication, on the Grand Lodge Bulletin. This is a difficult assignment, as words are inadequate to express the deep debt of gratitude that we, as Masons in this Grand Lodge, owe to M.W. Brother Carl Heckbert, for his continued effort to publish each month a Bulletin which is Educational and informative and of interest to all the Masonic Fraternity.

We wondered while reviewing the Bulletins issued in the past year; how many of the Brethren who received it read the Bulletin in its entirety or just glance through it and then lay it aside. We know that every one is busy but suggest that you take time out to read and re-read this Bulletin.

With the passing of time our Lodges are growing older and there are more special events, and anniversaries; we would recommend that a special column be set up for announcement of these events, by this means every member in our Grand Jurisdiction would have been advised of Special Events.

We recommend that a committee be set up at the start of the new Grand Lodge year to gather this material, so that it could function more efficiently.

Respectfully submitted,

CYRIL CORMICK, P.M.

M. A. DUNN, P.M.

Members of the Board of General Purposes.

Moved by W. Bro. C Cormick (81), seconded by W. Bro. M. A. Dunn (11) that the report on the Grand Lodge Bulletin be received and adopted.

GRAND MASTER: Brethren you have heard the motion, all in favour?

M.W. Bro. Heckbert will you please stand up and let us give you applause for all the work you have done. (Applause).

We will now have the report of the Committee on Research and Education, V.W. Bro. Austin.

V.W. BRO. AUSTIN: Brethren you have the report I will just give you the highlights.

REPORT OF THE COMMITTEE ON RESEARCH AND EDUCATION

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M.

M.W. Sir and Brethren:

It is my pleasure to report on the many activities of your Committee during the past Masonic year. Ten meetings have been held and in all instances we have had the support of the majority of the members of our Committee and on numerous occasions have had other interested Brethren in attendance, many of whom have made some interesting suggestions in relation to our work. We appreciated very much the additional appointments to our Committee which you made following your Installation in June 1964. These were, of course, listed in the Grand Lodge Proceedings for 1964.

One of our most interesting meetings was held as a dinner meeting in the Carolina Restaurant, Calgary, January 20th, 1965, and we were indebted to you for taking time to be with us, together with our Grand Secretary, R.W. Bro. E. H. Rivers and his assistant, W. Bro. M. P. Dunford. R.W. Bro. Risler came from Lethbridge, accompanied by V.W. Bro. J. S. White, Grand Steward, and there were seven Committee members and thirteen volunteers present. Your address and words of encouragement were most inspiring and the Grand Secretary's words of advice were most helpful. In the discussion many good suggestions were made that will prove helpful in the future.

Phase No. 1 of our "Masonic Education Program" was prepared in June, 1964, and we were very glad that you made arrangements for the newly invested District Deputy Grand Masters to make personal delivery of this to the Masters of the Lodges in their respective Districts. I appreciated the opportunity of explaining it to the District Deputies during their instruction meeting. Many Masters adopted the

program suggestions and, we will hope that more consideration will be given to this important work in the future. Phase No. 2 is being prepared and will be available in time for Lodges' 1966 programming.

You will have noted that two papers prepared by members of this Committee have been published in the Grand Lodge Bulletin, namely: "The Craft comes to Western Canada" by W. Bro. R. S. White (177) in October 1964 and "Masonic Landmarks" by Bro. W. E. Bright (134) in March 1965. We extend our thanks to the Editor, M.W. Bro. S. Carl Heckbert, for his recognition of these papers and we compliment the authors on their work. Another paper was prepared jointly by W. Bro. R. J. Borland (83) and W. Bro. R. S. White (177) entitled: "The Craft Degrees" and this was presented at several Area Meetings in March and April and proved very interesting.

Members of your Committee have accepted numerous invitations from rural Lodges, as well as Lodges in the City of Calgary, to present programs of Masonic Education and in all cases the Brethren have been warmly received. On every occasion we have taken the opportunity to urge the Lodge Officers to arrange for an active Masonic Education Committee in their own Lodge, stressing the importance of maintaining a sustained program of interesting topics on Freemasonry for the benefit of their members. Our suggestions have been warmly received and the different Lodges have expressed their appreciation of the efforts of the members of our Committee.

Through the efforts of R.W. Bro. K. A. King (177) a group of nineteen volunteers prepared reviews of the Grand Lodge Proceedings of 1964 and presented the reviews to Lodges within 100 miles of Calgary. This has created a new interest in the work of Grand Lodge and has been a means of drawing the attention of many members to the work that our own Grand Lodge has done and is doing. We have suggested that each Lodge should follow the directive that has been printed in the front of the Proceedings for each year, and which has been overlooked each year, that is that a member should be delegated to study the reports and bring a detailed study for discussion in open Lodge.

The Masters and Wardens Association of Calgary has been instrumental in getting members of Calgary Lodges to staff the Grand Lodge Library every Wednesday from 7 p.m. to 9 p.m., Bro. J. E. Nivins (83) has done a lot of work in this connection. The Brethren in Calgary have not availed themselves of the opportunity to visit the Library and get together for study and discussion as much as we have expected. An opportunity has been missed and we trust that this portion of our program will receive better support in the future. A new catalogue has been printed and placed in the hands of all Lodge Secretaries. Members of Lodges outside Calgary can obtain books through their Secretary.

This Committee was first appointed in 1961 and since that time progress has, we feel, been gratifying. The work of Masonic education is necessarily slow, but we feel our efforts have not been in vain. The Mentor Plan has proven most useful in the education of our Candidates and also to the Mentors themselves. The suggestions outlined in Phase I of the Education plan should have provided much material to the Worshipful Masters of Constituent Lodges. We feel that there will be much greater interest in the Craft as the members become informed and become active participants in our programs.

This report emphasizes the work we have done in Calgary, which as the seat of the Grand Lodge Office, is naturally the centre of opera-

tions. This does not in any way minimize the work done by the representatives of the Committee in Edmonton, where R.W. Bro. W. H. Driscoll as Chairman and W. Bro. W. A. Milligan as Secretary have spearheaded considerable activity; in Lethbridge where R.W. Bro. E. H. Risler has organized the Lodges and willing volunteers or in other centres Grande Prairie, W. Bro. W. A. Kujath, Medicine Hat, W. Bro. G. H. Davison and Red Deer W. Bro. H. L. Kalbfleish, all have worked hard and have laid a foundation which will stand the stress of time.

In conclusion, we appreciate the great interest that you and your Grand Lodge officers have shown in Masonic Education. Your addresses have inspired members to greater efforts and have whetted the appetite of all members for knowledge of our Craft. We have appreciated the assistance of R.W. Bro. Rivers and W. Bro. Dunford in the Grand Lodge office and we look forward to a greater interest in the years to come.

Fraternally submitted,
R. W. AUSTIN, P.J.G.D.,
Chairman.

Moved by V.W. Bro. R. W. Austin (124), seconded by R.W. Bro. K. A. King (177), that the report of the Research and Education Committee be received and approved.

GRAND MASTER: Brethren, you have the motion, any discussion? Any comments? All in favour? Carried. V.W. Bro. Austin, we would like to thank you and your Committee for all the work you have put into this during the year, stand up and receive the applause of your brethren (Applause).

V.W. BRO. AUSTIN: Thank you M.W. Grand Master, it has certainly been enjoyable.

The report of the Committee on the Grand Master's Address will be presented by M.W. Bro. W. L. McPhee, as M.W. Bro. Galbraith is acting as one of the Scrutineers. M.W. Bro. McPhee.

COMMITTEE ON THE GRAND MASTER'S ADDRESS

To the Officers and Members of the Grand Lodge of Alberta,
A.F. & A.M.

R.W. Deputy Grand Master,

No one who has had the privilege of hearing and working with our Grand Master could fail to realize that this year we have enjoyed the whole-hearted devotion and service of one of the great Grand Master's of Freemasonry. Your Committee is convinced that the name and reputation of M.W. Bro. Collett will be known and remembered for many years wherever real Masonry is studied and practised.

The whole address is a direct challenge; first to every officer and then to every member of the Craft to do a better job. Our Grand Master spells out the duties of each one of us and points out, in the clearest possible terms, that the Craft is doomed unless we assume our proper responsibilities and get to work. The survival of Masonry depends on the way its members do their jobs. They must provide leadership, enthusiasm, hard work and persistence if this great Order to which we pay lip service is to do work for which it is designed.

A faith to live by, a self to live with and a purpose to live for, make up a philosophy of life which, if followed faithfully, will restore not only our Order but our lives to something approaching what they should be. Your Committee wholeheartedly endorses the Grand Master's appeal and would urge each member to study it carefully and apply it to himself.

Our Grand Master has again called attention to the inadequacy of the present \$1,500.00 allowance for 12 months travelling by the Grand Master. Your Committee agrees emphatically with him that no Grand Master should be forced to use his own money to carry out the duties of his office. If this practice were followed we would, in effect, be barring our members of modest means from holding this high position and we might easily deprive Grand Lodge of some outstanding leadership which it desperately needs.

The Grand Master's assessment of the present Grand Lodge office arrangements is accurate, in the opinion of your Committee, and it is to be hoped that Grand Lodge will take note of these deficiencies and endeavour to correct them. Offices which were barely adequate more than thirty years ago can hardly be expected to be satisfactory today and ours are not.

Your Committee would endorse the Grand Master's suggestion that a study be made of ways and means of using abilities of our District Deputy Grand Masters to better advantage and your Committee welcomes his forthright declaration of the purpose of a Lodge meeting.

Your Committee approves the directive sent by the Grand Master to all Lodges with reference to non-Masonic groups participating actively in Masonic meetings.

Our Grand Master, and many others, believe that our Craft is approaching one of the greatest crisis in its history and that our only hope for survival lies in using the leadership ability of our members to the fullest extent. Your Committee completely agrees.

The address as a whole can be read with profit again and again and we in Alberta are fortunate indeed in having had the kind of inspired leadership from its author that we have enjoyed for the last twelve months.

Respectfully submitted.

F. P. GALBRAITH, P.G.M.,
Chairman

W. L. MCPHEE, P.G.M.

C. E. SANDERS, P.M.
Member Board of G.P.

Moved by M.W. Bro. W. L. McPhee (9), seconded by W. Bro. C. E. Sanders (28), that the report of the Committee on the Grand Master's Address be received and adopted. The motion was put by the Deputy Grand Master and carried.

GRAND MASTER: We will now have the report on the Grand Secretary's report, M.W. Brother McQueen.

REPORT OF THE COMMITTEE ON THE GRAND SECRETARY'S REPORT

To the M.W. the Grand Master, Officers and Members
of the Grand Lodge of Alberta, A.F. & A.M

M.W. Sir and Brethren:

Your committee on the Grand Secretary's Report has studied the report with a great deal of interest. As usual, the Grand Secretary has presented a very complete and detailed report of the work of the Grand Lodge office for the year and the amount of administrative detail handled.

The committee notes that four lodges were constituted and consecrated during the year and that our Grand Lodge now consists of 176 chartered lodges and four under dispensation, making a total of 180. It is interesting to note that although our membership has slightly decreased during the past two years, new lodges are being formed. In addition to taking care of expanding membership in the cities, it also makes it possible for unaffiliated Masons who have moved into our jurisdiction to resume their lodge work in a lodge of their own.

Your committee notes the Grand Secretary's reference to the Grand Lodge proceedings, and the disappointment over the fact that greater use is not made of the material contained therein. We concur in the efforts of the committee on Research and Education to have members visit lodges and review the Grand Lodge proceedings. It is suggested that the incumbent District Deputy Grand Master help by obtaining the services of a capable and interested member to do this as a project which could be very satisfying to the brother making the effort.

It is noted that 47 Fifty Year Jewels and four Sixty Year Bars were presented last year. It is a great honour to present these jewels to the worthy brethren who have devoted practically their entire adult lifetime to the cause of Masonry.

It is noted that 25 lodges completely revised their by-laws during the year and 23 of these adopted the new standard code which was revised by a committee headed by M.W. Bro. Collett, Grand Master, M.W. Bro. W. Ireland, M.W. Bro. Galbraith and the Grand Secretary. We highly commend this work and congratulate the committee. The new code not only meets all requirements for lodges, but is also a means of considerable saving in printing costs which is a big factor in small lodges. It is also noted that 20 lodges amended by-laws during the year.

The committee notes that the M.W. Grand Master issued 108 dispensations during the year; 55 of these dealt with meeting changes, 17 covered varying election and installation procedures, 24 for miscellaneous purposes, one to correct an error of appearing in regalia in public without authority, and 11 to wear regalia to Divine service.

One request to wear regalia at a local Remembrance Day Service was not approved.

Your committee wishes to comment on the number (eleven) of dispensations to wear regalia to Divine Service, and to compare this number with prior years. In each of the years 1962, 1963 and 1964, sixteen dispensations were issued; 24 in 1958 and 33 in 1951. It will be readily seen that the practice of attending church in regalia has declined a great deal in the past few years. Only 5%, or one in twenty,

obtained a dispensation to attend church clothed as Masons. This percentage may be increased slightly when you consider that a number of lodges in a city may combine and use one dispensation. However, the percentage is very small and deserves special consideration. It would be interesting to know the number of lodges, if any, that attend church in a body without regalia.

It is noted that appointments of Grand Representatives to and from other Jurisdictions have been made to fill vacancies.

The committee notes that there has been a decline in membership in the past year our membership at December 31, 1964 is 19,178 as compared with December 31, 1949, 14,954. This is an increase of 4,224 in the fifteen years. The increase occurred in the ten year period 1950 to 1960 at an average of about 425 to 450 per year. In 1950, the number initiated was 828, and in 1964 was 497. These figures are being quoted to point out the fact that our membership is falling off at an alarming rate and the necessity of every member of a lodge assisting in the cutting down the number of suspensions for non-payment of dues by personal contacts. The Grand Secretary has cited some interesting information on suspension which should be helpful.

The committee notes that the Grand Secretary has attended eleven District meetings and all of the area meetings. In addition, he attended three 50th Anniversary Celebrations. We have no doubt that on these occasions he contributed to the success of the meeting bringing, as he does, the office of Grand Secretary to the entire membership. His visits out of the jurisdictions as noted in the report bring credit to himself and honour to our jurisdiction. His unfailing promotion of the annual Banff Conference has rendered tremendous service to the Craft in Western Canada, the U.S. Pacific Northwest, and indeed, farther fields in Eastern Canada and the Eastern States.

We commend the Grand Secretary's office for the work on the Roster which is being brought up to date, December 31, 1964, and we are glad to learn that lodge secretaries are co-operating a little better in lodge returns.

The committee commends the Grand Secretary on the meeting of lodge secretaries in Lethbridge last November. This meeting proved to be very enjoyable and helpful. We feel that this type of meeting will produce good results in other parts of the province as well.

The increase of Grand Lodge attendance during the past few years has been due, in a large part, to our Grand Secretary's efforts. He has always promoted and urged attendance and it is hoped that the increase will continue.

The Grand Secretary is to be commended on his efforts to obtain books for sale to the brethren at various meetings. His efforts in the sale of regalia through our contact with the Dominion Regalia Co. have, as he says, been very beneficial to our Grand Lodge financially and otherwise, and we commend him for his services.

The committee is pleased to note that the Grand Secretary is receiving so much assistance from his assistant, W. Bro. Dunford, who was appointed in 1963. Wor. Bro. Dunford has taken over a great deal of the detail office work and many arduous duties, leaving our Grand Secretary free to devote more time for planning, consultations, and general administration for which he is eminently fitted. We are pleased that Wor. Bro. Dunford has made such an excellent be-

ginning in his duties, and we wish him every success in the future. The committee also concurs in the reference to Mrs. H. M. Hiscox who has indeed given cheerful and efficient service in the office for many years.

Our Grand Secretary refers to his association with M.W. Bro. Collett, Grand Master, on many visits and his pleasure in serving the Grand Master and associating with him.

The committee heartily concurs in the opinion that R.W. Bro. Rivers has completed another year, his 12th, of outstanding service to this Grand Lodge, and we thank him for it.

All of which is respectfully submitted.

D. D. McQUEEN (74), P.G.M.

Chairman.

S. F. CAMPBELL (74), D.D.G.M.

R. DAYMAN (67), D.D.G.M.

Moved by M.W. Bro. D. D. McQueen (74), seconded by R.W. Bro. S. F. Campbell (74) that the report of the Committee on the Grand Secretary's Report be received and adopted. (Carried.)

GRAND MASTER: R.W. Bro. Rivers will you stand up and receive the applause of your brethren. (Applause).

We have come to the point in our program where we have general business, does anyone have any general business? This is the time to bring up any point you wish to bring up. I do want to make one issue clear, the brethren from Unity Lodge raised the question about the power of the Grand Master, I wish to make it quite clear on the power of the Grand Master. The Grand Master, during the interval between Communications of Grand Lodge, may exercise all of its executive powers, except the granting of charters, and then specifically—To decide all questions of order and Masonic law, and, Section 42—'The statement of the powers and prerogatives of the Grand Master contained in the foregoing sections shall not be construed as limiting, or abridging the powers and prerogatives to the office of Grand Master by Masonic law or custom, except in so far as they directly limit or abridge the same.' Your Grand Master, between Communications (you must understand this) has the power of the Grand Lodge and an order by him remains until it is reviewed by Grand Lodge.

W. BRO. C. F. C. DAVIS (9): In the hands of every brother today we have had the Preliminary Reports and listening to the comments around me I find one thing that would be very helpful to everybody here. I was listening and trying to find the Report on the Committee of Jurisprudence, I looked in the book two or three times then I gave up. May I suggest that we have an index printed on the back of the report. Thank you.

GRAND MASTER: Thank you very much. I think that is the most constructive suggestion received today. We will get the Grand Secretary to act on it.

W. BRO. ALEX LATTI, SR. (168): M.W. Grand Master and brethren, I'm leading up to a motion and I am going to start with your address last night—there's confusion, is confusion present in our order or whatever it was, we all know what it meant. What occurs to me is, where does this confusion originate and does any of it originate here in this

body. The reason I ask this question is two years ago at the Area Meeting in Edmonton I brought up the matter of the Worshipful Master returning the salutes of his officers. I was told at that time that some previous Grand Master made the ruling that he should return the salute. The matter came up again last year and it transpired then that it was the ruling of the Committee on the Work in 1940 that made the ruling that the Master should return the salute and it has never got into the Work. I must point out that the Ritual that we are given is the only guide that we have and I think that the issuing of supplementary orders and rulings should not be made without changing the Ritual at the first printing. That is one source of confusion. Now today you mentioned Concordant Orders. A recent issue of the Grand Lodge Bulletin dealt quite lengthily with Concordant Orders or Orders claiming Masonic connection. This again is a source of confusion. We don't need to worry about the confusion in the world if we take care of our own confusion first. Another thing, we are very near to the conclusion of our business, Highlands Lodge has a Notice of Motion before this body, properly presented, and it has not been brought up yet. I am prepared to make that motion at this time but I do not have a copy of it before me and I am not sure of the wording of the motion, I could call on R.W. Bro Mansell to come in and make it. Does the Grand Secretary have the Notice of Motion on his desk?

GRAND SECRETARY: No, I'm not aware of it M.W. Grand Master.

W. BRO. ALEX LATTA, Sr. (168): Could we page R.W. Bro. Mansell (who was on the Credential Committee)?

GRAND SECRETARY: If there is a Notice of Motion it is not on file.

W. BRO. ALEX LATTA, Sr. (168): It was made last Fall, I believe. It deals with making available additional copies of the Ritual to each Lodge so that they can be used in coaching and in instruction of candidates and such as that.

GRAND MASTER: Are you aware of it Brother Rivers?

GRAND SECRETARY: No There was a discussion or some correspondence on it last Fall and it was referred to the Committee on the Work and I believe the lodge were advised that the motion could be made at the time the report of the Committee of the Work was presented to this Grand Lodge. It would be under the direction of the Committee of the Work but not a direct Notice of Motion to Grand Lodge

GRAND MASTER: There seems to be some confusion. I am quite willing to accept your motion whatever it might be.

WOR. BRO. ALEX LATTA, Sr. (168): Unfortunately I don't have the exact wording of the motion and it is desirable that this be correct. I will endeavour to get hold of R.W. Bro. Mansell.

GRAND MASTER: We could have this first thing tomorrow morning. We will make time for it then. Sorry if we have overlooked a Notice of Motion, we didn't intend to.

WOR. BRO. GEORGE CAMBRIDGE (89): This is not a motion but just a suggestion. This morning I was given a ballot with 35 names for 15 offices and hardly knew any of these people who were

candidates and it made it very difficult to make an intelligent vote and I don't think I'm alone in that situation. What I was going to suggest is that when a brother accepts a candidacy for one of these high offices that he forward a thumbnail sketch of his past Masonic activities and forward it to the Grand Secretary, it could be run off on the Gestetner and be available for the voting members of Grand Lodge to make a more intelligent selection.

GRAND MASTER: Thank you very much. I think that is a very good suggestion and I am sure that R.W. Bro. Cameron has made note of this and this will come before the Grand Master's Committee planning the Communication for next year.

V.W. BRO. W. B. T. TILSON (83): M.W. Grand Master we have heard of the Grand Lodge Bulletin tonight and we have concurred most heartily with the compliments paid to M.W. Bro. S. C. Heckbert. I do feel that a good many of our members are more interested in what is going on in Masonry in Alberta than they are in what is going on in Masonry in outside points and I think some consideration should be given, or might be given, to obtaining the information of the individual lodges in Alberta and incorporating them in the Bulletin and take excerpts from the Indiana Freemason or the Ohio or whatever they might be and have them be the minor portion of the Bulletin, the Alberta information being the major part with the editorial.

GRAND MASTER: Thank you very much V.W. Grand Director of Ceremonies. I am sure that the Editor of the Bulletin concurs in this, the only difficulty in this is that not many of the brethren seem to have a 5-cent stamp to send in news of what is going on. I am sure that if you wish more news about Alberta in the Bulletin, if you just mail it to M.W. Bro. Heckbert in the Town of Vermilion he will put it in the Bulletin. You'd be quite happy with the last issue of the Bulletin, I'm sure, it was entirely Alberta material, and very good material too.

WOR. BRO. J. A. PLACE (17): M.W. Master our lodge this year received one Notice of the Grand Lodge meetings and I received it two days before the Grand Lodge. Also these reports, I was wondering if it would be possible to have these reports out earlier so that the Masters and Wardens could study them before they come in to Grand Lodge?

GRAND MASTER: Would you like more than one copy of the program?

WOR. BRO. J. A. PLACE (17): I believe the Masters and the Wardens should each have a copy of the program before they come into Grand Lodge.

GRAND MASTER: We will ask the Grand Secretary to make a note of that. Have you got a comment?

GRAND SECRETARY: M.W. Grand Master it is very difficult to get some of these reports printed any earlier, we were proof-reading them on Friday, they were supposed to be delivered but there was a delay in the printing office and we were only giving them the final proofreading, we might have skipped some things doing it on Friday and they weren't delivered to our office until 4:00 o'clock on Monday afternoon and were being distributed last night. They are running things pretty close. If we got the reports from the different Committees earlier it would be possible but our financial year

only ends on the 30th of April, the financial statement is an important part of these reports, we have to have the audit completed and approved by the Finance Committee. Their report wasn't ready for the printer until the 23rd of May and I don't think it would be possible to get it out to the lodges before Grand Lodge. It is quite easy for us to send three copies of the program if that is what you wish, we never used to send any but we started sending one, if you wish more we can send three.

GRAND MASTER: Be sure you get them from your Secretary.

WOR. BRO. J. A. PLACE (17): That answers my question about the reports but it would be nice if we could study them before we came in to Grand Lodge. Thank you.

GRAND MASTER: We will look into this. These are all very good suggestions, we still have the tape recorder on and we will have them all down.

W. BRO. R. A. CROWLE (14): M.W. Grand Master, the inadequacy of the allowance for the Grand Master's travelling expenses has been mentioned on a couple of occasions. Is there any provision being set up to take care of this particular shortcoming in the way of a motion or through the lodge itself or through the Grand Lodge itself. In other words we have been told today there has been \$1,500.00 allocated for the Grand Master's expenses, which does not cover by any means his actual expenses, and as we all know, the cost of living and travelling is considerably higher now than it was when that particular amount was set. My question is, is the Grand Lodge doing anything to correct this inadequacy.

GRAND MASTER: If you would like to be sure that some action is being taken you could move that it be referred to the Finance Committee for study.

W. BRO. R. A. CROWLE (14): Thank you, M.W. Sir and I so move that the Finance Committee review the Grand Master's expense allowance. Seconded by W. Bro. A. T. Ward (51).

M.W. BRO. W. L. McPHEE (9): M.W. Grand Master in answer to the question by W. Bro. Crowle may I say there is no provision other than the \$1,500.00 in your proposed budget for the year 1965-66. As you will note we are operating at a deficit for the period, we hope somehow to get around that and we shall certainly take under advisement the remarks of our Brothers provided they are going to be willing to bear the cost. Thank you.

GRAND MASTER: The motion having been duly moved and seconded it was put to the vote and carried.

V.W. BRO. G. F. HENDRY: M.W. Grand Master, am I permitted to advertise Masonically here and now?

GRAND MASTER: Will you start and if you are getting out of line I'll stop you. How's that.

V.W. BRO. HENDRY: I would like to advise all within earshot that we of Highlands Lodge No. 168, propose to attempt to build a Lodge room for ourselves and others interested and we would enlist the help of everyone who is interested. Primarily the main benefits will be for those in and around Edmonton and Northern Alberta generally, but we would not refuse some money sent in from anyone. Thank you.

GRAND MASTER: Well, Bro. Hendry, you have been pretty liberal with these little cards that you have put all over the place, so that's fine. Now the next.

R.W. BRO. E. BUTCHER (79): M.W. Sir, I have been quite alarmed at the number of members that are being suspended every year for non-payment of dues and I can't help but think that it is time that Grand Lodge came up with some remedy for this matter. Personally, I don't like the word 'suspended' and I don't think it has got any place in a Masonic Constitution and I do think that during the coming year that Grand Lodge should give some consideration to finding some different way of dealing with these members who have become delinquent and possibly giving them a Demit rather than suspending them. After all when a member becomes delinquent and is suspended it robs him of all dignity and he loses faith. So very often we have found that men who have been really good members, who have hit upon unfortunate days, become suspended and they never come back and I do think that probably if he was given a Demit there would be some hopes of getting him back into the lodge. After all, Sir, when they stand in the North East corner of the Lodge as Entered Apprentices they stand there poor and penniless, neither naked or shod and we are told to practice charity and I do think that our lodge should show some charity towards these delinquent members. Thank you, Sir.

GRAND MASTER: Thank you my Brother that is a very charitable statement.

M.W. BRO. S. H. HARDIN: M W Grand Master and Brethren I would like to answer that question of R.W. Bro. Butcher from Lougheed. The only solution brethren is to create a Committee of three to assist the Secretary to consider each individual suspension or Demit by itself, for its merit. There are some members in our Grand Jurisdiction who have been members for forty or fifty years, probably they have gone into debt and they don't know what they are doing and very often they suspend a person like that who should not be suspended at all. Our Secretaries are very much occupied men, they are not paid secretaries, and therefore they cannot handle each individual case. The only solution, brethren, is to have in each lodge a Committee of three to consider a suspension or a demit for what it is by itself.

In that way you can go up to the individual member and find out if he is not good material for Masonry or he is not interested in Masonry or doesn't understand Masonry or hasn't been given Masonry, he should not be a member in the lodge at all, but if he is an ardent member and has moved somewhere, probably he hasn't sent his address to his lodge, he should be given every chance for consideration. That is the only solution brethren to set up a Committee in each lodge of three, we have a lot of other Committees but we haven't got a committee for this which is a most important thing in my estimation at the present time.

GRAND MASTER: Thank you very much M W. Bro. Hardin. I hope that you will note that I had an opportunity to look over the cards of the brethren who were suspended for non-payment of dues this year and it is alarming to see the number of brethren suspended who have had many many years of service in the Masonic Lodge. Some of them are retired and I do agree that this is one thing that needs to be looked into.

R.W. BRO. E. BUTCHER (79): M.W. Sir may I make one suggestion, another suggestion, however, couldn't Grand Lodge hold their Annual Communication probably a week later than what we do because there are so many members, younger members of the farming class who are unable to get away to attend Grand Lodge because they really have to finish their seeding and their work. In my own case, my son is Worshipful Master of Morning Star Lodge and he couldn't possibly get away because he hasn't got his seeding finished. It is the same with Comet Lodge and it is the same with so many of the lodges and if you look around the members here today you don't see very many young people and that is another thing that alarms me.

GRAND MASTER: Thank you very much, I think if you have a suggestion about the change of dates of the Grand Lodge session you should get in touch with the Grand Master's Committee, they are considering it, they have a lot of material on it, so would you mind doing that for us?

V.W. BRO. A. A. SOLLANYCH (185): M.W. Sir you have asked during the day for the various Committee heads to stand up and receive the applause of their brethren for the work that they have performed over and above their duties allocated to them, you neglected one, I wish he would stand and receive the applause of the brethren. (Applause).

GRAND MASTER: Who's that? Me? Thank you very much my brethren, I certainly appreciate this. Thank you indeed.

GRAND MASTER: V.W. Grand Director of Ceremonies will you inform the Colour Party we are now ready to retire the colours.

The Colour Party of Griesbach Lodge, under W. Bro. Major Oldfield retired the volours.

GRAND MASTER: Brethren, you will be in order for Prayer.

GRAND CHAPLAIN: May the Grand Architect of the Universe continue to bless us both now and forever more. Amen. So mote it be.

GRAND MASTER: V.W. Bro. Grand Director of Ceremonies, you will attend the Altar.

GRAND MASTER: Brethren Grand Lodge now is called from Labour. Labour will be resumed at 9:30 a.m. Thursday, June 10th, 1965

EVENING ENTERTAINMENT

The Annual Banquet was held in the Calgary Inn, Calgary on June 10th 1965 and 742 members attended. The Junior Grand Warden, R.W. Bro. Bernie Brown, was Toastmaster. After singing "O Canada", the Toastmaster called on the Grand Chaplain R.W. Bro. Dr. E. J. Thompson, for Grace—

"O God, from whom cometh every good and perfect gift, we thank Thee for all the mercies of life. We ask Thy blessing upon this food and our fellowship together and keep us ever mindful of the need of others, Amen". So Mote it be.

Toasts were then drunk to Her Majesty the Queen and also to The President of the United States of America.

During dinner the orchestra, led by R.W. Bro. J. S. P. Bach, played and this was very much appreciated by all present.

Following dinner the Toastmaster invited the Chairman of the Board of Scrutineers, M.W. Bro. Wm. Ireland, to make an announcement.

M.W. BRO. IRELAND: Brethren, it affords me a great deal of pleasure to inform you that you have elected V.W. Bro. Charles Edward Pinnell as your Junior Grand Warden for 1935-36 (Applause).

R.W. BRO. B. BROWN: Brethren, on behalf of the M.W. The Grand Master, I welcome each and every one of you here this evening. It is a grand tribute to our Grand Master to see so many Masons gathered here tonight, to bid him farewell on the completion of his term in the highest office in Masonry in Alberta, he is, I am very sure, proud to have you here tonight. On behalf of all members and also all our visitors I express our very sincere appreciation to R.W. Bro. John Bach and his orchestra (Applause). Each member of this delightful orchestra is a member of the Craft and they also work at Mount Royal College, so you know they are the best in the City of Calgary. (Applause). The Toastmaster then introduced those at the Head Table and additional distinguished members in front of the Head Table. At every Communication of Grand Lodge we have an outstanding man from Canada or the United States come to speak to us and I would now like to call on M.W. Bro. Harry E. Howard to introduce our Guest Speaker.

M.W. BRO. HARRY E. HOWARD: Bro. Toastmaster and my Brethren, this is a very fine occasion as far as I am concerned. I have been the Representative of the Grand Lodge of Indiana near the Grand Lodge of Alberta for a good many years and I have always found our speaker to be a very devout man as far as Freemasonry is concerned. I think I should tell you what kind of a Grand Lodge he hails from. There are 547 Lodges and 181,700 members. It is very close to their sesqui-centennial anniversary as they were established in 1818. One of their great highlights is their Masonic Home, they have a simply wonderful Masonic Home at Franklin, not far from Indianapolis. They have some three million invested in it and have a three million Foundation in connection with it. It is really a magnificent place and it was my privilege to go over it a few years ago. There are some 430 residents. Now our speaker for today was Grand Master of the Grand Lodge of Indiana in the years 1945-46, he became the seventeenth Grand Secretary in 1947, you can realize how long some of these brethren have been Grand Secretaries when you divide it into 150 years. The Grand Lodge of Indiana is a very important Grand Lodge in the United States and here we have a man who is Grand Secretary and, as many of you will know, one who has published some very fine articles in connection with Freemasonry, particularly the one "Whither Are We Travelling" and some others in that very fine publication of theirs "Why This Confusion In The Temple?" He has spoken from his heart in these articles. So, I have a great deal of pleasure in introducing to you M.W. Bro. Dwight L. Smith, Past Grand Master and Grand Secretary of the Grand Lodge of the State of Indiana. (Applause).

M.W. BRO. DWIGHT L. SMITH: M.W. Bro. Howard, M.W. The Grand Master, R.W. Brother Toastmaster and my Masonic Brethren of Alberta. I thank you from the bottom of my heart for the tribute you have paid to the Grand Lodge of Indiana in inviting me to come here and to share some of my thoughts with you, particularly to enjoy this beautiful, beautiful land; the land which actually is, I believe, God's Masterpiece. We sometimes get chided just a bit, in fact I have been

chided since I have been in Calgary, about the fact that our radio and television announcers in the United States sometimes blame all our calamities on Canada. It had never occurred to me that that might be true until it was called to my attention the other day and, when I stopped to think, the brother had a point I believe. When we have fair weather in Indiana, as we do sometimes, those rare days in June, we like to think that it has come about largely because of our own efforts, or at least because of our favored relationship with the Great Architect of the Universe. But when we have a tornado, as we did not many weeks ago, the television announcers usually tell us that devastating storms have moved in from Canada. When we have blizzards, as we sometime do, they warn us in advance that a front of cold air is moving in from Canada. Well! thank goodness the tables are turned tonight, let the television announcers of Calgary say tomorrow morning that a pot of hot air moved in from Indiana last night! (Laughter).

We hear a great deal about the invisible boundary that exists between Canada and the United States. We hear so much about it that it has become almost trite, although it has lost none of its meaning, but it seems to me the greatest tribute that could be paid to that happy relationship between Canada and the United States lies in the fact that I have been here about three days and I was here two days before it suddenly dawned on me 'Merciful Heavens, I'm a Foreigner' and that to me is the greatest tribute that could be paid. I hope you'll feel that way when you come to the United States. I hope that you can stay there many days without realizing that you are in another country and I thank you for offering a Toast to the President of the United States of America, as you did earlier this evening. (Applause). I thank you, too, for that beautiful and impressive ceremony this morning in which the flags were presented at the Altar and for singing the National Anthem of the United States of America. It may come as something of a surprise to you to know that the Star Spangled Banner has more than one stanza, in fact it has four, but you need not feel self-conscious about that because—behold I show you a mystery—most Americans don't know that it has more one stanza.

Some three or four years ago the Grand Lodge of Indiana decided to pioneer in a movement that probably will not be successful, but at least we are going to try. It occurred to us that we were missing the point when we sang only the first stanza of the Star Spangled Banner. Did you ever stop to think that the first stanza of the Star Spangled Banner ends in a question mark? "Oh, say, does that Star Spangled Banner still wave O'er the land of the free and the home of the brave?" So the Grand Lodge of Indiana decided to answer that question, we decided to tell ourselves at least, whether anyone else would listen or not, that the Star Spangled Banner is still waving, thank you! We discovered that that last stanza of the Star Spangled Banner sounds so much like Masonry that all Masons should sing it and so almost overnight it has become a tradition in Indiana that Masons when they sing the National Anthem, as we always do at the conclusion of every ceremonial observance, sing the first and the last stanzas. Let me repeat that last stanza and then you will know what I am talking about.

Oh, thus be it ever, when free men shall stand
Between their loved homes and the wars desolation,
Blest with victory and peace may our heaven rescued land
Praise the power that hath made and preserved us a Nation,

Then conquer we must when our cause it is just,
And this be our motto, In God is our Trust!
And the Star Spangled Banner in triumph shall wave,
O'er the land of the free and the home of the brave!

And after that we put an exclamation point, the question is answered! Yes the Stars and Stripes are still flying.

Well I fear tonight that anything I might say to you might come as an anti-climax after hearing that remarkably fine sermon by your Grand Chaplain, R.W. Bro. Thompson, this morning and that classical address of the M.W. the Grand Master this afternoon, I wonder if there is anything left for me to say. In the last twenty years or so I dare say I have listened to some one to one hundred and twenty-five Grand Master's addresses in the various Jurisdictions. But I can tell you, without resorting to flattery in the least, that the one we heard today far exceeds any I have ever heard in all my Masonic experience! (Applause). For many years I have been an admirer of the Grand Lodge of Alberta because of the highly devotional, devout, worshipful manner in which you enter upon your deliberations. I have read your Proceedings you see, and it has impressed me greatly that you begin your deliberations, as you do, with a Service of Worship and Thanksgiving. Then following close on the heels of the Service came that wonderful address of your Grand Master. Sometimes I think, if I have time, I should like to work up an address and I believe I shall call it 'The Sons of Mary and the Sons of Martha'. I have heard both of them in my day, for the most part we hear the Sons of Martha, those concerned with small things and they are necessary, we must have them. Let us not disparage them because we need them, but every so often we need to be stirred by the voice of one who can speak as a Son of Mary, the one who sits at the feet of the Master and drinks in his words—that we heard today. Most Worshipful Sir, I salute you! May your tribe increase. (Applause).

M.W. Bro. Dwight Smith then spoke to the assembled brethren on the theme 'shockingly unorthodox', he said: THE RACE IS TO THE SWIFT in which he dealt with the standards of Freemasonry and he held the rapt attention of all present

M.W. BRO. COLLETT GRAND MASTER: My Brethren, I would not have wished for anything better to be said at my last public appearance as your Grand Master than has just been said. We have been building up to this over the past year, the Grand Lodge Sessions today have been gradually reaching a climax and I think you will agree with me that we have arrived at that climax tonight. I don't know how it is possible for us to leave the sessions and to go back and be the same as we were before, they have been an inspiration and I think that we must say that that inspiration has not come because of Dr. Thompson, Dwight Smith or myself, but because of you, because of your support, of your enthusiasm and your devotion. The reason that we appreciated Dwight Smith here tonight so much is that he has re-echoed once more the feelings of our hearts. We thank him for coming from Indiana and helping us to get a vision of what might be and I think you will want me to tell Dwight Smith that from here on in that Standard is going to be at the top of the mast and we are not going to haul it down, thank you very much. (Prolonged Applause).

The Toastmaster called for the Junior Warden's Toast and the evening closed with the singing of God Save the Queen.

to complete the unexpired term of W. Bro. C. E. Sanders, who was elected Grand Registrar.

GRAND MASTER: I declare the brethren named in the report read by the Chairman of the Board of Scrutineers duly elected to the offices for the ensuing year. M.W. Bro. Ireland, I wish to express to you and to your Committee the thanks of the Grand Lodge for the efficient way in which you conduct this election, this year and also for so many years in the past. Thank you.

I am now prepared to receive nominations for the office of Grand Tyler.

W. BRO. R. L. COSTIGAN (180): I nominate V.W. Bro. A. C. Gunning, Past Master of Elbow River Lodge No. 180, Calgary, our present Grand Tyler.

GRAND MASTER: Are there any other nominations?

R.W. BRO. J. S. BACH (134): I move that nominations cease, seconded by M.W. Bro. H. E. Howard (28). Carried.

GRAND MASTER: I declare V.W. Bro. A. C. Gunning re-elected as Grand Tyler for the ensuing year.

GRAND MASTER: V. Wor. Bro. Gunning will you come in, you did such a good job this year that your brethren have re-elected you as Tyler for the ensuing year, does that shock you?

V.W. BRO. GUNNING: Somewhat. Thank you Most Worshipful Sir, I shall be glad to serve. (Applause).

GRAND MASTER: I am sure you will, you did a very good job this year, thank you very much.

Now the business held over from Wednesday's session, we have a motion from Highlands Lodge No. 168, may we have that motion now, please.

W. BRO. ALEX LATTA, SR. (168): M.W. Grand Master, I move, seconded by W. Bro. R. E. Harbottle (63) that we recommend to the Committee on the Work that each lodge practising the Canadian Rite be permitted to purchase from the Grand Lodge **ONE** additional copy of 'THE WORK' for their Inner Guard, and that all lodges be permitted to purchase from the Grand Lodge three to six additional copies of 'THE WORK' which shall remain in the custody of the Secretary for the use of those members taking part in the various degrees.

M.W. Grand Master, speaking on this motion, this is the direct result of an order or a directive from M.W. Bro. McQueen when he was Grand Master, calling in all unauthorized Work that was in possession of members of various lodges. This unauthorized Work is prevalent in the jurisdiction and the M.W. the Grand Master at that time endeavored to get them out of circulation and confine our Work to the authorized version. As a result of this order we felt it deprived many members, particularly those taking part in the Work, of a source of information, and it is for this reason that this motion is made.

GRAND MASTER: (quoting motion). This is a request to the Committee on the Work. Is there any discussion on this motion?

W. BRO. F. R. ERICK-MULDER (22): M.W. the Grand Master, I have a question to ask in this regard. Are the copies of the Work to be under the jurisdiction of the Master of the Lodge or are they going to be under the jurisdiction of the Secretary of the Lodge? My interpretation is that they will be under the jurisdiction of the Master of the lodge, in possession of the Secretary, and will be issued at the Master's command.

GRAND MASTER: This I would presume. It says the 'custody' of the Secretary and I presume that custody means under the direction of the Master.

Any further discussion? Are you ready for the question? It has been duly moved and seconded then; do you wish me to read the motion?—No? All those in favour? Contrary minded? The motion is carried.

Is there any further unfinished business? Are there any Notices of Motion to come before this meeting?

M.W. BRO. F. P. GALBRAITH: M.W. Grand Master and brethren, I would move, seconded by M.W. Bro. H. E. Howard that the rank of Past Grand Master be conferred on the following Most Worshipful brethren:

M.W. Bro. Dwight L. Smith, Past Grand Master of Indiana.
 M.W. Bro. Alexander E. Duff, Grand Master of Manitoba.
 M.W. Bro. James H. McKergow, Grand Master of British Columbia.
 M.W. Bro. Harry L. Martyn, Past Grand Master of The Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.
 M.W. Bro. Morris E. Sanford, Grand Master of Montana.
 M.W. Bro. Otto L. Danek, Past Grand Master of Minnesota.
 M.W. Bro. Edwin A. Haakenson, Past Grand Master of North Dakota.
 M.W. Bro. Herbert H. Eberle, Past Grand Master of Idaho.

GRAND MASTER: It has been duly moved and seconded that the rank of Honorary Past Grand Master be conferred upon the brethren named in the resolution. All in favor? (Applause). I declare the motion carried. Now I will present certificates to each of these distinguished Brethren.

M.W. Bro. Dwight L. Smith, will you come here Sir. We have been delighted to have you at this meeting and I, on behalf of this Lodge, confer upon you the title of Honorary Past Grand Master. You can have one second at the microphone. (Applause)

M.W. BRO DWIGHT L. SMITH: Thank you, M.W. Grand Master.

GRAND MASTER: M.W. Bro. Harry L. Martyn, Ontario, we are glad to have you, you were here in 1959, as well as our jubilee year, I don't know why they didn't give you an Honorary Rank then? Were you not Grand Master?

M.W. BRO. HARRY L. MARTYN: I was the Grand Master in 1959

GRAND MASTER: And they didn't give you a rank?

M.W. BRO. HARRY L. MARTYN: Well I was a school teacher Grand Master and probably didn't do a good job and was sent back to do it all over again. (Laughter and Applause).

GRAND MASTER: We'll give it to you now! M.W. Bro. Alexander E. Duff. I was delighted to be able to visit Manitoba last week and receive hospitality at your hands and now as a Grand Master, installed last week, a Past Grand Master today, that's the rapidity with which we work in Alberta. (M.W. Bro. Duff. Thank you, Sir). M.W. Bro. Morris E. Sanford: You know I went to Montana last year and they conferred on me the rank of Honorary Past Grand Master, but they never gave me a button!

M.W. BRO. MORRIS E. SANFORD: I'll see what I can do about it. M.W. Grand Master, distinguished guests and brethren. I am quite chagrined this morning but there was a package that left Helena, Tuesday afternoon, air mail, special delivery and so far it has not arrived. It is going to be in the hands of a Customs Broker when it

does arrive here and from there on your Grand Secretary is going to have to carry on for me, as I will not be here to do it. Brethren, this presentation is going to have to be symbolically done. I would like to tell you a little story, in terrible form, but it will bring out the feeling that I have inside me for you. A farmer and his wife with a little boy about four years of age had one of these huge farms in Alberta--wheat. Along about 5:00 o'clock one afternoon the mother suddenly missed the boy, she started looking for him, calling for him but could not find him. She called the father, the two of them looked for him, but could not find him. They called in a few neighbors, then they couldn't do anything further that night. Early the next morning all the neighbors gathered and they all went out to try and find this little lad. No success. Evening was beginning to fall and the mother had an idea, she said, let us all join hands and make one trip right down through the fields, we will not miss the little lad if he is in the fields. They joined hands and started down the field and all of a sudden there was a joyful cry. The mother rushed to the spot and here they had the little lad, she clasped the little boy to her arms and she said, "Thank God we joined hands soon enough." So brethren this morning, even though I do not have our new flag with the fifty stars in it—it means as much to us as your flag means to you—you have a new flag, it will take time, I know, to get used to it, it looks beautiful to us though. So, symbolically speaking this morning, I want to present to you our new flag, 'Old Glory', with fifty stars in it, that is as far as we can go. So from the Most Worshipful Grand Lodge of Ancient, Free and Accepted Masons of Montana, I symbolically present to you by way of your Most Worshipful Grand Master, to the Most Worshipful Grand Lodge of Ancient, Free and Accepted Masons of Alberta, our new American flag. As I clasped your Most Worshipful Grand Master's hand this morning, binding together through that mystic tie of Freemasonry, that friendship, that brotherly love, that respect, that love we have for one another, I wish to extend to you our best wishes, for blessing, and whatever is good for Freemasonry for you and for us. May the Lord bless each one and every one of you according to your several needs. I will be travelling West from here, and may you all have a safe journey home. Thank you. (Applause).

GRAND MASTER: I am delighted M.W. Sir to receive the flag, symbolically from your hands and I will receive it officially as soon as it arrives. M.W. Bro. Otto L. Danek, it is a great pleasure for me to confer on you the honorary rank of Past Grand Master of the Grand Lodge of Alberta.

M.W. BRO. OTTO L. DANEK: I'm overwhelmed. Thank you Sir.

GRAND MASTER: M.W. Bro. Herbert H. Eberle. I am delighted to present this to you and enroll you on the list of Honorary Past Grand Masters.

M.W. BRO. HERBERT H. EBERLE: Thank you M.W. Sir.

GRAND MASTER: M.W. Bro. Edwin A. Haakenson. We confer this on you with great pleasure and we hope that you will come back and see us.

M.W. BRO. EDWIN A. HAAKENSEN: Thank you.

GRAND MASTER: Brethren we were to present a Certificate to M.W. Bro. McKergow of British Columbia, but you will share our concern I am sure, when I tell you M.W. Bro. McKergow suffered a

slight heart attack last night and is confined to his bed this morning. We hope and pray that he will recover health and strength and that this attack will not be too serious. However, we will deliver to him the Certificate and your best wishes for a recovery of his health and strength.

Now is there any more business to come before this Grand Lodge?

R.W. BRO. M. P. NORTON (24): (D.D.G.M. No. 10). I am concerned, quite concerned, about the deficit financing of Grand Lodge as I feel (I know we can't have a motion), that the Committee on Finance should bring in a report at our next Grand Lodge and come up with a means by which we can use the interest, the earnings or even some of the principal of the money we have invested so that this Grand Lodge does not have to finance with a deficit. I also feel, M.W. Sir, that this Committee should advise the lodges throughout the Jurisdiction prior to the next meeting of Grand Lodge what they have come up with, so that it can be discussed intelligently next year. I know that there are many members here who are very concerned that the General Accounts are financing with a deficit.

GRAND MASTER: Thank you very much Bro Norton for bringing that to our attention. I would like to remind you that all the lodges have a questionnaire from the Grand Master's Committee dealing with finances. The Grand Master's Committee — the Grand Master-elect has indicated that he is going to re-appoint that Committee and they will be considering the finances of Grand Lodge and I do wish that the Constituent lodges would send in their answers and send in to this Committee any proposal or suggestion that they might have. I am sure that at the next Grand Lodge there will be a full report on the whole situation. Anything further now?

W. BRO. J. S. SANDERCOCK (7): M.W. Grand Master and brethren all. We are this year celebrating our Sixtieth Anniversary, our country will be celebrating its One Hundredth Anniversary in the year 1967. In Alberta there will be constructed in the City of Edmonton a Centennial Museum. Plans for this have already been formulated and calls have gone out to get material and information. Representative material of various organizations and written material for the archives, that the historical account of our generation might be kept for future generations. I have already spoken to you, M.W. Sir, and to other members of Grand Lodge in this respect, and realizing the time is becoming very short, only a year or part of a year in which to move, I would move, seconded by W. Bro Leon Wendt (91) that our Grand Lodge through its Officers take all necessary steps to see that the Ancient, Free and Accepted Masons of Alberta have representative materials placed in the Centennial Museum in Edmonton.

GRAND MASTER: You have heard the motion. Any discussion?

It has been moved and seconded that the Officers of this Grand Lodge be instructed to take all necessary steps to assure that the Masonic Lodge will be represented in the Centennial Museum in Edmonton. All those in favor? The motion is carried.

Any further business?

R.W. BRO. J. D. THOMAS (21): M.W. Grand Master, I said a few words about our grievance yesterday and thank you for the opportunity of bringing this up today. As you know it concerns our Grand Lodge in the way that we build or purchase our new lodges. After being in

our old lodge rooms for fifty years, at very short notice, we had to get out and that meant either buying a building or building one so we bought the old Knox Church for some \$10,000.00 that was a cash deal. A few years ago I brought it up, not on the floor, but with some of the members of Grand Lodge, and we are wondering why you could not in our case, as well as other lodges (our brother from Edson lodge spoke on it yesterday), why we have to go outside the lodge, our own particular lodge to finance these deals? Surely with the amount of money that you have invested we should be able to have first claim on it, at least a claim anyway because as you pointed out it is our own money. When I return home, unfortunately I am the only one down here today, the other brethren had to return, at our next meeting I will be asked for the findings of this Committee. I was given to understand that two years ago the Committee had to deal with it and what I would like to know, M.W. Sir is, when can we expect the findings, whether it is favourable or otherwise, we would like to know. As you know M.W. Sir and pardon me for taking up the time, the trend of the young folks today is to move to the City, they haven't the opportunities in the country and it makes it difficult for our rural lodges to find new members. For instance, we only had one new member this year, the first in three or four years and it makes an increased financial burden for those of us who stayed with our Mother Lodge. Thank you, M.W. Sir.

GRAND MASTER: I have assured you that this matter will be discussed by this same Committee you were referring to, but I must be quite frank and say that there will **have** to be a Constitutional Amendment and this cannot happen until a year from now at the next Grand Lodge, if the amendment is passed and to have an amendment there must be a ninety-day notice. We must work in accord with the Constitution.

Anything further now? The Grand Secretary has something.

GRAND SECRETARY: M.W. Grand Master, R.W. Bro. David Penman has something but he has lost his voice. He is not quite sure whether your gavel has been working properly and he made a gavel which he has put in a very beautiful case and he wants me to present it to you, which means that whilst you might lay down the Grand Lodge gavel today, this is a Past Grand Master's gavel and you are going to be expected to use it. (Applause).

GRAND MASTER: Well my dear friends, this is a remarkable gift, you can be sure I will use it and preserve it, thank you very very much.

Anything further now? We will have about a five-minute recess until we prepare the Lodge for the Installation.

INSTALLATION OF THE GRAND MASTER AND HIS OFFICERS

GRAND MASTER: I now call Grand Lodge from Refreshment to Labour and I have much pleasure in handing over the gavel to M.W. Bro. Samuel H. Hardin, who will install the M.W. The Grand Master

M.W. BRO. S. H. HARDIN: M.W. Bro. Collett and Brethren, before I proceed with the Installation, I am sure that you, like myself, were very much touched by the marvelous contribution of R.W. Bro. David

Penmon, in presenting the beautiful gavel to our retiring Grand Master. I am sure that he knew what he was doing, because, from the contributions M.W. Bro Collett has made, I think we will be able to call this a travelling gavel, his period of service is just beginning! I hope he will take it with him wherever he goes. You will now present the Grand Master-elect

R.W. BRO. JOHN BOOTH (51): M.W. Installing Grand Master, it is indeed with great pleasure that I present to you R.W. Bro. Arthur James Lauder, to be Installed as Grand Master of the Grand Lodge of Alberta. Might I be given just a moment to tell you about Jim Lauder. I have known him now for over half a century and my association with him during all these years has been of the very best. Jim Lauder was born in Edmonton on January 4th, 1898, after his school days he joined the Edmonton Fire Department in 1915, one year after I joined and he continued with the Department until he retired as Chief in 1963. He was Chief from 1954 to 1963. He was Initiated in Acacia Lodge No 11 in October 1925 and was Worshipful Master for two years, 1939 and 1940. Then in 1951 he helped very materially in the formation of Evergreen Lodge No. 166 and was its first Worshipful Master.

In Grand Lodge he has been a faithful attender since he was elected as Junior Warden of Acacia Lodge in 1937, he was Chairman of the Credentials Committee for many years. I know him to be a dedicated Mason and I have no doubt he will carry out the duties pertaining to the business of this Grand Lodge to the best of his ability and I hope he will be spared many years to serve us. (Applause).

The Ceremony of Installation was then proceed with and M.W. Bro. Hardin was assisted by V.W. Bro. W. B. T. Tilson (83) as Grand Director of Ceremonies and by M.W. Bro Collett, R.W. Bro E. J. Thompson as Grand Chaplain and also M.W. Bro's Howard, Heckbert, McQueen, Little, Harper and McPhee.

The Grand Director of Ceremonies made the usual Proclamation.

M.W. BRO. HARDIN: M.W. Grand Master, the attendance here this morning shows the esteem with which your brethren regard you and we all wish you a happy and successful year in office. I am proud and thank all for giving me the privilege of presiding at this Installation. (Applause).

M.W. BRO. A. J. G. LAUDER: Thank you M.W. Bro. Dr. Hardin, I can assure you that the service you have performed here this morning is greatly appreciated by all the members of Grand Lodge and especially by the new Officers. I wish to thank you and thank all the Past Grand Masters and I can assure you that I will never forget this Installation. Thank you.

Brethren I think we have come to the highlight of this Grand Lodge Communication and I have at this time an exceptionally pleasant duty to perform. I am going to ask our Most Worshipful Past Grand Master, Dr. Collett if he will just step down here for a few moments

M.W. Bro. Dr. Collett I am sure there are a lot here today who would perform this duty far better than I, but I can assure you I deem it a very great honour for me to have the privilege of presenting to you the Past Grand Master's Undress Apron and this Past Grand Master's Jewel. Today you are ending a very very successful year as Grand Master of the Grand Lodge of Alberta, through this last

year, 1964-65 you have given great inspiration and leadership to this Grand Lodge and to all the Constituent Lodges within this Grand Jurisdiction and I am sure, when presenting this to you it carries with it the gratitude of every member of this Grand Jurisdiction. We thank you for the wonderful year you have given to this Grand Lodge and we sincerely hope that you will be with us for many years to give us counsel. We thank you indeed for that wonderful leadership and inspiration that you have given to us. Congratulations. (Applause).

M.W. BRO. DR. W. J. COLLETT: M.W. Grand Master and Brethren, you almost overwhelm me, really I did what I was able to do, I did it with pleasure and with a definite sense of calling. I hope to be here and to be able to contribute for quite a number of years yet. Thank you very much. (Sustained Applause).

M.W. BRO. A. J. G. LAUDER, GRAND MASTER: Brethren, first I want to thank you for the confidence you have placed in me and the great honor that you have done me this day in promoting me to be your Grand Master for the next year. I can assure you, each and every one of you, that I will perform my duties to the very best of my ability. Last evening, as I sat at the head table in the banquet room and looked out over the great number of brethren there, I thought what a privilege it was to be a member of the Craft! To feel that all brethren there were individually dedicated to the principles of Freemasonry gave me strength. I thought of the honor I had received in being elected as Master of my Lodge a number of years ago and then as District Deputy of the District, now to be your Grand Master—I am indebted to you, my brethren and I pledge myself to your service. (Applause).

R.W. BRO. T. G. TOWERS: M.W. Grand Master and Brethren all, it is with a great deal of humility that I accept this honor and trust you have given me this morning. We have had a very successful Masonic year in this Grand Jurisdiction, we have had a very successful Communication but do not let us make the fatal mistake of resting on past laurels, let us look to the future with a united effort, with a steady purpose and a clear eye so that we may continue to enjoy success in future years as we have in the past. Masonry in our Grand Jurisdiction at the moment could be referred to as a smoothly running vehicle and if it is going to continue to be such a vehicle it is going to take the united effort of each one of us. No matter what our station in life, no matter what our station in the craft may be, if we will but sense this and act accordingly, I am sure we will all be proud to be called Masons and I trust you will hear no clashing of gears in the Deputy Grand Master's office! (Applause).

R.W. BRO. B. BROWN: M.W. Grand Master and Brethren, I feel very humble to know that you have again placed your faith in me and I will endeavour to discharge my duties to the best of my ability. To you M.W. Grand Master, I extend my congratulations and trust you will have a very successful year in office. (Applause)

R.W. BRO. C. E. PINNELL: M.W. Grand Master and Brethren, I think my feelings can best be expressed by reiterating the sentiments expressed by those senior to me. If anyone had told me six months ago that I would be sitting in this Chair I would have expressed amazement, however I shall dedicate myself to the service of the Craft in Alberta and do my best to fulfill every responsibility that is mine. (Applause).

GRAND MASTER: Thank you my brethren, I know we will be able to work as a team. Now, as my first official act I wish to reappoint the Grand Master's Special Committee, R.W. Bro. W. A. Cameron (29) of Red Deer has consented to continue as Chairman and I have one addition to make and that is M.W. Bro. W. J. Collett. (Applause) M.W. Bro. Collett, you will consent to act?

M.W. BRO. COLLETT: Grand Master, your authority is supreme, I shall be glad to assist.

GRAND MASTER: I wish to advise that there will be a meeting of the Board of General Purposes immediately Grand Lodge is closed.

The business of the Sixtieth Annual Communication being concluded, Grand Lodge was closed in AMPLE FORM and with prayer by the Grand Chaplain at 11:35 a.m.

Grand Secretary.

M.W. BRO. ARTHUR DAVID CUMMING

ARTHUR DAVID CUMMING**November 7th, 1886—December 26th, 1964**

The passing of M.W. Bro. Arthur David Cumming was a great shock to all. He was actively engaged in his business affairs on the morning of December 26th and a heart attack took him very suddenly during the afternoon. 'A.D.' was known the length and breadth of Alberta, having arrived here as a very young man from North Dakota and spent his whole life in the Province. He was a very successful business man and was the first agent for Dodge cars in Alberta. His business interests included the Medalta Potteries and the Medicine Hat Greenhouses as well as farming and property interests in Calgary.

M.W. Bro. Cumming came to Calgary with his family in the early 1920's and was active in civic affairs, serving as Chairman of the Calgary School Board and later Chairman of the Calgary Hospital Board. He served as a Director of Wood's Christian Home for seventeen years.

On January 28th, 1919, Bro. Cumming was Initiated in North Star Lodge No. 4, Lethbridge. On moving to Calgary he affiliated with Lodge Renfrew No. 134, serving as Worshipful Master in 1929. In 1936 he was elected as Grand Registrar and in the same year became Chairman of the Finance Committee of Grand Lodge, which post he held until his passing. In 1945 he was elected as Junior Grand Warden and was elected Grand Master in 1947. He put all his energy in to serving his brethren during his year in office and travelled widely both within and without the Jurisdiction. When the Higher Education Bursary was established, M.W. Bro. Cumming was a generous contributor—few Brethren knew the extent of the financial assistance given to students to enable them to obtain an education. Many a student received assistance from an anonymous source, because Art Cumming had been told that there was genuine need. He was indeed pleased to see the Higher Education Fund grow in the last year or so.

Mrs. Cumming was very ill for the last year or so and passed away on February 28th, 1965. During her sickness he scarcely left home. To their two daughters, Mrs. Frances Standen and Mrs. Katherine German, we extend sincere sympathy.

The following is a paper presented by M.W. Bro. W. J. Collett, D.D. at the Conference of Canadian Grand and District Grand Lodges, held in Montreal, February 18th/20th, 1965.

FREEMASONRY AND THE CHURCH

Freemasonry attracts to its Lodges adherents of a large variety of religions. This is because the philosophy of Freemasonry is based on a broad foundation of spiritual realities. A devotee of almost any religion which has as its fundamental precept a belief in God will find it possible to feel at home in the security of the tyled lodge. Accordingly Christians, Jews, Mohammedans and many other religions have been bound together in a comprehensive brotherhood. Not for one minute would I wish to minimize the value of this cosmopolitan membership both to the individual and to the Lodge. Nor do I wish to underrate the great contribution that a variety of approaches to religion can make to the rich life of our brotherhood. However, for the purposes of this paper we are going to limit our discussion to the relationship of Freemasonry to the Christian Church.

The opposition of the Roman Catholic branch of the Christian Church is well known. Originally Freemasonry had within its membership, in almost every country where it had been established, many priests and high dignitaries of the Roman Catholic Church in addition to numbers of Roman Catholic Laymen. This situation prevailed throughout most of the 18th Century. The first Freemason's Hall in London was completed in 1776 while Lord Petre was Grand Master and he was looked upon as the head of the Roman Catholic Community in England. Previously Thomas Howard, 8th Duke of Norfolk, a Roman Catholic, was Grand Master in 1730 and presented to the Grand Lodge its Sword of State which I am told is still in use. However after Pope Clement XII in 1738 and Benedict XIV in 1751 issued their bulls denouncing free-masonry the Roman Catholics gradually withdrew from the craft. This withdrawal was not complete enough for the Roman Catholic Hierarchy and a succession of Papal edicts commencing in 1821, finally separated the Roman Catholic Church from Freemasonry.

The opposition of the Roman Catholic Church to Freemasonry does not differ very much from the opposition being expressed in Protestant circles today. The Catholic Truth Society issued a pamphlet in 1935 which sets forth quite clearly the official attitude of the Roman Catholic Church. The pamphlet acknowledges that Anglo-Saxons are "inoffensive and well-meaning people" and admits that Freemasonry is "beneficial to the country, or at any rate quite harmless". From there it goes on to say that one great objection is the solemn oath of secrecy. The second great objection is more serious even than the oath of secrecy and that is that Freemasonry "tends to undermine belief in Catholic Christianity by substituting for it what is practically a rival religion based on deistic or naturalistic principles.

It is important that we should understand this objection from a theological standpoint. Deism in theology in the term used to describe a belief in the existence of a God or a Supreme Being when the belief is based on reason or on conclusions drawn from the world of nature. A deist does not believe it is necessary to subscribe to the revelation of God through faith or belief in a person such as Jesus Christ. The doctrine of naturalism is that the world of nature can get along all right by itself by obedience to the natural law and, at no time, is there any need for supernatural intervention by the Supreme Being in order to set the world at rights. Hence the claim that God intervened in the

natural order by sending his son into the world cannot be accepted. The Christian doctrine of Jesus Christ, therefore, can never be accepted by a deist or a naturalist and the Roman Catholic Church asserts that Masonry subscribes to these views

Through the years there have been attacks on Freemasonry by Protestant groups. At a Methodist Conference in Great Britain in 1927 there was an attack, much similar to the Roman Catholic one, spearheaded by Rev C Penney Hunt. Although the Methodist Church took no action there were indications of support for Mr Hunt's attitude.

As late as 1951 a group of Church of England clergymen launched an attack. The trouble started with an article published in January 1951 by a magazine called "Theology" and issued by the Society for Promoting Christian Knowledge. The article was written by Rev. Walton Hannah and was called, "Should a Christian be a Freemason?" Mr. Hannah answers his question in the negative, of course, and points to the oath of secrecy and the drastic penalties associated with the oaths. He claims in addition that the Masonic Order is Gnostic. The term Gnostic refers to a sect that arose in the early years of the Christian Church which asserted that it alone had the true knowledge of the Christian doctrine and inserted into this doctrine a good deal of Greek and Oriental philosophy. The true knowledge that the Gnostic claims to have is revealed to him by special secret rites and ceremonies. One ceremony was a type of mystic initiation. He declared that both the Roman Catholic Church and the Methodist Church opposed Freemasonry and that the Church of England should, at the very least, hold an inquiry.

At the Church assembly in June 1951, Rev R Creed Merideth moved that a Commission be established to study the Hannah article. In the debate that ensued Freemasonry was supported by such dignitaries as Dr. Garbett, the Archbishop of York and by Rev. C E. Douglas who stated "You cannot understand Freemasonry except in a lodge. Its real secret is fellowship". The motion was ultimately defeated. Mr. Hannah later expanded his article into a book which had limited sale for a while.

In Scotland in 1745 the Associate Synod of Stirling considered the propriety of the Masonic Oath and again in 1755 Kirk Session were asked to make serious enquiries into Masonic practices. It came to the point in some places that when an individual acknowledged he was a Freemason he was required to do public penance and was subjected to a rebuke by the Kirk Session. The reasons for the suspicion centred around the oath of secrecy and the penalties of the obligations. The Christian Churches are organized for the specific purpose of spreading the Gospel of Jesus Christ, for conserving the results of Christian teaching and service and for providing a visible expression of that religion to the outside world. It must endeavour to prove that this religion is adaptable to all the spiritual and moral needs of man. The various branches of the Christian Church may vary in their philosophies and in the interpretation of truth. The form of Divine Worship of the various branches of the Christian Church may differ widely as they attempt to appeal to the conscience and heart of humanity. But it must be clear that they exist for one definite purpose to propagate a belief in Jesus Christ. The Christian Church is bigger than a building or a sect by whatever designation it may be known. The Church is a great spiritual body and it embraces all who are sincere in the Christian Faith and in service to their God. It follows, then, that any other group that may appear to challenge the

theology of the advent of the Son of God to the world or to replace the Christian Church in the affection of its membership immediately becomes suspect and may be regarded with animosity.

Freemasonry is a science of morality "founded on the purest principles of piety and virtue" and as such should never be regarded as a religion. Although it is essentially religious in its teachings and in its implications, it becomes really a great Fellowship which finds its basis and unity in a belief in the Fatherhood of God. It believes in the unity and love of God and looks forward to the unity of love of mankind. It is this very simple faith that enables masonry to bind men from diverse stations in life together in enduring fellowship and experience. Its great emphasis is on character and the practice of righteous living. When the Churches criticize Freemasonry by describing it as Deistic, Naturalistic and Gnostic they fall into the error of assuming that Freemasonry creates in the minds of its membership a belief in God. This is not so. Before a man is accepted as an initiate he must acknowledge a belief in God. For the Christian that belief in God must be the one revealed by the life and teachings of Jesus Christ. Freemasonry takes the individual who has already confessed a belief in God as revealed in Jesus Christ and enriches and enlarges that faith by the practical teachings of morality and righteousness. Therefore, since the Christian conception of God is not deistic, naturalistic or Gnostic, it becomes impossible for fair minded men to describe Freemasonry in such a manner. Such conceptions must arise because the critic does not know what Freemasonry really is.

If Freemasonry at any time appears to justify its members in neglecting the worship or ordinances of the Christian Church then the fraternity is open to severe criticism. Freemasonry can never be a substitute for the Church in meeting the spiritual needs of the human heart. It is good for the brethren to be enthusiastic about their Lodge and to be proud of their Masonic heritage. They should be vitally concerned about practising outside the Lodge the truths they have been taught within it. Yet if religious aspirations stop at this point and Masons are content to make morality the sum total of their personal religious life then they neglect that which is of paramount importance, the salvation of themselves and the world.

Each man has spiritual cravings which Freemasonry cannot satisfy. The soul needs culture and food and these, for the Christian can be found only in the worship and ordinances of the Christian Church. A man may have a preference for some particular section of the church or some special form of service but the fact remains that man must worship God and there is no rite in Freemasonry that can satisfy that need. Freemasonry has no redemptive message to the sinner or to those who have lost a foothold in life. It has no gospel for forgiveness to those who have been battered and broken by sin and wrongdoing nor does it offer the ministry of healing to those who in life's struggle have lost heart and hope. This alone is the prerogative of the Christian Church. We cannot afford to ignore or treat lightly the ministries of the Christian Church or to exclude ourselves from attendance at God's house. Masonry, therefore, should be an aid to Christian development, give zest to Christian worship and facilitate the cultivation of our spiritual life.

It is incorrect for us to say that the Christian Church is critical of Freemasonry. It is correct to say that certain organized religious bodies are critical. It is even more accurate to say that certain of the clergy of various sections of the Christian Church are critical of Freemasonry.

Actually there is nothing in the body of Freemasonry nor within the teachings of the Church that should cause conflict. The conflict exists when the two come together in man. It can be a conflict of time, energy and talent of the human being. It can be located in the egocentricity of the clergy or laity who can tolerate no threat to their status as being those especially selected of God to carry His message to the world.

The Clergyman, for instance, may see the Lodge as a well oiled machine which competes with him for the loyalty and time of the men of his congregation. This impression may well be the result of casual contacts that the clergyman has with the order. Such a contact may have been at a time of misunderstanding such as at the graveside when Mason's presumed to usurp the function of the Church in the burial of the dead. It may have been at a time of conflict of dates between a church meeting and a Lodge meeting. It may have been when the clergyman attacked in a sermon "secret societies" and faced the wrath of the Masons in his congregation.

The point is that the antagonism to Freemasonry has no basis in theology but it does have a basis in misunderstandings and misconceptions. The following are some suggestions for the resolution of the difficulties:

1. A program of education is urgent and necessary. This program must first of all be directed to the members of the Masonic order. An informed Mason will not be devastated by attacks upon the order, will know where his responsibilities lie and will be able to answer critics in a reasonable and unimpassioned way. Each jurisdiction should be certain that an effective program of Masonic education is being carried out by the constituent lodges. We have been overly concerned with adding to the numbers of our members and too little concerned about being certain that our present membership know the philosophy of the order.

We should be more concerned about the education of the public as to what Freemasonry really is. Ignorance breeds suspicion and suspicion produces antagonisms. The doors of the Lodge rooms are shut to non-members and secret practices are carried on within the Lodges and are not subject to public scrutiny. This ought not to be changed but it is possible for us to let the people know about the order. For instance it might be well for us to commission someone to write a history of Freemasonry which could be placed in every Public Library, Theological College and University Library in the country. It might be possible for us to produce a well written booklet on "Freemasonry and the Church" to be distributed to the clergy of this country. It is true that we often have articles in our own publications about this subject. We have never, to my knowledge, made any concerted attempt to make our literature available to the non-Masonic world.

2. A searching examination of the public ceremonies of the craft is essential. The Funeral Service is under critical examination by many jurisdictions and no very valid arguments can be raised in favour of continuing it as an acceptable rite. In this regard I would like to refer you to a paper given by the Grand Secretary of Alberta, R.W. Bro. E. H. Rivers, to the Conference of Grand Secretaries in North America in February 1964 and published in the Record of Proceedings of the Grand Lodge of Alberta in 1964. Very pertinent is his quotation from the proceedings of the United Grand Lodge of England, September 12, 1962 when the following principles were laid down:

- (1) That Masonic Rites, Prayers and Ceremonies be confined to the Lodge Room and that dispensation to wear regalia (which term includes white gloves) be granted only in exceptional cases

- (2) That there be no active participation by Masons, as such, in any part of the burial service or cremation of a Brother and that there be no Masonic prayers, readings or exhortations either then or at the graveside subsequent to interment, since the final obsequies of any human being, Mason or not, are complete in themselves and do not call, in the case of a Freemason, for any additional ministrations. That if it is wished to recall and allude to his Masonic life and actions this can appropriately be done at the next Lodge meeting in the presence of his Brethren or at a specially arranged Memorial Service;
- (3) But that while no obstacle should be put in the way of Masons wishing to take part in an act of corporate worship, only in rare and exceptional cases should they be granted dispensation to do so wearing regalia; moreover that the order of service should in all cases be such as the officiating minister, or his superior, consider to be appropriate to the occasion."

the main criticism that the clergymen who oppose Freemasonry voice is that in its public ceremonies the Masonic Lodge usurps the function of the church and especially in the funeral service repeats the act of committal which has already been properly performed. In addition the Masonic service is often inexpertly done, prolongs a painful experience for the family and is theologically unsound, sombre and melancholy.

With this point of view I thoroughly agree and feel that the public ceremonies of the craft are the irritation that ultimately results in criticism and opposition. This is more serious than the theological objections for it becomes evident in the practical relationships between the clergyman and the Lodge in specific communities. If we could eliminate the criticism on the local level many problems would be solved.

We live in changing times. The modern population is no longer static but population shifts, economic roles change and knowledge increases. The rural society of years gone by is rapidly changing to an urban society. Even though the Masonic Lodge is based in antiquity this does not mean that its practices and attitudes can continue to be expressed in outmoded and meaningless ceremonies.

- (3) We need to revise our image of being a secret society with obligations to which are connected pagan and barbarous penalties. This, of course, raises a multitude of questions and should provoke much discussion.

The Christian Church in its early stages of development was accused of practising cannibalism and much persecution resulted. The accusation arose because the Christians met in secret and partook of a meal in which they were reported to eat human flesh. Only when the Christian Church was able to allow the public to be informed about the Church did these accusations subside.

The problem of the penalties has already been discussed in a very informative paper given to this conference in 1961 by Bro. B. V. Atkinson and I do not propose to repeat his arguments. However, it is my impression that there has been little action resulting from that paper, except in Quebec.

The matter of secrecy will continue to bother the Masonic Lodges until we take due regard of the program of education as suggested earlier in this paper.

- (4) We need to make more effective use of our Brethren who are also clergymen.

Dr. Daniel A. Poling in the *Philalethes* Vol. XV, No 1 writes:

"I arrived at the decision that Masonry is a vital and dynamic force in America, and in the world, for everything high and worthy to which my life has long been committed. And there is something more. Masonry occupies, in my opinion, a unique position of opportunity and obligation in the human order today"

Dr. Poling was an internationally known Baptist preacher and any clergyman reading such a statement would be impressed. Regrettably this was published in a Masonic Magazine to be read by Masons. It would have been far more effective if it were published in a national church paper.

When I started my ministry I was not impressed with the power of the Masonic order. Indeed it was not until 1942 when I was in my fourth pastorate that I enquired concerning membership. My interest was finally aroused by a growing awareness that in each town in which I served my chief support in the Church was from Masons. This interest was sparked when a brother clergyman, a member of the order, pointed out to me the fact that Masons were found in places of leadership for the good of the community.

After my initiation I would have been content to occupy the Chaplain's Chair without any thought of advancement had it not been for the insistence of some of the brethren that I make progress in the craft. Too many clergymen are never encouraged to vacate the office of Chaplain and certainly the average clergyman, busy as he is, is content to occupy the least demanding of appointments. This is not good enough for the Masonic order for not only are clergymen trained to take positions of responsibility but we need their active support amongst the members of their profession. We cannot afford to be apathetic about this if we ever hope to develop a good regard of the order amongst the clergy.

If the witness of the clergy is important to Masonry so is the witness of every Mason. Freemasonry will rise or fall in public esteem, and this includes the Church, in direct proportion to the quality of its membership. Brethren are admitted to the secrets of the Lodge because, in the opinion of the members, they are fit and proper persons to represent in the community the high principles and lofty purposes of the order. When a Mason fails to do this in his everyday relationships then he brings discredit and antagonism to the order. Masonry is judged not by its shining examples, but by those who fail to fulfil the trust that has been placed in them. It is, then, incumbent upon each Mason to cultivate, with extreme care, his spiritual nature. In this he cannot afford to disregard the enrichment and inspiration that his church provides. This need he must be willing to confess before men and thus give evidence of the essential unity of Masonry and the church.

We live in a chaotic and distracted world that has lost a sense of direction and where no real voice of leadership is heard. This bankruptcy can only result in complete disaster unless some clear voice is heard. That voice can come only from those who have learned the great secrets whereby the world can square itself to meet the demands of a scientific age. Two institutions alone have the answers, the Church and the Freemason's Lodge. It will be to our eternal shame if we allow wayward humanity to rush headlong into oblivion while these two bodies expend their energies in groundless antagonisms. The Masonic Order must not stand idly by expecting the church to close the gap. The initiative must come from us. We may have to travel the second mile, even the third mile, to bring about appreciation and understanding and the road may be difficult. The journey must be undertaken.
